

G.

Annual Reports
of the
TOWN of GRANVILLE
Massachusetts

Year Ending December 31, 1936

COMMONWEALTH OF MASSACHUSETTS

HAMPDEN, ss

To either of the Constables of Granville,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Tuesday, February 23, 1937, then and there to act on the Articles which follow.

The polls will open at ten o'clock A.M. and will close at three o'clock P.M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors, and three Citizens' Town Committee, each for one year, one Assessor, one Library Trustee, one School Committee for one year and one for three years, and three Selectmen for one year.

Article 2. To choose all necessary Town Officers.

Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee, and act thereon.

Article 4. To see if the Town will raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1937.

Article 5. To see what sum the Town will appropriate for Moderator.

Article 6. To see what sum the Town will appropriate for the Selectmen's Department.

Article 7. To see what sum the Town will appropriate for the Treasurer's Department.

Article 8. To see what sum the Town will appropriate for the Collector's Department.

Article 9. To see what sum the Town will appropriate for the Assessors' Department.

Article 10. To see what sum the Town will appropriate for the Town Clerk's Department.

Article 11. To see what sum the Town will appropriate for the Auditor's Department.

Article 12. To see what sum the Town will appropriate for the Election and Registration.

Article 13. To see what sum the Town will appropriate for Law.

Article 14. To see what sum the Town will appropriate for the Town Hall.

Article 15. To see what sum the Town will appropriate for Forest Fires.

Article 16. To see what sum the Town will appropriate for Tree Warden.

Article 17. To see what sum the Town will appropriate for Moth Extermination.

Article 18. To see what sum the Town will appropriate for Inspection of Animals and Provisions.

Article 19. To see what sum the Town will appropriate for Certifying Town Notes.

Article 20. To see what sum the Town will appropriate for Health and Sanitation.

Article 21. To see what sum the Town will appropriate for Weights and Measures.

Article 22. To see what sum the Town will appropriate for Memorial Day.

Article 23. To see what sum the Town will appropriate for Insurance on Buildings.

Article 24. To see what sum the Town will appropriate for Printing Town Reports.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$75 to be expended in the Town by the Hampden County Trustees for Aid to Agriculture in accordance with the provisions of the General Laws of Massachusetts, Chapter 128, Section 42.

Article 26. To see what sum the Town will appropriate for Public Welfare.

Article 27. To see if the Town will vote to appropriate \$3,600 for an Old Age Assistance Administration. All refunds from State and Federal Government to be added to same and carried forward as an Old Age Fund.

Article 28. To see what sum the Town will appropriate for General Highway purposes under Chapter 81 of the General Laws.

Article 29. To see what sum the Town will appropriate for Permanent Road Work under Chapter 90 of the General Laws.

Article 30. To see what sum the Town will appropriate for Winter Roads.

Article 31. To see what sum the Town will appropriate for Bridges and Railings.

Article 32. To see what sum the Town will appropriate for Education Purposes.

Article 33. To see what sum the Town will appropriate for Vocational Education.

Article 34. To see what sum the Town will appropriate for the Library.

Article 35. To see what sum the Town will appropriate for Maintaining Law and Order.

Article 36. To see if the Town will appropriate \$584 for the Street Lighting.

Article 37. To see if the Town will provide for extraordinary and unforeseen expenditures by a sum not to exceed 5% of the Tax levy for the preceding year to be known as the Reserve Fund.

Article 38. To see what sum the Town will appropriate to pay the School House Notes.

Article 39. To see what sum the Town will appropriate for the Insurance Fund.

Article 40. To see what sum the Town will appropriate for the Liability Fund.

Article 41. To see if the Town will appropriate \$500 to pay the Tractor Note.

Article 42. To see what sum the Town will appropriate for the Board of Health.

Article 43. To see what sum the Town will appropriate for Work Relief and the Farm-to-Market Project.

Article 44. To see if the Town will appropriate a sum sufficient to pay the Interest on Town Notes for the ensuing year.

Article 45. To see if the Town will authorize the Treasurer, with approval of the Selectmen, to borrow on and after January 1, 1938, in anticipation of the revenue of the financial year ending December 31, 1938.

Article 46. To see if the Town will vote to authorize the Treasurer, with approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable in one year, and to renew any note or notes as may be given for the period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 47. To see if the Town will vote to transfer the Machinery earnings of 1936 to maintain the Machinery Account of 1937.

Article 48. To hear and take action on the report of the Whitney Bequest Committee.

Article 49. To see if the Town will vote to buy 2,000 feet of snow fence and appropriate \$200 for payment of same.

Article 50. To see if the Town will vote to re-appropriate the unexpended balance of 1936 Chapter 90 appropriation (\$336.93) to complete said Chapter 90 job.

Article 51. To see if the Town will vote to place a light on the pole between the Grange Hall and the Library and appropriate funds for same.

Article 52. To see what action the Town will take in regard to the purchase of a new tractor.

Article 53. To see if the Town will appropriate \$50 to take care of the Town Dump.

Article 54. To see if the Town will vote to have the Moderator appoint a committee to revalue all property in the Town.

Article 55. To see if the Town will raise and appropriate \$300 for revaluing all Town Property.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this tenth day of February in the year of our Lord one thousand nine hundred and thirty-seven.

STEVEN M. ROBERTS,
EDWARD A. JENSEN,
CHARLES E. BARNES,
Board of Selectmen.

Auditors Report

To the Town of Granville:

The auditors appreciate the co-operation of the officials whose accounts have been audited and feel that a creditable advance has been made, especially in the matter of Selectmen's Financial Report, which we are glad to be able to approve for the first time in years.

We have endeavored to have the Selectmen's reports placed in such shape that the various accounts each show both funds available and amounts expended or transferred. Thus Selectmen's Financial Report and the Financial Summary and the Treasurer's Report, with proper additions and subtractions, should balance respectively and with each other.

We suggest that a statement of Surplus Revenue be appended to the Town Treasurer's report and that unexpended balances accruing to that account be indicated from year to year plus any other sums accruing be added so that the citizens may have an annual statement of the Reserve Fund so called. This will allow the citizens in general to have a more accurate knowledge of funds.

If the unexpended balance of 1935 Machinery Account carried over into 1936, then 1936 Machinery Account started with an asset of \$610.79. This would seem to be the understanding of the 1935-36 Board of Selectmen as indicated on page 73 of 1935 Annual Report and that Board should have noted said amount of \$610.79 as an available asset in their records of beginning 1936, which they did not do. Said Board of 1935-6 did keep within said sum in amounts (\$609.02) paid from Machinery Account up to March 1st. If unexpended balances of Machinery Account become available assets in succeeding year, then the Machinery Account for 1936 should have the following available assets:

January 1st, Unexpended Balance, 1935	\$610.79
February 24, Machinery earnings of 1935	3,886.23
October 13, Overlay Reserve Transfer	2,000.00

If unexpended balance of 1935 reverts to surplus revenue, then the only available assets for 1936 are the amounts actually voted by Town, namely, those of February 24th and October 13th.

If an unexpended balance represents *machinery earnings*, then an available asset, if reappropriated, would be logical. If there has been a special appropriation or transfer, then the unexpended balance represents money which normally reverts to the surplus revenue. We feel that this is what occurred in 1935 and the balance of \$610.79 reverted to surplus revenue.

HERMANN G. PATT,
LEMPIE K. DICKINSON,
Auditors.

Report of Library Trustees

The Library has 6,064 books, 89 of which were added in 1936. 2,500 books have been circulated from the main Library and 232 from the West Granville Branch. Two sets of non-fiction, 25 volumes each, were loaned by the Division of Public Libraries in Boston for a six-weeks' period.

The Library Club has supplied magazines and has financed one-half of the running expenses and one-half of the janitor's salary.

22 children won State Reading Certificates.

Respectively submitted,

MARY W. PATT.

REPORT AS TO WORK ACCOMPLISHED

Tabulations made by the Trustees, taken from records of their agents, show that during the year 463 persons in Granville were reported to have been enrolled in some Extension Project, attended one or more Extension Meetings, acted as demonstrators, local leaders, or otherwise co-operated with and showed a personal interest in the Extension program for the Town and County as directed by the County Agents and State College Specialists. Our records further show that there were in all twenty-one projects covering various phases of farm, home, and community activities. 85 farm and home visits were also made by our Agents, 57 meetings held, and 18 days spent by them in the furtherance of the work in Granville.

A FEW OUTSTANDING RESULTS

Edward Roberts received a special award from the Massachusetts Horticultural Society for having one of the best gardens in the County. Russell Cooley of West Granville was selected to attend State Camp as 4-H County Delegate for his excellent work in the vegetable garden project, but was unable to attend.

A combined group of Tolland and West Granville women did so well in the old-fashioned dance that they gave at the Music Festival in June that they were one of the groups to repeat their performance at the State Festival at the State College Farm and Home Week. At the latter both men and women took part.

GRANVILLE PEOPLE WHO SERVED AS LEADERS OR OTHERWISE CO-OPERATED

In addition to the names listed above, the following people served as leaders or otherwise co-operated: Mrs. Mae Dickinson, Mrs. Andrew Duris, Mrs. Edward Francoeur, Miss Phyllis Patt, Edward Jensen, Pearl Phelon, J. L. Dickinson, Mrs. H. A. Hiers, and Mrs. Leonard York.

WHY A TOWN APPROPRIATION IS NEEDED

To reimburse citizens of the Town who contribute their time as local leaders for bare travel expenses in visiting the 4-H Club members who are enrolled in clubs and to attend leader training meetings as required, procure necessary equipment, material, and supplies for use in organized clubs and classes and to take care of local expenses that cannot be otherwise supplied by the Trustees.

IMPORTANT: Every dollar appropriated by the Town is spent in the Town. Not a cent of local appropriation is used for county-wide work and any balance expended is carried over to the credit of the Town of necessary expenses the following year. The authority to make a Town appropriation for this purpose is according to General Laws, Chapter 128, Section 42.

Respectfully submitted,

TRUSTEES FOR COUNTY AID TO AGRICULTURE.

L. B. BOSTON, *Clerk.*

Report of School Committee

To the Citizens of Granville:—

The School Committee organized with Mr. W. C. Prewitt as chairman and Mrs. Alice M. Frisbie as secretary. In June, Mrs. Alice Cheney resigned from the committee. At a joint meeting of the Selectmen and School Committee, Mrs. Miriam Dickinson was elected to fill the vacancy.

There were no changes in the teaching staff. When the new school was opened at West Granville, Miss Ruth Eldridge was assigned to the primary room and Miss Crompton was assigned to the grammar room.

Mr. Arthur Case was appointed janitor at the Village School and Mr. Burton Barnes at the West Granville School.

Several out-of-town committees have visited our two new schools and have been greatly impressed with them.

At the present time we have 28 pupils attending high school. Three pupils are enrolled at Trade Schools. During the year the following pupils attended vocational schools:

Westfield Agricultural:

Louis Barden

Donald Frisbie

Westfield Trade:

Charles Hodge

Springfield Trade:

Ralph Vecchio

Christian Jensen

Springfield Vocational:

Mary Laptew

The following attended high school:

Springfield High:

Helen Fox

Westfield High:

Elinor Barnes

Harold Beckwith	Pauline Olsen
Emily Boehm	Duane Banks
Mildred Chapman	James Clark
Wallace Chapman	Barbara Frisbie
Frederick Wackerbarth	Donald Frisbie
Roderick Kallman	Stella Laptew
William Barnes	Eva Lees
Theone Brooks	Roy Olsen
Clarence Matthews	Lorraine Tatro
Mary Matthews	Randolph Brooks
Phyllis Patt	Louie Brueno
Doris Reeves	John Gibbons
Marjorie Sierastki	Elizabeth Nestrovitch
Dorothea Tryon	Dorothy Peebles
Henrietta Wackerbarth	Irving Roberts
Marjorie Webb	Mildred Sattler
	Francis Sierastki

It was with regret that the School Committee accepted the resignation of Mrs. Cheney. She was sincerely interested in her work and performed her duties as a committee member, cheerfully and faithfully.

Respectfully submitted,

W. C. PREWITT,
MIRIAM DICKINSON,
ALICE M. FRISBIE.

Auditors.

Report of the Superintendent of Schools

To the Granville School Committee:

Herewith is submitted my seventh annual report, it being the thirty-fourth of such reports in this school union.

1936 was another important milestone in Granville's educational history. During this year a new elementary school for West Granville was voted, built, dedicated, and occupied. The abortive effort to build this as a P.W.A. project, late in 1935, was duly recorded in our last report. At the annual Town meeting in 1936 it was voted to pay P.W.A. bills contracted in 1935, amounting to \$927.08. Of this amount, \$799.78 was later salvaged and applied toward the building as we now have it, making the net loss to the Town because of the P.W.A. effort, \$127.30. Turning to the financial reports, which are classified under separate appropriations, we find that by adding the construction costs, \$16,442.98, the well \$380, the lot \$550, and the \$799.78 noted above, the total cost of building and lot was \$18,172.76. Of this, \$16,000 was borrowed, and the rest raised in 1936. Elsewhere we have indicated how this loan will affect the tax rate each year of its duration, beginning with seventy-nine cents on a thousand the first year, decreasing to fifty-eight cents the last year. Incidentally, 1937 will see more than half of the aggregate principal and interest on the Village School loan, paid up; so the West Granville loan can be more easily handled. It will be noted that none of the 1936 school appropriations, or school building appropriations, were overdrawn. On the building, a combined balance of \$77.22 was turned in.

To go on with the story. After the failure of the P.W.A. project, it was proposed that the Town proceed on its own initiative to erect a two-room building, leaving the matter of gymnasium to the future, but otherwise using the plans already at hand. This was approved by the voters at the Annual Town Meeting, February 24, 1936, by a vote of 116 to 2. The Sheets lot was purchased as a site. The architect was Mr. S. W. Haynes of Fitchburg, and the contractor, Mr. Richard W. Waterman of Athol. The Building Committee, under the P.W.A. project period, was: Mr. Porter T. Frisbie, chairman; Mr. Ernest Barnes, Mr. Joseph Dickinson, Mr. Walter C. Prewitt, Mrs. Alice M. Frisbie, Mrs. Alice A. Cheney, and Mr. Stephen Roberts. Mr. M. C. Moore acted as secretary. During the erection period, the same committee served,

Mr. Edward Jensen replacing Mr. Dickinson, and later, Mrs. Meriam Dickinson replacing Mrs. Cheney. The building was completed September 11 and occupied September 14. The dedication was held October 16, at 8 P.M., in the West Granville Church and the program was as follows:

Invocation, Rev. W. C. Prewitt

Song, Dear Land of Home—School

Remarks, Mr. S. W. Haynes, Architect

Delivery of Keys, with remarks, Mr. Richard W. Waterman, Contractor

Acceptance of Keys and their Delivery to the School Committee, with remarks, Mr. Porter T. Frisbie

Acceptance of Keys, with remarks,

Mr. W. C. Prewitt, Chairman School Committee

A Short History of Education in West Granville, Mrs. Alice M. Frisbie

Song, Hungarian Dance—School

Address, Mr. William R. Barry, Supt. of Schools, Ware, Mass.

Welcome to Former West Granville Teachers

Dedicatory Pronouncement, Supt. M. C. Moore

Song, Granville, I Love Thee—School

Benediction, Rev. W. C. Prewitt

After the dedication the building was thrown open for public inspection under the direction of the teachers, Miss Edna Crompton, of the upper room, and Miss Ruth Eldridge, teacher of the lower room, assisted by a committee of pupils. The following motto was placed in the upper room: "Prove all things; hold fast to that which is good." This motto had been placed on the blackboard of the upper room in the school by the brook when it was opened in 1873, and upon the blackboard in the upper room of the Village School, when it was opened in 1934. This may therefore be said to be the traditional motto of Granville.

LOOKING FORWARD

Four years ago our schools were sadly lacking in three important particulars, school plant, text-books and supplies, and seats and desks. All these needs have now been attended to. This is naturally a matter of deep satisfaction to all of our citizens. However, we dare not stand still. We must see to it that a new school is put into each of our new school buildings. So often do we find towns, which at great sacrifice, erect modern schoolhouses for their children, and then, through indifference, allow the conservative

element in the community so to shape school policies that the teachers are not allowed to use modern procedures in the class rooms. With us, this tragedy must be averted. We have a teaching staff of unusual ability, highly trained, alert, and eager to put into practice the best that educational research is continually discovering. We have a school committee that is broad-minded in their points of view, well poised, practical and fair in their administration. We have a large body of citizens that is progressive in outlook and helpful in attitude on every occasion. These splendid forces must assert themselves in no uncertain manner, and see to it that Granville has the best in schools as well as the best in school buildings.

MARKS

This is an opportune time, when our high school pupils, as a group, are consistently getting marks well above the average, to point out that it is a bit unfair to judge the work of an elementary school by the marks of its graduates in high school, especially at the first marking period, before they have become adjusted. The conditions are so different in high school. The pupil deals with many different teachers, instead of one. These teachers are college-minded. The subject matter is strange. The daily routine is new. New study habits must be formed. Social demands are numerous and insistent. Formerly, only a select few went to high school, the academic, book-minded pupils. This group is doing just as good work now as it ever did. But now everybody goes to high school. This requires a readjustment of high school curricula. It also requires a readjustment in our sense of values. We must be sympathetic with the less able pupil, and rejoice that he is getting large citizenship values to bring back to his community, even if he is not on the honor roll. Of course, these observations hold always and only if the student is living up to his personal best.

THE PRE-SCHOOL CHILD

The report of the school nurse shows a very gratifying interest on the part of Granville parents in the Summer child conference, sponsored by the State Department of Public Health. This brings to the front the fact that the value of school dental clinics, diphtheria immunization work, nutrition planning and vaccination clinics are enhanced many fold, if the pre-school child can be reached. No child should enter school until he has had all of these protective services, and has had any physical defects remedied.

Recent studies in the field of reading readiness have brought findings of

great significance for the pre-school child. These studies show that the greater the amount of experience the child has, the greater this readiness to learn to read; and the larger his oral vocabulary, the more he has to tie to, in learning to read. In other words, the home can do more to help him, by broadening and enriching his play, and directing and multiplying his contacts and experiences with things, than by home teaching with books. It also follows that we run into difficulties, if formal teaching of reading is attempted in school, before the child is ripe for it; and both experimentation and experience show that the nearer seven years of age he is, on entering school, the more sure and rapid will be his progress. Six is the minimum age that any wise parent will allow a child to graduate from the educative influences of the home. From the administrative point of view, it is necessary for the school to have a rule requiring a minimum age of five years, eight months, for entrance; not because that is an ideal minimum, but simply to prevent the absurdity of any earlier entrance.

THE PAST YEAR

There were no changes in personnel during the past year. Mr. Roy Barnes was employed at the West Granville school as janitor. During the year, \$99.60 was saved by the pupils of the Town in the school savings account, and this amount was deposited in the Woronoco Savings Bank. We should record, also, that the pupils of the West Granville School, during the Fall Term, earned and bought a piano for the new school.

The total gross cost of elementary and high school pupils in Granville for 1936 was \$19,670.92. The reimbursements were as follows:

General School Fund (income tax)	\$890.00
Aid for superintendent's salary	573.43
High school transportation	3,175.63
State wards	256.50
<hr/>	
Total	\$4,895.56

Subtracting the reimbursements from the gross cost leaves \$14,775.36 as the *net* cost of schools for the year. The amount spent for vocational education was \$746.25, and the reimbursements on vocational education (based on 1935 expenditures) were \$937.75.

In closing, may your superintendent express the satisfaction that comes from being associated with the work of a school system that has consistently gone forward throughout the depression period; a rare tribute, indeed, to Granville enterprise.

Respectfully submitted,

M. C. MOORE,
Superintendent of Schools.

FACTS ABOUT COST OF NEW BUILDING

Cost of building at West Granville, net, aside from loan was \$2,172.76. Effect on 1936 tax rate, \$1.22 per thousand. Details of loan: Amount, \$16,000; term, 16 years; rate, 2½%.

EFFECT ON TAX RATE EACH YEAR OF THE LIFE OF LOAN

Year	Bonds Due	Interest Due	Total Due	Effect on Tax Rate (Cents per \$1,000)
1937	\$1,000	\$400	\$1,400	\$0.79
1938	1,000	375	1,375	.77
1939	1,000	350	1,350	.76
1940	1,000	325	1,325	.75
1941	1,000	300	1,300	.73
1942	1,000	275	1,275	.72
1943	1,000	250	1,250	.70
1944	1,000	225	1,225	.69
1945	1,000	200	1,200	.67
1946	1,000	175	1,175	.66
1947	1,000	150	1,150	.65
1948	1,000	125	1,125	.63
1949	1,000	100	1,100	.62
1950	1,000	75	1,075	.61
1951	1,000	50	1,050	.59
1952	1,000	25	1,025	.58
				<hr/> \$10.95
				1.22
				<hr/> \$12.15

From the above, it is clear that all that will ever be paid for the West Granville building by a taxpayer, whose total valuation is \$1,000, is \$12.15, spread over a period of 17 years. If his valuation is \$2,000 he will pay, in all, a sum of \$24.30. If his valuation is \$5,000, it will cost him \$60.75, spread over a period of 17 years. If his valuation is \$800, it will cost him a total of \$9.72

Referring to page 40 in the 1933 Town report, and adding, we get surprising figures as to the cost to the taxpayer of the two new buildings together. The combined cost of the two, spread over a period of twenty years, is as follows: If the valuation is \$1,000, the total cost is \$26.41; if the valuation is \$2,000, the total cost is \$52.82; if the valuation is \$5,000, the total cost is \$132.05; if the valuation is \$800, the total cost is \$21.13.

Westfield, Massachusetts,

January 14, 1937.

Mr. M. C. Moore, Superintendent,
Granville, Mass.

My dear Mr. Moore:

The report of the music activities in the Granville schools during 1936 is as follows:

No important changes were made in the music schedule during the past year. There has been a general improvement in the tone quality of the voices and the ability of the pupils to master the technique of note-reading and musical interpretation.

In the primary grades rote songs, easy note-reading, simple folk dances, and rhythm band selections fill the musical needs of the pupils.

In the third, fourth, and fifth grades, more difficult note-reading, two-part singing, drill in chromatics, and folk dances are included in the program.

The upper grades complete the remaining problems in musical technique, such as compound time, sixteenth notes, and three-part singing, with much emphasis upon the artistic expression of songs as indicated by the composers. Folk dances are also greatly enjoyed by these pupils.

The Christmas and graduation programs are always welcomed by the pupils, as they realize the value of applying their yearly effort to programs for public performance.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

REPORT OF SCHOOL NURSE

January, 1936, to January, 1937

The School Nurse spends two school nursing days each month in the schools of Granville during the school year.

The health program is the same as in previous years. She has assisted the school physician in physical examinations and diphtheria immunization clinics, also the dentist in examining the teeth of the school children.

In April Dr. Whitehead, the clinic dentist, examined 111 children. Two received certificates for perfect teeth at the time of examination. Twenty-six received certificates from the clinic dentist and five from their family dentist. This makes a total of thirty-six children with perfect teeth in the schools of Granville.

In May Dr. White gave toxoid immunization against diphtheria to six children. At present about 88% of the school population is immunized against diphtheria. This is very encouraging, but we still have a large number of pre-school children that should receive this treatment.

In October Dr. White examined 114 children and found six with sufficient defects to need attention. (The number of dental defects is similar to Dr. Whitehead's.) Six enlarged tonsils, one heart murmur, two acne.

Four were unvaccinated. Later the school physician vaccinated three and family physician one.

Eight children had defective vision. Six have already corrected vision by glasses.

During the year five children had tonsils removed.

It is gratifying to note the interest taken by the parents in correcting defects and giving their children every opportunity for better health.

88 of the school children were given the tuberculin test in October. Of this group five were x-rayed.

The Hampden County Tuberculosis Association did the work on this clinic. Dr. Ascollilo of the Westfield State Sanatorium was the physician in charge.

The pre-school conference held in July, conducted by the State Department of Health co-operating with Dr. White, was very successful, thanks to the women of Granville. I feel sure that when our diphtheria immunization clinic comes around in the spring we will get the same co-operation from the mothers of pre-school children.

The children are weighed three times during the school year. Measured two times. Slips are sent home to parents showing gain or loss in weight between weighings. Except for a few, the gain in weight and height has been very satisfactory.

In carrying on the work, the nurse has made 70 school, home, and miscellaneous visits, given 63 classroom talks, and has had 90 consultations with parents, teachers, and pupils. Had 9 first aid treatments.

Children's diseases have been very few. Time lost at school by children was caused by colds.

The new school is a joy to us all. Ideal ventilation and lighting systems will help a great deal to keep the children healthy.

Respectfully submitted,

MARGARET CROKEN, R.N., *School Nurse.*

ANNUAL REPORTS
of the
Town of Granville
Massachusetts

Year Ending December 31, 1937

COMMONWEALTH OF MASSACHUSETTS

HAMPDEN, ss

To either of the Constables of Granville,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, February 14, 1938 then and there to act on the Articles which follow.

The polls will open at ten o'clock A. M. and will close at three o'clock P. M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors, and three Citizens' Town Committee, each for one year, one Assessor, one Library Trustee, one School Committee for three years, and three Selectmen for one year.

Article 2. To choose all necessary Town Officers.

Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee, and act thereon.

Article 4. To see if the Town will raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1938.

Article 5. To see what sum the Town will appropriate for Moderator.

Article 6. To see what sum the Town will appropriate for the Selectmen's Department.

Article 7. To see what sum the Town will appropriate for the Treasurer's Department.

Article 8. To see what sum the Town will appropriate for the Collector's Department.

Article 9. To see what sum the Town will appropriate for the Assessors' Department.

Article 10. To see what sum the Town will appropriate for the Town Clerk's Department.

Article 11. To see what sum the Town will appropriate for the Auditor's Department.

Article 12. To see what sum the Town will appropriate for the Election and Registration.

Article 13. To see what sum the Town will appropriate for Law.

Article 14. To see what sum the Town will appropriate for the Town Hall.

Article 15. To see what sum the Town will appropriate for Forest Fires.

Article 16. To see what sum the Town will appropriate for Tree Warden.

Article 17. To see what sum the Town will appropriate for Moth Extermination.

Article 18. To see what sum the Town will appropriate for Inspection of Animals and Provisions.

Article 19. To see what sum the Town will appropriate for Certifying Town Notes.

Article 20. To see what sum the Town will appropriate for Health and Sanitation.

Article 21. To see what sum the Town will appropriate for Weights and Measures.

Article 22. To see what sum the Town will appropriate for Memorial Day.

Article 23. To see what sum the Town will appropriate for Insurance on Buildings.

Article 24. To see what sum the Town will appropriate for Printing Town Reports.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$75 to be expended in the Town by the Hampden County Trustees for Aid to Agriculture in accordance with the provisions of the General Laws of Massachusetts, Chapter 128, Section 42.

Article 26. To see what sum the Town will appropriate for Public Welfare.

Article 27. To see if the Town will vote to appropriate \$1500 for Old Age Assistance Administration. All refunds from State and Federal Government to be added to same and carried forward as an Old Age Fund.

Article 28. To see what sum the Town will appropriate for General Highway purposes under Chapter 81 of the General Laws.

Article 29. To see what sum the Town will appropriate for Permanent Road Work under Chapter 90 of the General Laws.

Article 30. To see if the Town will appropriate \$1000 for Chapter 90 Road Maintenance. This sum to be used only if the County and State contribute like amount.

Article 31. To see what sum the Town will appropriate for Winter Roads.

Article 32. To see what sum the Town will appropriate for Bridges and Railings.

Article 33. To see what sum the Town will appropriate for Education Purposes.

Article 34. To see what sum the Town will appropriate for Vocational Education.

Article 35. To see if the Town will vote to authorize the School Committee to dispose of the old school bus and purchase a new school bus; and to raise and appropriate a sum of money for the same.

Article 36. To see what sum the Town will appropriate for the Library.

Article 37. To see what sum the Town will appropriate for Maintaining Law and Order.

Article 38. To see if the Town will appropriate \$600 for the Street Lighting.

Article 39. To see if the Town will provide for extraordinary and unforeseen expenditures by a sum not to exceed 5% of the Tax levy for the preceding year to be known as the Reserve Fund.

Article 40. To see what sum the Town will appropriate to pay the School House Notes.

Article 41. To see what sum the Town will appropriate for the Insurance Fund.

Article 42. To see what sum the Town will appropriate for the Liability Fund.

Article 43. To see if the Town will appropriate \$1000 to pay the Tractor Note.

Article 44. To see what sum the Town will appropriate for the Board of Health.

Article 45. To see if the Town will appropriate \$500 to be used only for Tools and Materials on State or Federal Work Projects.

Article 46. To see if the Town will appropriate a sum sufficient to pay the Interest on Town Notes for the ensuing year.

Article 47. To see if the Town will authorize the Treasurer, with approval of the Selectmen, to borrow on and after January 1, 1939, in anticipation of the revenue of the financial year ending December 31, 1939.

Article 48. To see if the Town will vote to authorize the Treasurer, with approval of the Selectmen, to borrow money from time to time in anticipation of the financial year beginning January 1, 1938 and to issue a note or notes therefor, payable in one year, and renew any note or notes as may be given for the period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 49. To see if the Town will vote to transfer the Machinery earnings of 1937 to maintain the Machinery Account of 1938.

Article 50. To see if the Town will vote to take \$400 from the Machinery Account to purchase a snow plow for the Town Truck.

Article 51. To see if the Town will vote to appropriate \$225 to purchase an adding machine and check protector.

Article 52. To see if the Town will appropriate \$75 to take care of the Town Dump.

Article 53. To see if the Town will vote to authorize the Town Forest Committee to sell the dead Chestnut on the Town Forest for \$15.00.

Article 54. To see if the Town will vote to purchase a public recreation site in Granville.

Article 55. To see if the Town will raise and appropriate the sum of \$600 for purchase and improvement of same.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this fifth day of February in the year of our Lord one thousand nine hundred and thirty-eight.

STEVEN M. ROBERTS,
EDWARD A. JENSEN,
DAVID F. KENNEY,
Board of Selectmen.

REPORT OF BUREAU OF OLD AGE ASSISTANCE

During the year 1937, 13 persons received Old Age Assistance. Eleven of these cases were Granville settled and 2 had settlements elsewhere. Four other cases were denied as ineligible.

Of the total amount expended for each case, one-half is chargeable to the Federal Government, two-thirds of the remainder is chargeable to the Commonwealth and one-third to the Town.

The following is a classified account of expenditures and receipts:

Cash Payments	\$2,708.50	
Medical, Hospital and Funeral	143.60	
Administration	190.79	
Miscellaneous	17.95	
	<hr/>	
Total		\$3,060.84
On Hand from Federal Gov't., 1936	\$38.46	
From Federal Government	1,330.90	
From Commonwealth	395.08	
	<hr/>	
Total		\$1,764.44

\$85.80 was received from the estate of one case and was used to partially pay hospital and funeral bills.

Respectfully submitted,
Bureau Old Age Assistance.

BELLE B. PENDLETON,
Supervisor.

REPORT OF THE LIBRARY TRUSTEES

The Library Trustees are pleased to acknowledge for the Town, the gift of the Granville Center Library to the Granville Library, by Dr. Holland Stevenson.

Another important addition to the Library is the 1937 Edition of Encyclopedia Britannica.

The Library has 6,173 books. 107 have been added in 1937, thirty of which are children's books, presented by the Division of Public Libraries. 2,435 books have been circulated in the main library and 85 in the West Granville Branch. Non-fiction for summer or vacation reading were loaned by the State.

The Library Club has supplied magazines, adding the "Reader's Digest" and substituting "Time" and "Good Housekeeping" for "Literary Digest" and "Woman's Home Companion."

The Library Club has also financed one-half of the running expenses and one-half of the janitors salary.

Twenty-five children have received State Reading Certificates.

We urge more of the Towns people to use and enjoy their Library.

Respectfully submitted,

MARY W. PATT,

Library Trustees.

WILLIAM F. KUPEC, Auditor.

AUDITOR'S REPORT

To the Town of Granville:

It is recommended that department transfers be regarded as payments against the departments from which transferred. Therefore all such transfers should be included in the Treasurer's warrants. By so doing, the Treasurer has authority for payments effecting such transfers.

I wish to express my appreciation for the cooperation received from all town officials while engaged in making the audit.

WILLIAM F. KUPEC,
Auditor.

Respectfully submitted,

GRANVILLE CENTER WATER COMPANY,

HOLLAND N. STEVENSON,

Treasurer.

1937 REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE

Town of Granville

Work of the Trustees for County Aid to Agriculture and the Hampden County Improvement League During 1937:

Granville is noted for its fruit growing and holds first rank with leading communities in this industry throughout the Commonwealth. Naturally, the work of the Agricultural Department of the League has been focused mainly along lines that would effect this particular industry. Three well-attended fruit growers meetings were held during the summer. At one of these meetings, growers from other sections of the County as well as Hampshire County were present and keen interest was shown in the excellent results Granville orchardists had obtained in many phases of orchard practices.

Eighteen local farmers were active cooperators in extension projects in orcharding, dairying, and forestry.

Two other well attended meetings were held under the auspices of the local Farm Bureau with the League cooperating, and as a result of one of these meetings a committee was appointed to study and outline a program that would be of economic value to the blueberry growers.

Twenty-nine farmers were enrolled in the 1937 Agricultural Conservation Program, and many individual farm visits were made by the County Agents.

The report of the Home Bureau shows an enrollment of 132 in nine different projects, led by 23 local leaders. Some 30 different meetings were held, and the Agents of the League made 15 home calls in relation to the work. A group from Granville also took a prominent part in the

county-wide music festival, and another group combined with Tolland and West Granville in the Outdoor Living Room Project.

There were 53 young people enrolled in five 4-H Club projects during the year, directed by 10 volunteer leaders. Many of these Club members exhibited their products at local fairs and the Eastern States Exposition, making a very creditable showing.

The League staff enjoyed the cooperation and helpful advice of many Granville citizens during the year, and are always eager to be of the utmost service to individuals, groups, and organizations, in all community enterprises.

VOLUNTEER LOCAL LEADERS

The Trustees share with the County Agents in their appreciation of the fine spirit of cooperation and the efficient manner in which the thirty-three leaders of Granville carried out the program of Extension work throughout the year. In no case did any one of these leaders receive compensation for the time spent in conducting classes, groups, or attending various meetings. In a few cases, actual transportation and expenses were paid as shown by the financial statement accompanying this report. Every dollar appropriated by the Town was used solely to defray bare travel expenses of these leaders or to procure necessary equipment and supplies for their work. Not a cent was used by the League in its county-wide activities, and any unexpended balance is carried over to the credit of the Town for the succeeding year. Authority for a Town to make such an appropriation is in accordance with General Laws, Chapter 128, Section 42.

Respectfully submitted,

Trustees for County Aid to Agriculture,

L. B. BOSTON, Clerk.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Granville:

The School Committee organized with Mr. W. C. Prewitt as chairman and Mrs. Alice M. Frisbie as secretary. Fourteen meetings were held during the year.

We had three vacancies in the teaching force. These were filled by the election of Miss Virginia Walker, Miss Kathryn Scott and Miss Avis Brown. Dr. Samuel Finsen was appointed school physician.

During the winter months a schedule for basketball practice and games was planned under the supervision of Mr. Arthur Case. A number of the young men and girls took advantage of this opportunity to use the school gymnasium. A similar program is being carried out this winter.

At the present time we have twenty-five pupils attending high school. Of this number, four are enrolled in the Agricultural Course at Westfield High School. Two pupils attend Trade School. We are very sorry that some of the boys were not able to enroll at trade school. Because of the overcrowded conditions, both at Westfield and Springfield, it will be impossible for any Granville children to enter these schools this fall.

During the year the following pupils attended vocational schools:

Westfield Agricultural—

Donald Frisbie
Louie Brueno

John Nickerson
William Brueno

Springfield Trade—

Christian Jensen

Ralph Vecchio
Mary Laptew

The following attended High School:

William Barnes	Roy Olsen
Theone Brooks	Lorraine Tatro
Clarence Matthews	Randolph Brooks
Mary Matthews	Louie Brueno
Phyllis Patt	John Gibbons
Doris Reeves	Elizabeth Nestrovitch
Marjorie Sierostki	Dorothy Peebles
Dorothea Tryon	Irvina Roberts
Henrietta Wackerbarth	Mildred Sattler
Marjorie Webb	Francis Sierastki
Harold Beckwith	Mildred Scott
Pauline Olsen	Donella Scott
Duane Banks	John Nickerson
James Clark	Jean Wackerbarth
Barbara Frisbie	Irene Banks
Donald Frisbie	William Brueno
Stella Laptew	Wanda Kuznicki
Eva Lees	Mary York
Alec Laptew	Ernest Lang

Nine of these pupils have been on the Honor Roll.

Respectfully submitted,

W. C. PREWITT,
MIRIAM DICKINSON,
ALICE M. FRISBIE.

William F. Kupec, Auditor.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Granville:

Herewith is submitted my eighth annual report, it being the thirty-fifth of such reports in this Union.

This year, which is the one hundred fiftieth anniversary of the adoption of the Constitution, should lead our thoughts to fundamentals. Many are saying that our nation must ultimately go either Fascist or Communist. Such well meaning folk have lost their faith in democracy. Right here lies a challenge to the schools to lead the way in preserving and enlarging that faith. It seems to us that now is the time for a definite teaching of the advantages of democracy, and a definite inculcation of respect and love for the flag and what it symbolizes. Flag saluting is not enough. We mean something much more far-reaching. Today is very clearly not the time for little children to hear nothing but criticism of our government and the undoubted short comings of our economic system. Enough of this is in the air to insure them against acquiring a blatant patriotism. The public school should assume an emphatic, positive program of instruction in the understanding of our American fundamentals of personal freedom, law and order, and popular government, under Constitutional guarantees and procedures. The school has today no duty more urgent and pressing than this.

TRANSPORTATION

It seems necessary for us to discuss certain phases of transportation, particularly in the high school field. Some parents have been saying that they have a perfect right to choose whomever they wish to carry their children to high school, and a few have gone so far as to make agreements with some particular driver for such transportation. This right of the parent to have his child transported as he sees fit cannot be denied, but right here there lies a very impor-

tant point. When the parent exercises that right and agrees with a driver to carry his child he thereby assumes the responsibility for paying for it. It is clear that the School Committee has the responsibility for determining the expenditure of transportation money from public funds, and cannot, if they wish, evade that responsibility. It follows logically therefore that anyone who wishes to avail themselves of the benefits of transportation provided by law must apply to the school committee. The committee will, of course, gladly listen to the expressed wishes of the parent; but must necessarily hire drivers and assign children to specific vehicles according to some plan that will seek to bring the greatest good to the greatest number, and after that must still continue to exercise control over both drivers and the children being carried. Misunderstandings sometimes arise due to the failure to recognize the authority of the town and state, through their agent, the School Committee, to regulate transportation that is paid for by the town and state.

ACCIDENTS

Brief mention may well be made of one matter that fortunately seldom comes up, namely, with respect to accidents that may occur in the school building or on school grounds. Sometimes in such cases, the question is asked to what extent is the town liable legally. The answer is the town can never be held liable in any such accident whatever. Not only that, but cases have arisen in which the town or the Committee wished to make recompense to the injured party and the Courts have ruled that they could not legally spend the town's money for that purpose. We speak of this, not only to clear up a question that is sometimes asked, but to prevent any parent from becoming involved with unscrupulous lawyers who know in advance that no damages can be collected, but do not hesitate to go after fat fees for themselves. With one modification, a similar situation exists with regard to transportation in town owned buses. The town maintains insurance on the bus, and is thus in position to help in case of bona fide injuries. Because of these facts, our teachers, drivers and school officials are particularly earnest in their efforts to teach the principles of safety and to make conditions as safe as possible at all times.

THE PAST YEAR

The past year has seen some changes in our personnel. After several years of a high type of professional and community service for our town, Miss Kearins accepted a fine position in Lawrence and Miss Crompton in New Bedford. Having been with us a shorter time, Miss Eldridge also had made a fine record in our schools. She resigned to go to Agawam. All three went from us with the best wishes of every citizen. It was recognized at once that it would be difficult to fill their places. Much care was taken in the selection of their successors. Miss Virginia Walker a graduate of Westfield Teachers' College was elected for the Village School vacancy, and Miss Kathryn Scott, a graduate of Worcester Teachers' College and Miss Avis Brown, a graduate of Bridgewater Teachers' College were chosen for the West Granville positions. All three are graduates from the four year's course, with excellent records, and all are giving excellent service to their pupils and to the town.

During 1937, \$76.60 was saved by the pupils of the town in the school savings bank account. This Fall, the greater part of grading the school grounds at West Granville was completed. There is still some work to do there, however. At both schools there is need for the purchase of additional auditorium chairs. It has also become apparent that the town school bus at the Village should be replaced. Our school work this year has not been spectacular, but steady progress has been made. The arithmetic program is in process of being revamped in accordance with the latest recommendations of experts. Already, marked improvement in individual results are noticeable. Choral speaking is being tried at West Granville.

STATISTICS

Some figures from the latest report of the State Department of Education are interesting. Our school tax rate is 7.61 per thousand. Only 6 towns and cities in the state have a lower rate and 348 towns and cities have a higher rate. The state average is 9.47, and the average for small towns is 9.82.

Granville had a valuation of \$136.28 behind each pupil. Only 38 towns and cities had a higher per pupil valuation. The *net* cost per pupil for our high school group was \$86.60, compared with a state average of \$92.48 for towns not maintaining high schools, and a state average of \$105.28 per pupil for towns and cities maintaining high schools.

In Granville, during 1937, our school income was as follows:

General School Fund (Income Tax)	\$990.00
Reimbursement on Salary Paid Supt.	571.10
Reimbursement, High School Transportation	3,005.62
Tuition and Transportation, State Wards	94.04
<hr/>	
Total	\$4,660.76

This sum subtracted from the total of school expenditures, namely, \$19,578.44 leaves \$14,917.68 as the net cost to the voters, of our high school and elementary education in 1937. Our vocational expenditures were \$800.30, our vocational reimbursements were \$381.75 making the net vocational costs \$418.55.

In closing, may I thank parents, teachers, pupils, school officials and all who have cooperated to make this year a success.

Respectfully submitted,

MILLARD C. MOORE,

Superintendent of Schools.

REPORT OF MUSIC SUPERVISOR

Mr. M. C. Moore,
Superintendent of Schools,
Granville, Mass.

My dear Mr. Moore:

Following is my report of the music activities in the Town of Granville for the year 1937:

We followed practically the same basic program as in previous years, with a few additions, such as verses written by the pupils and set to original tunes; correlating the songs in their music books with the music and other programs on the radio given by the School of the Air.

New music books were purchased for different rooms and the pupils have greatly enjoyed these new songs, as they are written in a manner that has a strong appeal to the modern boy and girl.

For the coming year of 1938 we plan to enlarge our Drum Corps, purchase additional uniforms if necessary and have a new musical program for Memorial Day.

We are also making arrangements to present a folk festival, which includes folk songs and dances from different countries, to be presented sometime in May.

Respectfully submitted,

HELEN M. JOHNSON,
Music Supervisor.

REPORT OF SCHOOL NURSE

January, 1937 to January, 1938

The school nurse spends twenty school nursing days in Granville during the school year.

With the cooperation of the teachers and parents the school health program has been carried on very satisfactorily.

In May Dr. Clifford White immunized twenty-two pre-school and school children against diphtheria. The number left unprotected is very small.

The dental clinic took place in September. Dr. Joseph Kisiel examined one hundred and ten children. Out of this number, eleven were furnished certificates for perfect teeth. Fifty children had dental work done in Southwick clinic, twenty with family dentist. Certificates furnished from dental clinic and family dentists totaled thirty-eight.

In October, Dr. Finsen, the new school physician, conducted the annual physical examination. Out of the one hundred and eleven examined, sixteen were found with sufficient defects to need attention. Four had poor posture, ten enlarged tonsils, four had flat feet.

Seven had enlarged or diseased tonsils removed this year. Six were found with vision defects. Glasses were furnished for these children a short time after the notices were sent to parents.

The hearing tests were given by the audiometer. No defects were recorded.

In carrying on the work the nurse made three hundred and six inspections, eighty school, home and miscellaneous visits, gave fifty-one classroom talks, held seventy-six consultations with parents, teachers and pupils. Thirteen children were given first aid treatment.

Colds and whooping cough were the chief causes for children's being absent from school. Eighteen children had

whooping cough. All recovered sufficiently to make a good gain in weight at the last weighing in June.

All pupils were weighed three times and measured twice during the school year. With the exception of a few, all made a normal gain in height and weight from September to June. Every effort has been made to correct defects. The cooperation of the school nurse, teachers and parents is needed to educate the child in the prevention of defects. Our number of pupils with poor vision is high. The schools have the very latest in lighting equipment. Let us try and see that the children have the proper lighting conditions in the home.

With Dr. White's retirement, we lost a school physician who blazed the trail in school health down those years of his splendid career. We are fortunate to have Dr. Finsen with us. His record as a school physician is enough to insure us of his sincere and able work.

Respectfully submitted,

MARGARET CROKEN, R. N.,

School Nurse.

Annual Reports
of the
TOWN OF GRANVILLE
Massachusetts

Year Ending December 31, 1938

COMMONWEALTH OF MASSACHUSETTS
HAMPDEN, ss

To either of the Constables of Granville,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center, on Tuesday, February 14, 1939 then and there to act on the articles which follow.

The polls will open at 10 o'clock A. M. and will close at 3 o'clock P. M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Treasurer, one Tax Collector, one Town Clerk, one Tree Warden, two Constables, two Auditors, three Citizens' Town Committee, three Selectmen, each for one year, one Assessor, one Library Trustee, one School Committee, for three years.

Article 5. To see what sum the Town will appropriate for Moderator.

Article 6. To see what sum the Town will appropriate for the Selectmen's Department.

Article 7. To see what sum the Town will appropriate for the Treasurer's Department.

Article 8. To see what sum the Town will appropriate for the Collector's Department.

Article 9. To see what sum the Town will appropriate for the Assessor's Department.

Article 10. To see what sum the Town will appropriate for the Clerk's Department.

Article 11. To see what sum the Town will appropriate for the Auditor's Department.

Article 12. To see what sum the Town will appropriate for Inspection of Animals and provisions.

Article 13. To see what sum the Town will appropriate for the Tree Warden.

Article 14. To see what sum the Town will appropriate for Forest Fires.

Article 15. To see what sum the Town will appropriate for Moth Extermination.

Article 16. To see what sum the Town will appropriate for the Town Hall.

Article 17. To see what sum the Town will appropriate for the Library.

Article 18. To see what sum the Town will appropriate for Law.

Article 19. To see what sum the Town will appropriate for Law and Order.

Article 20. To see what sum the Town will appropriate for Election and Registration.

Article 21. To see what sum the Town will appropriate for Health and Sanitation.

Article 22. To see what sum the Town will appropriate for Weights and Measures.

Article 23. To see what sum the Town will appropriate for Printing Town Reports.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$50.00 to be expended in the Town for Aid to Agriculture in accordance with the provisions of the General Laws of Massachusetts, Chapter 128, Section 42.

Article 25. To see what sum the Town will appropriate for Street Lighting.

Article 26. To see what sum the Town will appropriate for the Town Dump.

Article 27. To see what sum the Town will appropriate for Insurance on Buildings.

Article 28. To see what sum the Town will appropriate for Education.

Article 29. To see what sum the Town will appropriate for Vocational Education.

Article 30. To see what sum the Town will appropriate for the Board of Health.

Article 31. To see what sum the Town will appropriate for Memorial Day.

Article 32. To see if the Town will vote to transfer the Machinery Earnings of 1938 to maintain the Machinery Account of 1939.

Article 33. To see what sum the Town will appropriate for General Highway purposes under Chapter 81 of the General Laws.

Article 34. To see what sum the Town will appropriate for Permanent Road work under Chapter 90 of the General Laws.

Article 35. To see if the Town will appropriate \$1000 for Chapter 90 Road Maintenance. This sum to be used only if the County and State contribute a like amount.

Article 36. To see what sum the Town will appropriate for Winter Roads.

Article 37. To see what sum the Town will appropriate for Bridges and Railings.

Article 38. To see if the Town will vote to take \$900 from the Machinery Account to purchase a new truck.

Article 39. To see if the Town will vote to take \$50 from the Machinery Account to purchase a second hand hoist for the old Town truck.

Article 40. To see if the Town will provide for extraordinary and unforeseen expenditures by a sum not to exceed 5% of the tax levy for the preceding year to be known as the Reserve Fund.

Article 41. To see if the Town will vote to prescribe the manner of giving notice of town meetings by specifying the number of places where warrants shall be posted.

Article 42. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1940, in anticipation of the revenue of the financial year ending December 31, 1940.

Article 43. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the financial year beginning January 1, 1939, and to issue a note or notes therefor, payable in one year, and renew any note or notes as may be given for the period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

Article 44. To see what sum the Town will appropriate to pay the interest on Town notes for the ensuing year.

Article 45. To see what sum the Town will appropriate to pay the School House Notes.

Article 46. To see what sum the Town will appropriate to pay the Tractor Note.

Article 47. To see what sum the Town will appropriate for the Insurance Fund.

Article 48. To see what sum the Town will appropriate for the Liability Fund.

Article 49. To see what sum the Town will appropriate for Certifying Town Notes.

Article 50. To see if the Town will appropriate \$2000 for materials, tools and trucks for the Silver Street W. P. A. Project. With this sum the Federal Government will allot \$3800 for labor.

Article 51. To see if the Town will appropriate \$3000 for materials, tools and trucks for the Old Westfield Road W. P. A. Project. With this sum the Federal Government will allot \$13,000 for labor for 20 men for 10 months.

Article 52. To see what sum the Town will appropriate for Public Welfare.

Article 53. To see if the Town will vote to appropriate \$1000 for Old Age Assistance; all refunds from the State and Federal Governments to be added to same and carried forward as an Old Age Fund.

Article 54. To see what sum the Town will appropriate for Old Age Assistance Administration.

Article 55. To see if the Town will appropriate \$326 for Aid to Dependent Children: all refunds from the State and Federal Government to be added to same and carried forward as an Aid to Dependent Fund.

Article 56. To see what sum the Town will appropriate for Soldier's Relief.

Article 57. To see if the Town will vote: If an employable person applies for Welfare he shall be given work at the rate of 25 cents per hour.

Article 58. To see if the Town will vote to have its Selectmen act as Board of Health as provided in Chapter 41, Section 21 of the General Laws.

Article 59. To see what sum of money the Town will appropriate to maintain a resident town physician.

Article 60. To see if the Town will appropriate \$50.00 to pay the Overdraft in the Reserve Fund.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this fourth day of February in the year of Our Lord one thousand nine hundred and thirty-nine.

EDWARD A. JENSEN,

STEPHEN M. ROBERTS,

PEARL P. PHELON,

Board of Selectmen.

REPORT OF THE BUREAU OF OLD AGE ASSISTANCE

During the year 1938, twelve persons received Old Age Assistance. Nine of these cases are Granville settled and three have settlements in other towns and cities. Two other Granville settled cases living in other cities are chargeable to this Town. One case was denied as ineligible.

The following is a classified account of expenditures and receipts:

Cash Payments	\$3,235.91	
Medical	45.05	
City of Boston	152.83	
City of Westfield	20.00	
Administration	216.31	
	<hr/>

Commonwealth, 1938	1,155.45	
	<hr/>	
Total		\$6,022.29

Respectfully submitted,

Bureau Old Age Assistance.

BELLE B. PENDLETON,
Supervisor.

REPORT OF LIBRARY TRUSTEES

This year extensive repairs were necessary at the Library. The brick work above the front door was entirely rebuilt. As more shelf room was needed, the interior was remodeled, making it more convenient and attractive and providing book shelves to accommodate the increase for years to come. The Library was closed five Library days while under repair.

The West Granville Branch Library was discontinued, due to the small number of books circulated. All of our duplicate children's books were placed in the West Granville school, to be circulated among the children under the direction of the teacher.

The Library has 6,417 books. 283 were added in 1938, thirty-one of which are children's books presented by the Division of Public Libraries. 39 were purchased and 213 were gifts. Payments on Encyclopedia Britannica were completed. 2,226 books were circulated.

The Library Club has supplied the magazines for the reading room; has financed $\frac{1}{2}$ the running expenses, $\frac{1}{2}$ the janitors salary and $\frac{2}{3}$ the cost of remodeling the interior.

Fewer children received reading certificates.

The Library is open Wednesdays and Saturdays from 2.30 until 5 P. M. and from 6.30 to 9 for circulation of books.

The reading room is open every evening from 6.30 until 8.

Respectfully submitted,

MARY W. PATT.

Treasurer.

1938 REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE AND THE HAMPDEN COUNTY IMPROVEMENT LEAGUE

Town of Granville

AGRICULTURAL WORK

The agricultural service to local citizens during the year included soil testing, information and advice on farm financing, crop pest control, livestock, and crop production and marketing, agricultural engineering or construction, rodent control, farm management, and woodlot improvement.

Of some twenty farmers receiving service or cooperating in the extension programs, the following have been leading participants: Pearl Phelon, Milton Hansen, Edward Jensen and Steve Roberts.

Thirty-four farmers were enrolled in the Agricultural Conservation Program.

HOME BUREAU WORK

A great deal of local interest was shown in the Stretching the Food Dollar Project which was only one of 10 Home Bureau subjects taken up during the year. Some 23 local leaders worked with more than 200 women in these projects, and 28 meetings or demonstrations were given. The Folk Dance group from Granville participated in the County Music Festival, and West Granville and Tolland groups combined with the Granville group for the out-door living room project.

4-H CLUB WORK

The first 4-H Fruit Club in the State was started in Granville with Joseph L. Dickinson as leader. One of the members, Edward Jensen, was an outstanding member of a fruit judging team and was entitled to enter the finals at the Union Agricultural meetings—a real honor indeed.

Other 4-H activities included clubs in poultry, gardening, canning, foods and home furnishings. Eleven local leaders directed the activities of these clubs which 77 members were enrolled. The Canning Club members won their share of awards at the Eastern States Exposition, and the County Agents report excellent work by all and fine cooperation from the parents.

FINANCIAL STATEMENT

1937 Unexpended Balance	\$43.57	
1938 Appropriation	75.00	
		<hr/>
Total for 1938		\$118.57
* Expended in 1938		81.87
		<hr/>
Carry-over for 1939		\$36.70
Recommended Appropriation for 1939		\$50.00

* Expenses incurred by local citizens who carried out the work as reported herewith and who served as leaders in the various projects.

HOME BUREAU LEADERS

Mrs. Dennis Clifford, Mrs. Lena Humphrey, Mrs. Lester Sattler, Miss Wilhelmina H. Tryon and Mrs. Cora G. Welch	\$28.59
-------------------------------------------------------------------------------------------------------------------------	---------

4-H CLUB LEADERS

Mrs. Frank Champlin, Russell Cooley, Joseph L. Dickinson, Mrs. Lempie Dickinson, Mrs. Ernest Humphrey, Joseph LeClair and Kenneth Ripley	53.28
	<hr/>
Total	\$81.87

Respectfully submitted,
Trustees for County Aid to Agriculture,
L. B. BOSTON, Clerk.

REPORT OF SCHOOL COMMITTEE

To the Citizens of Granville:

The school committee organized with Ralph R. Roberts as chairman and Alice M. Frisbie as secretary. During the year the committee held twenty-two meetings.

This fall we had twelve more pupils attending High School than we had during the spring. This increase was taken care of within our appropriation. At the present tuition rate, we are spending \$2.39 each week for pupils attending high school, plus \$3.50 a week for transportation, making a total of \$5.89 for each pupil. Next year there will be more pupils attending high school than there were this year. In order not to cut down on the money needed to run our local schools, the committee have found it necessary to ask for a larger appropriation to take care of this large increase in high school enrollment.

Respectfully submitted,

RALPH R. ROBERTS,
MIRIAM H. DICKINSON,
ALICE M. FRISBIE.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Granville:

Herewith is submitted my ninth annual report, it being the thirty-sixth of such reports in this Union.

Education is not an expense but an investment. Granville can be proud of the educational dividends it is getting for the educational dollar. This is evidenced in several ways. Families who come to us from other communities with famous school systems, feel that their children make good progress here. Frequently, communities which are contemplating building new schoolhouses send delegations of officials and citizens to inspect our two school buildings. Teachers, superintendents and state supervisors who visit our schoolrooms speak of the superior quality of work being done and remark on the modern materials provided and the up-to-date methods being used. Our teachers are well-trained. All are graduates of teachers' colleges with not less than 3 years training. All are members of professional organizations local, county, state and national, and all of them regularly read current professional magazines and books.

School spirit is good in both of our schools and a most helpful cooperation exists between the schools and the parents and citizens. This is of prime importance. Those communities which allow a small minority to disrupt the morale of a school through trivial criticism and petty obstruction are taking the course which most certainly insures a minimum return for the educational dollar.

This does not imply that the citizens of a town should not participate in the determination of school policies. On the contrary, constructive suggestions are always welcome and helpful. The difference lies in whether the motive is to tear down or to build up. Fortunately, Granville has always had a large, silent majority, believers in law and order, folks who are convinced that, in a democracy, schools must have

moral support as well as financial support. This group of sound, clear-thinking citizens is responsible for having improved the school housing so markedly, for making available the fine equipment we have and for seeing to it, through a long period of years, that outstanding citizens, without exception, have been chosen for membership on the school committee, through the process of election or re-election.

VOCATIONAL EDUCATION

Our general education laws go back to 1642, but all vocational education activities are carried on under separate statutes and administered by a separate division at the State House. That is why the school committee must present a separate vocational budget, ask for a separate vocational appropriation, keep separate accounts and make separate reports for this. Sometimes people ask, why don't you use the vocational account balance to buy something for the school? The answer is that this cannot be done. Vocational money can be used only for agricultural tuition, trade school tuition and transportation, vocational evening school and vocational household arts any money left unused at the end of the year must go into surplus revenue.

As a practical matter, trade school is not going to mean much to us until the new Springfield trade school is completed, as outside pupils are not taken in any present trade schools, for lack of room. This is unfortunate, as we have each year, pupils graduating from the 8th grade whose talents would best be developed in trade school. As it is, they are attempting the academic work of the high school and find themselves out of adjustment. Several of these are trying the agricultural department, which only partially meets the needs of the manually minded boy.

THE BUDGET

For four years in succession the regular school budget has remained at \$20,000. This is lower than it had been before that. It will now become necessary to go back to higher figures on account of our increased high school en-

rollment. We now have 38 in high school compared with 26 last year and an average of 31 for the past five years. The average for the five years preceding that was 25, and the average for the five years preceding that was 12. With larger classes coming on each year for several years, it would seem reasonable to suppose that we shall have to provide tuition and transportation for 35 to 40 high school pupils each year. In addition the tuition rate is higher than it was last year. To offset this, the cost of debt service on schoolhouse bonds is steadily decreasing. We are now paying \$3000 per year on the principal. After this year it will drop to \$2500 for one year, then to \$2000 for two years, and after that only the West Granville bonds will be due at \$1000 per year. Even so, our regular school costs will not be excessive. The school tax rate for 1932-37 averaged 7.22 as against an average school tax rate of 13.96 for the years 1930-1931.

THE PAST YEAR

1938 saw two changes in our personnel. Miss Walker resigned to do post-graduate work at Bay Path and Miss Verrill resigned to accept a position in Eastham. More than passing mention should be made of Miss Verrill's service. No one can serve a school for ten years without leaving an indelible imprint of her personality upon it. Our pupils are stronger and the town is a better town because of her work.

Miss Shaw a graduate of Bridgewater Teachers' College in the four year's course succeeded Miss Verrill and is doing a fine piece of work. For the upper room, the Committee adopted the policy of securing a man for principal. We were fortunate in securing Mr. Cushman, also a graduate of Bridgewater. His unusual ability and conscientious work are building up a school that is outstanding in merit and achievement.

Our schools deposited 50.35 in the school savings from January to June. The sponsoring bank has not resumed the system this Fall. Attention is called to the reports of the music supervisor and school nurse and to the tables of statistics. Attention is called to the experimental school calendar, which may be extended to both schools at some future time.

Respectfully submitted,
MILLARD C. MOORE,
Superintendent of Schools.

REPORT OF MUSIC SUPERVISOR

Mr. M. C. Moore, Superintendent,
Granville, Mass.

Dear Mr. Moore:

I herewith submit my report of the musical activities in the Granville schools for the year 1938.

During the first three months our regular schedule was maintained, namely: rote songs, first steps in note-reading and folk dances in the elementary grades; and two and three-part songs, advanced technical drill and recreational singing in the upper grades.

In April and May we spent part of each music period preparing for a May Day program, learning songs for Memorial Day and for the graduation exercises in June.

In September and October a review of lesson plans was given, also new steps in musical training in each grade.

November and December were given over to preparations for the Christmas Operettas, which completed the musical events for the year.

During 1939 we hope to increase the membership of our Drum Corps, and buy additional uniforms and possibly introduce a more elaborate form of marching.

Respectfully yours,

HELEN M. JOHNSON,
Music Supervisor.

REPORT OF SCHOOL NURSE

January, 1938 to January, 1939

Twenty school nursing days have been spent in Granville schools by the nurse during the school year.

The health program which has been carried out with the cooperation of the parents and teachers was somewhat the same as in the previous year.

In October, Dr. Clifford White gave the annual physical examinations. One hundred and four children were examined. Out of that number, six had enlarged tonsils. Notices of defects were sent home to parents.

In September, Dr. Joseph Kisiel, school dentist, examined one hundred and six children. Fifteen certificates for perfect teeth were furnished at time of examination, twenty-one certificates were given at the clinic and twelve by family dentists. Fifty-seven children had dental work done during the year. There are about 40% more that need dental care. We hope an effort will be made to have this work done.

Through the courtesy of the State Department of Health, the hearing tests were given by the audiometer. Ninety-three were tested. Out of that number, two were found with defects.

The annual vision tests show only one defect. Classes were promptly furnished by the parents.

Six children had tonsils removed during the year. There are still some children that have enlarged tonsils. We look forward to the cooperation of their parents in consulting their family physicians as to their removal.

In carrying on the work, the school nurse made seventy-eight school, home and miscellaneous visits, one hundred and fifty inspections, gave sixty-three classroom talks, held eighty-five consultation with parents, teachers and pupils.

Colds were the chief cause for children's absence from school. Two cases of measles were reported during the year.

Most of the children made a normal gain in height and weight between September and June.

The toxoid clinic which was scheduled to take place in September was postponed until May, as there was a small number of children to be immunized against diphtheria. We hope the parents will avail themselves of this opportunity to bring their pre-school children.

Respectfully submitted,

MARGARET CROKEN, R. N.,
School Nurse.

Financial Summary	48-49

To the Citizens of Granville:

Many voters of the Town have asked the Selectmen to submit a plan and estimate for a shed to house the Town equipment. Mr. Fred "ackerbarth has given us an estimate for a building 36'x80' for \$2300. This seems to us most appropriate for our purpose. Will you kindly give this matter your careful consideration at the annual Town Meeting.

Respectfully submitted

Board of Selectmen.

ANNUAL REPORTS
of the
Town of Granville
Massachusetts

Year Ending December 31, 1939

COMMONWEALTH OF MASSACHUSETTS

HAMPDEN, ss

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Granville, in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center, on Monday, February 19, 1940 then and there to act on the articles which follow:

The polls will open at 10 o'clock A. M. and close at 3 o'clock P. M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Treasurer, one Tax Collector, one Town Clerk, one Tree Warden, two Constables, two Auditors, three Citizens' Town Committee, three Selectmen, each for one year, one Assessor, one Library Trustee, one School Committee for three years.

Article 2. To choose all necessary Town Officers.

Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee and act thereon.

Article 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1940.

Article 5. To see what sums the Town will appropriate for General Government.

Article 6. To see what sums the Town will appropriate for the Protection of Persons and Property.

Article 7. To see if the Town will vote to appropriate the sum of \$50.00 to be expended in the Town for Aid to Agriculture in accordance with the provisions of Chapter 128, Section 42 of the General Laws.

Article 8. To see what sums the Town will appropriate to maintain public buildings.

Article 9. To see what sums the Town will appropriate for Educational purposes.

Article 10. To see what sum the Town will appropriate for Memorial Day.

Article 11. To see what sums the Town will appropriate for general Highway purposes.

Article 12. To see if the Town will appropriate \$4000 of Surplus Revenue to pay the Town Notes for the ensuing year.

Article 13. To see what sums the Town will appropriate for the Reserve Fund, Liability Fund and Insurance Fund.

Article 14. To see what sums the Town will appropriate for Public Welfare.

Article 15. To see what sum the Town will appropriate to maintain a resident Town Physician.

Article 16. To see what sum the Town will appropriate for Soldier's Relief.

Article 17. To see what sum the Town will appropriate for material, tools and trucks for the W. P. A.

Article 18. To see what sum the Town will appropriate for the Town Dump.

Article 19. To see if the Town will vote to transfer \$4,744.21 of the Machinery earnings of 1939 to maintain the Machinery Account of 1940.

Article 20. To see if the Town will vote to take \$218.46 from the Machinery Account to pay the balance on the grader.

Article 21. To see if the Town will vote to take \$480 from the Machinery Account to pay the balance on the Snow Plow.

Article 22. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1941, in anticipation of the revenue of the financial year ending December 31, 1941.

Article 23. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the financial year beginning January 1, 1940, and to issue a note or notes therefor, payable in one year, and renew any note or notes as may be given for the period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

Article 24. To see if the Town will vote to appropriate the sum of \$300 for the purchase of a site for the construction of a Town Equipment Building.

Article 25. To see if the Town will vote to appropriate the sum of \$2,700 for the construction of a Tow Equipment Building.

Article 26. To see what action the Town will take in regard to the disposal of the Ore Hill School House.

Article 27. To see if the Town will appropriate \$100 to pay for the services of the Finance Board.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this tenth day of February in the year of Our Lord one thousand nine hundred and forty.

STEPHEN M. ROBERTS,
DAVID F. KENNEY,
JOSEPH COLLIER,

Board of Selectmen.

REPORT OF THE BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Granville:

During the year 1939, ten cases representing 29 persons received public aid. An analysis of these cases shows 4 employable and 6 unemployable cases. Of the employables, 2 cases were chargeable to the Commonwealth, one was emergency relief due to the illness of the family breadwinner and the fourth worked for the Town but was paid from welfare funds. One case is living elsewhere and is chargeable to this Town. The unemployable group is either too old or too young for employment. These persons have settlements in Granville and will retain their settlement for some time to come. We are legally bound to see that they are adequately cared for.

The following is a classified account of expenditures and receipts for the year 1939:

Board and Care	\$733.05	
Hospital and Medicine	228.00	
Clothing	45.13	
Food	217.75	
Rent	45.00	
Fuel	31.93	
City of Holyoke	396.06	
Work Relief	214.00	
Federal Commodities	33.51	
Administration	34.75	
<hr/>		
Total		\$1,979.18
Reimbursed from the Commonwealth		\$288.39

REPORT OF BUREAU OF OLD AGE ASSISTANCE

During 1939, sixteen persons received Old Age Assistance. Ten were Granville inside, 2 Granville outside and four had settlements in other towns and cities. Three applications were denied as ineligible.

The following is an itemized account of expenditures and receipts:

Cash Payments	\$3,473.48	
Hospital	65.05	
Medical	207.50	
Burial	100.00	
Eye Glasses	19.00	
Total		\$3,865.03

Receipts:

On hand Jan. 1, 1939,	
Federal Grants	\$1,383.41
Town Appropriation	800.00
Voted from Surplus Revenue	900.00
Federal Grants received to Oct.	1,126.12

Total	\$4,209.53
On hand Dec. 31, 1939, Federal Grants	\$304.00

This Bureau billed the following amounts during 1939:

Other Towns and Cities	\$142.35
Commonwealth	\$1,321.90

This money returns to the Town as a revenue item.

ADMINISTRATION

On hand Jan. 1, 1939, Federal Grant	\$45.07
Town Appropriation	150.00
Received Federal Grant to October	56.25

Total	\$251.32
On hand Dec. 31, 1939, Federal Grant	\$7.42

Expenditures:

Supervisor's Salary	\$138.50
Telephone, Mileage and Office Supplies	105.40

Total	<u> </u>	\$243.90
-------	-----------------------------	----------

AID TO DEPENDENT CHILDREN

Payments		\$672.00
----------	--	----------

Receipts:

On hand Jan. 1, 1939,	
Federal Grant	\$80.33
Town Appropriation	477.00
Federal Grants to October	168.00

Total	<u> </u>	\$725.33
-------	-----------------------------	----------

On hand Dec. 31, 1939, Federal Grant		\$52.33
--------------------------------------	--	---------

AID TO DEPENDENT CHILDREN ADMINISTRATION

Supervisor's Salary	\$18.00
Office Supplies	2.10

Total	<u> </u>	\$20.10
-------	-----------------------------	---------

Receipts:

Town Appropriation	\$20.00
Federal Grant	10.68

Total	<u> </u>	\$30.68
-------	-----------------------------	---------

On hand Dec. 31, 1939, Federal Grant		\$8.58
--------------------------------------	--	--------

The Commonwealth was billed for \$224.00. This money returns to the Town as a revenue item.

Respectfully submitted,

BELLE B. PENDLETON, Supervisor,
Board of Public Welfare.

1939 REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE AND THE HAMPDEN COUNTY IMPROVEMENT LEAGUE

Town of Granville

AGRICULTURAL WORK

During the past year forty-five farmers participated in the agricultural conservation program by carrying out practices which for the most part have been among the major projects of the agricultural service for several years. The County Agent assisted county growers to set up a service for participation in the Apple Purchase Program of the F. S. C. C. Many Granville apple growers participated in this.

In addition, information and advice were supplied to local citizens by the Extension Service in connection with farm financing, crop pest control, livestock disease control, crop production and marketing, woodlot management, and agricultural engineering

HOME BUREAU WORK

The women of Granville participated heartily in seven different Home Bureau projects during the year. Eighteen meetings or demonstrations were held at which about seventy-five women were in attendance.

The combined Granville and West Granville groups had very successful meetings in reupholstering and slip covering projects. The food preservation, home furnishing, candy making and flower arrangement projects were very well received as shown by the interest and attendance of the women at meetings during the year.

4-H CLUB WORK

4-H Boys and Girls in Granville participated in four main projects during the year with the guidance of five local leaders and held twenty-six meetings or demonstrations.

One of the most outstanding 4-H Club gardens in the County was that of Edward and Ernest Jensen. For it they won the Massachusetts Horticultural Society medal.

The Granville 4-H Canning Club did outstanding work with many of the members winning prizes at the various Fairs throughout the County.

FINANCIAL STATEMENT

1938 Unexpended Balance	\$36.70	
1939 Appropriation	50.00	
	<hr/>	
Total for 1939		\$86.70
* Expended in 1939		67.05
		<hr/>
Available for 1940		\$19.65
Recommended Appropriation for 1940		\$50.00

* Expenses incurred for carrying out the work as reported herewith by the following local citizens who served without pay as leaders in the various projects and who were paid directly by check from the County Treasurer's office.

HOME BUREAU LEADERS

Mrs. Lena Humphrey	\$ 3.64
--------------------	---------

4-H CLUB LEADERS

Mrs. Leland Hunt, Joseph Dickinson, Ralph Roberts, Kenneth Ripley, Mrs. Lempie Dickinson, Mrs. Willard Tryon	63.41

Total of Leaders' expenses	\$67.05
----------------------------	---------

Respectfully submitted,

Trustees for County Aid to Agriculture,
L. B. BOSTON, Clerk.

REPORT OF THE GRANVILLE CENTER WATER COMPANY

ANNUAL REPORT

To the Honorable Board of Selectmen of the Town of Granville, Massachusetts:

Gentlemen:

In accordance with the provisions of Section 12 of Chapter 486 of the Acts of 1910, we submit herewith the following itemized statement of Receipts and Expenditures of this company for the calendar year 1939:

RECEIPTS

Water Rents:

Minimum Charges	\$487.50	
Excess Charges	131.63	
Turn On and Shutoff Charges	18.00	
		<hr/>
		\$637.13
Interest, Westfield Savings Bank		16.91
		<hr/>
Total Receipts		\$654.04

EXPENDITURES

E. A. Jensen, services	\$25.00
E. A. Jensen, maintenance	5.00
Mary Degano, services	10.00

C. R. Barber, services	85.00	
Neptune Meter Co., repairs	14.61	
Commonwealth of Massachusetts, cert. of condition	10.00	
Commonwealth of Massachusetts, taxes	10.93	
Collector Internal Revenue, taxes	21.18	
Crane & Co., supplies	214.90	
F. J. Mashin, supplies	2.85	
Arthur Hunt, maintenance	3.50	
H. N. Stevenson, reimbursement for office expenses	25.00	
Town of Granville, taxes	77.74	
First Nat. Bank, safe deposit rent	3.30	
E. F. Barnard, director fee	5.00	
K. B. Stevenson, director fee	5.00	
H. N. Stevenson, director fee	5.00	
Postage, express and telephone	4.71	
Total Expenditures		\$528.72

Respectfully submitted,

GRANVILLE CENTER WATER COMPANY,
HOLLAND N. STEVENSON,
Treasurer.

REPORT OF THE LIBRARY TRUSTEES

The Library has 6,552 books. 135 were added in 1939, of which 75 were gifts. 2,165 books have been in circulation. As usual books were loaned by the Division of Public Libraries in Boston.

The Library Club has supplied the magazines for the reading room and has financed one-half the running expenses and one-half the janitor's salary.

The Chicken Pie Supper, sponsored by the Library Club to meet their financial obligation to the Library, was a greater success in 1939 than for several years past. This was due largely to the generous and enthusiastic support of many of our townspeople. We express our sincere appreciation to all who helped to make the occasion a success.

Respectfully submitted,

MARY W. PATT.

LIBRARY RECEIPTS

Balance in Whitney Fund	\$139.64	
Interest on Whitney Fund	260.00	
Town Appropriation	500.00	
	<hr/>	
Total		\$899.64

Fines, 1938	\$4.49
Fines, 1939	\$3.25

MARY W. PATT,
ROSWELL O. ROWLEY,
Library Trustees.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Granville:

The school committee organized with Ralph R. Roberts as chairman and Alice M. Frisbie as secretary.

At present, we have thirty-six pupils attending high school with eleven of these pupils enrolled in the Agricultural course. One pupil is attending Westfield Trade School. Beginning January 1st, the tuition of pupils attending Westfield High will be \$100.00 per year, making an increase of approximately \$7.00 per pupil. We expect to be able to send pupils to Springfield Trade School in the fall.

The committee have been notified that the law concerning the sale of merchandise and papers by children under 16 must be enforced. We wish to call the attention of the citizens to the regulations which will be in force as soon as we receive the proper badges.

No minor under sixteen years of age shall in any street or public place of the Town, sell, deliver from house to house or upon a newspaper route, expose or offer for sale any newspaper, magazines, periodicals or other articles of merchandise of any description or assist any other person in so selling, unless a badge has been issued him.

All such badges shall be granted by the superintendent or a person authorized by him to issue employment certificates.

All badges shall become void when the minor reaches his sixteenth birthday. He shall return his badge to the person who issued it on or before the date on which it expires, or upon discontinuing selling.

All licenses shall expire on December 31 of the year of issue, but may be renewed on application.

Licensed minors shall not sell, lend, transfer or give their badges to anyone, or furnish any unlicensed minor with newspapers or other articles to sell.

Badges shall not be issued to girls under 18, or to boys who are under 12 years of age.

Licensed minors shall not at any time, while so working or selling, fail to wear their badges in sight.

Respectfully submitted,

RALPH R. ROBERTS,
MIRIAM H. DICKINSON,
ALICE M. FRISBIE.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Granville:

Herewith is submitted my tenth annual report, the thirty-seventh of such reports in this Union.

Nineteen hundred thirty-nine, the tragic year, brought some compensations. We have a sense of national unity and community of interests. We have a clearer conception of the meaning of democracy. We have a wider understanding of the fact that education is our first line of defense against indifference on the one hand and active menaces, on the other. Teachers everywhere are rededicating themselves to the task of teaching a living patriotism, and keen thinkers are recognizing that it is inept to buy battleships and neglect the schools. Both are necessary and vital.

PRE-SCHOOL CHILDREN

The school is interested in the pre-school child from the standpoint of having him prepared in the best possible manner for entrance to the first grade. Parents desire that their children be prepared for entrance to the first grade. It may, therefore be helpful to set forth what the school would like to see accomplished in the lives of these pupils on the first day.

The teacher, first of all, likes to welcome a newcomer who has not learned to "read" or "count" or "say his letters" in the home. What he picks up by himself cannot be helped, but definite training by the home in these particulars is a well meant but mistaken gesture of attempted helpfulness. What the school does desire is a child who has had as rich a variety of experiences as possible and who has as large an oral vocabulary as possible. It is upon these two foundations that the modern teaching of reading relies. The reading readiness program now in vogue in the most progressive schools and followed in our own first grade spends the first few weeks in finding out what the child's experiences in all phases of life have been and what his grasp is of the spoken

word. By various devices these are enlarged and expanded. It is only then that charts and books are brought in to introduce him to the printed word. It is apparent that the pre-school child should have had a wealth of play activities, should have had as extensive an acquaintance as possible with the World of Nature, and happenings in the home and neighborhood; should have had his flood of questions answered and should have had told him, the bedtime stories, the fairy tales, and the folklore of the race.

It would be most helpful if his physical condition should be topnotch when he enters school. To this end, we advocate that he be given a thorough examination at the well child conferences or by the family physician and all remedial defects corrected. His teeth should be cleaned and all teeth put in perfect condition, even "the first teeth." He should be vaccinated. He should be immunized against diphtheria. His diet should be that recommended by a physician who is a child specialist. Strange as it may seem, some of our city reading clinics are finding actual cases in which reading disabilities are directly due to defective diet.

Lastly, and perhaps most important of all, the child should be mature. The nearer seven years old he is when he enters school, in a system that does not have kindergartens, the better. Six years should be the absolute minimum for entrance. The small muscles of the body develop last of all in the growing child and if he enters upon a school regime, that puts the small muscles of the eye and wrist under constant strain in reading and writing before they are ready, nature rebels. The child becomes nervous and irritable and he learns the habit of failure rather than the habit of success.

The science of education is now sufficiently advanced so we can practically guarantee that any normal child who comes to the first grade of a modern school having met all of the standards we have set forth, will have a strong, steady successful school career through every grade.

SCHOOL ATTENDANCE

Radical changes have been made in our school attendance laws this past year. Heretofore, a pupil had to go to school until he was 14. Between 14 and 16 he had to go to school or else go to work on an employment certificate. This has now been changed. The Federal government forbids all employment below the age of 16, except farm labor, work as a domestic servant or work at home. A new state law is still more stringent. It raises the school age to sixteen, with rare exceptions. If the best educational interests of a child require it, he may be granted an employment certificate for any one of the three types of work permitted by the Federal government between the ages of 14 and 16, but the certificate is hedged about with many additional requirements and the presumption always is that child should probably be in school. Only when he confesses that he is incapable of further learning, is he to ask for a certificate during the school year. Any supposed need of the family for the child's wages or labor is not to be considered. The family must solve its economic problems in some other way. Vacation certificates can be granted for the three types of work permitted by the Federal government. Newsboys must now be licensed and wear a badge. Regulations governing all street trades can be obtained at the school. Of course, school attendance is a privilege, as well, and can be terminated by the school for misconduct.

ELEMENTARY SCHOOL TUITIONS

Extending through many years, we have had reciprocal relations with adjoining towns with respect to elementary tuition, some of our pupils attending their schools free and some of their pupils attending our schools free. Within the decade, we have done this with Blandford. More recently we have charged a nominal fee of one dollar per year for such pupils and a few have come to us from Hartland and Granby. This system has added nothing, except the cost of text-books, to our school costs. The overhead would have been the same without these pupils. The families from which these children have come have made themselves a

part of our community and have helped to support our churches, stores, and Grange, and the children themselves have, in every case, been studious and obedient. However, with the passing of the one-room school conditions have changed and it now seems advisable to charge a larger tuition fee. The Committee has placed this at one dollar per week. In fairness to those who are already in our school, the old rate will continue, but any new pupils will pay the new rate.

THE PAST YEAR

Two changes have occurred in our teaching staff. Miss Shaw resigned to accept a fine position in Longmeadow and Miss Scott resigned to be married. Miss Hildred Boston, a graduate of Framingham Teachers' College is the new teacher of the Primary room at the Village and Miss Olive Dutton, a graduate of Tufts College, who majored in education with special work in elementary grades, has taken Miss Scott's place.

Within a short time, Granville teachers have secured positions in Lawrence, New Bedford, Lexington and Longmeadow. This brings the thought that while they were with us, we must have been receiving outstanding service.

Attention is called to the report of the school nurse and music supervisor. School banking has been resumed again this Fall by the sponsoring bank. \$23.60 has been deposited to the credit of Granville pupils since November 1.

Our school reimbursements for 1939 were:

General School Fund, income tax	\$840.00
Reimbursement on Superintendent	570.31
High School Transportation	3,976.88
State Wards, tuition and transportation	314.86
Rent of School	13.00
Use of School Bus	2.00
Tuition	5.00
	<hr/>
	\$5,722.05

The net cost of schools for the year was therefore \$21,056.49 minus \$5,722.05 or \$15,334.44.

In closing, may I express my appreciation for the fine cooperation of parents, teachers and officials who have done so much to build up that which is good into something better.

Respectfully submitted,

MILLARD C. MOORE,
Superintendent of Schools.

REPORT OF MUSIC SUPERVISOR

Mr. M. C. Moore, Superintendent of Schools,
Granville, Mass.

My dear Mr. Moore:

I herewith submit my report of the musical activities in the Granville Schools for the year 1939:

The schedule of the previous year was followed without much variation, each grade learning its own rote songs and reading notes and gradually more difficult songs in preparation for the work of the next year. Folk dances were also enjoyed, each grade having the dances most suitable for that particular age.

The Granville Drum Corps played as usual on Memorial Day and also played with the Southwick Drum Corps in Southwick and Westfield.

In June the three upper grades prepared special music for the graduation exercises which were presented at the end of the school year.

The months of September and October were given over to a general review of lesson plans and technical work learned the previous school year; and new songs were added.

In December the Junior High grades presented an operetta "College Days", and the year closed with the singing of Christmas songs and familiar carols.

Sincerely yours,

HELEN M. JOHNSON,
Music Supervisor.

REPORT OF SCHOOL NURSE

January, 1939 to January, 1940

During the school year, with the co-operation of the teachers and parents, the school health program was carried on.

The school nurse spent two days each school month in Granville.

The annual physical examinations were made in September by Dr. Clifford White, school physician. One hundred and two children were examined. Out of this number seven were found to have enlarged tonsils.

During the year three children had tonsils removed.

The vision tests in September showed four with sufficient defects to need attention. Four children were furnished glasses during the year.

In September Dr. Joseph Kisiel, school dentist, examined the teeth of one hundred children. Eleven certificates for perfect teeth were furnished at time of examination, eighteen certificates from clinic and seventeen furnished by family dentist. Total certificates for perfect teeth—forty-five. About seventy children had dental work done during the year. Out of this number thirty-two had their work done by family dentist.

In January and February there were thirty-one cases of measles among the school children and in May and June three cases of scarlet fever. The good care given these children by their parents helped to have them return to school in good condition, in normal time.

In May ten school and twenty pre-school children were immunized against diphtheria by Dr. White, school physician. The percentage of school and pre-school children not protected against diphtheria in Granville is very small.

Under the auspices of the Hampden County Tubercu-

losis Association co-operatively with the school superintendent, the school children were given the tuberculin test in October.

Eighty-four children were tested. Out of that number only three reacted to the test. Three others were recommended for x-ray. The six children x-rayed were found to be free from tuberculosis. We are happy to have such a favorable clinic report on those tested.

In December, through the courtesy of Miss Marjorie Adams of the State Department of Health, we had the children's hearing tested by Audiometer. Eighty-one children were tested (the first and second grades were not included in this test). Eight children were found with hearing defects. Every effort will be made to have these children examined by a specialist.

The school children were weighed in September, January and June, measured in September and June. Notices were sent to the parents giving the gain or loss between each weighing.

In carrying on the work, the school nurse made ninety-six school, home and miscellaneous visits; gave thirty-three classroom talks; held seventy-four consultations with teachers, parents and pupils; had one hundred and ninety-two classroom inspections and seventeen first aid treatments.

I wish to thank the teachers and parents for their wonderful co-operation in making our health program a success, also the P. T. A. for their help in financing correction of defects and other assistance given by them. This Association is indispensable in connection with the school work.

Respectfully submitted,

MARGARET CROKEN, R. N.,
School Nurse.

BY-LAWS OF THE TOWN OF GRANVILLE, MASS.

ARTICLE I—General Provisions

Section 1. These by-laws shall be known and designated as by-laws of the Town of Granville, Massachusetts.

Section 2. All by-laws or parts of by-laws heretofore adopted, which are inconsistent with the provisions of these by-laws are hereby repealed and annulled. But the provisions of these by-laws as far as the same are identical with the provisions of by-laws heretofore adopted shall be construed as a continuation thereof.

Section 3. The repeal of a by-law heretofore adopted shall not affect any act done; ratified or confirmed or any right accrued or established, nor any action suit or proceeding commenced nor affect any punishment, penalty or forfeiture incurred under such by-law.

Section 4. These by-laws shall take effect when duly adopted by a Town Meeting, approved by the Attorney General of the Commonwealth of Massachusetts and published or posted pursuant to Section 32 of Chapter 40 of the General Laws or any act or acts amendatory thereof or supplementary thereto.

ARTICLE II—Town Meetings

Section 1. The annual Town Meeting shall be held on the first Monday in February of each year.

Section 2. Notice of the annual Town Meeting as well as all special meetings shall be given by posting attested copies of the warrant calling same, in at least three public places in Town, not less than seven days before date appointed for such meeting, and the return of the officer, stating the manner of notice, shall be endorsed on the warrant.

Section 3. All special meetings shall start at 8 o'clock P. M.

ARTICLE III—Town Meeting Procedure

Section 1. The moderator shall preserve decorum and order; may speak on points of order in preference to others, and shall decide all questions of order.

Section 2. When any voter shall require a question to be determined by yeas and nays, the moderator shall take the sense of the meeting in that manner, provided one-third of the voters are in favor of it.

Section 3. The Moderator shall propound all questions in the order in which they are moved, unless the subsequent motion be previous in its nature, except that in naming sums and fixing times the largest and longest sums shall be first.

Section 4. When a question is under debate the Moderator shall receive no question but to adjourn, to lay on the table for the previous question, to postpone to an hour certain, to amend or to postpone indefinitely: Which several motions shall have precedence in the order in which they stand arranged.

Section 5. When two or more persons arise at once the Moderator shall name the one who is to speak first.

Section 6. No voter shall speak more than three times on one question, without first obtaining leave of the meeting, no more than twice until others who have not spoken shall speak if they desire.

Section 7. All committees shall be appointed by the Moderator unless otherwise specially directed by the meeting.

Section 8. When any voter shall make a motion and such a motion shall be seconded by another the same shall be received and considered by the meeting and not otherwise.

Section 9. When a vote is passed it shall be in order for any one of the majority to move for a reconsideration thereof, and when a reconsideration is decided that decision shall not be reconsidered.

Section 10. No one shall be allowed to interrupt while another is speaking or pass unnecessarily between the Moderator and the speaker.

Section 11. Every motion shall be reduced to writing if the Moderator so desires.

Section 12. Any voter may call for a division of the question where the sense will permit it.

Section 13. No motion or proposition of a subject different from that under consideration shall be admitted under color or amendment.

Section 14. When a vote is doubted the voters for or against the question, when called on by the Moderator shall rise and stand until they shall be counted.

Section 15. Individuals while speaking shall stand uncovered and address the Moderator.

Section 16. Smoking shall not be permitted at any annual or special meeting.

Section 17. A motion to adjourn without date shall be debatable but a motion to adjourn to a day certain shall not be debatable.

ARTICLE IV—Selectmen

Section 1. The Selectmen shall have full authority as agents of the Town, acting on advise of special council to settle any claim or suit against the Town which in their judgment cannot be successfully defended, when the sum does not exceed five hundred dollars. Any settlement requiring the payment of a sum greater than five hundred dollars, except as authorized by law, shall be made only when so authorized by vote of the Town.

Section 2. The Selectmen may appear in the interests of the Town, either personally or by special counsel before any court, committee of the Legislature, or any state or county board or commission. They shall have full authority as agents of the Town, acting upon advise of special counsel, to prosecute any and all necessary suits and proceedings in favor of the Town and to appear and defend any and all suits and legal proceedings against or involving the Town interests.

Section 3. The Selectmen shall have authority to make parking rules and set speed limits.

ARTICLE V

Section 1. No person not a resident of the Town can be employed in any capacity, on any project of the Town provided that there is a resident who is qualified and available for any position that may be open.

ARTICLE VI—Treasurer

Section 1. The Treasurer shall be custodian of all trust funds, deeds, bonds and insurance policies belonging to the Town, except the bond of the Treasurer which shall be in the custody of the chairman of the Board of Selectmen.

ARTICLE VII—Finance Committee

Section 1. The Moderator shall appoint a Finance Committee of five members for a term of three years from date of appointment or to fill any vacancies that may occur.

Section 2. It shall be the duty of the Finance Committee to make recommendations relative to all appropriations. They shall make a study of the estimated requirements submitted by the Board of Selectmen and all other department officials and publish their recommendations in the Town report.

Section 3. The recommendations of the Finance Committee shall stand as a motion before the meeting.

Section 4. The Finance Committee shall require from the Selectmen, Assessors, School Committee or any other Town officials an itemized account of all expenditures; not later than December twenty-first of each year.

Section 5. A copy of the warrant calling any meeting shall be furnished the chairman of the Finance Committee at least seven days prior to the date of meeting as designated in the warrant.

ARTICLE VIII—Penalties

Section 1. Any person violating any section of these by-laws shall be subject to a fine of not more than twenty dollars.

The foregoing by-laws were approved by the Attorney General Devers, December 14, 1939.

REPORT OF AN AUDIT OF THE ACCOUNTS OF THE TOWN OF GRANVILLE

For the period from June 23, 1935 to April 29, 1939

Made in Accordance with the Provisions of
Chapter 44, General Laws

June 9, 1939

To the Board of Selectmen
Mr. Stephen M. Roberts, Chairman
Granville, Massachusetts

Gentlemen :

I submit herewith my report of an audit of the accounts of the Town of Granville for the period from June 23, 1935 to April 29, 1939, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir :

As directed by you, I have made an audit of the books and accounts of the Town of Granville for the period from June 23, 1935, the date of the previous audit, to April 29, 1939, and submit the following report thereon.

The financial transactions, as entered on the records of the several departments receiving or disbursing Town funds or sending out bills for collection, were examined and checked.

Ledger accounts were compiled, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the Town on April 29, 1939. The balance sheet indicates that the Town is in very good financial condition.

The books and accounts of the Treasurer were examined and checked in detail. The receipts, as recorded, were compared with the records in the departments collecting money for the Town and with the other sources from which money was paid into the Town treasury. The payments were checked with the Selectmen's warrants, the cash book footings were verified, and the cash balance was proved by actual count of the cash on hand, by a reconciliation of the bank balance with a statement furnished by the bank and by inspection of the savings bank book.

The payments on account of debt and interest were compared with the amounts falling due during the period covered by the audit and with the canceled securities on file.

The computation of the tax rates by the Assessors for the period covered by the audit was checked, and it was noted that appropriations from available funds, voted at special meetings held on December 27, 1935, amounting to \$1,070, and on December 30, 1936, amounting to \$255, were not used in the determination of the tax rates for 1936 and 1937, respectively. Due to an error in addition of the appropriations as used in fixing the rate for 1936, the Assessors raised \$100 less than was required.

Attention is called to the provisions of Section 15A, Chapter 41, General Laws, which requires the Town Clerk to certify to the Assessors each appropriation in detail with the provisions made for meeting the same, and to Section 23, Chapter 59, General Laws, which requires the Assessors, in the determination of the tax rate, to assess taxes to an amount not less than the aggregate of all amounts appropriated since the last preceding annual tax assessment, and which authorizes appropriations from available funds to be deducted with the written approval of the Commissioner of Corporations and Taxation.

In checking the amounts expended from each appropriation with the Town Clerk's record of appropriations voted by the Town, it was noted that it has been the practice

for the Town to vote to transfer the previous year's earnings of road machinery for the maintenance of the equipment in the year in which the vote is passed without specifying the amount. It is recommended that such votes clearly specify the amounts of the appropriations, so that the Town Clerk and Assessors may be able to comply with the provisions of Section 15A, Chapter 41, and Section 23, Chapter 59, General Laws, previously mentioned.

The securities and savings bank books representing the investment of trust and investment funds in the custody of the treasurer were examined and listed, the income being proved, and the payments being verified.

The surety bonds of the Town officials required to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The books and accounts of the Tax Collector were examined and checked. The tax accounts outstanding at the time of the previous examination were audited, and all subsequent commitments of taxes were proved with the Assessors' warrants committing them for collection. The collections, as recorded, were checked, the payments to the Treasurer were verified by a comparison with the books of the Treasurer, the recorded abatements were checked to the Assessors' abatement records, and the outstanding accounts were listed and proved. Verification of the outstanding accounts was made by sending notices to a number of persons whose names appeared on the books as owing money to the Town and from the replies received it appears that the outstanding accounts, as listed, are correct.

The records of licenses granted by the Selectmen were compared with the record of licenses issued. The payments to the Treasurer were checked and the cash on hand April 29, 1939, was verified by actual count.

The accounts of the Sealer of Weights and Measures were examined. The recorded receipts were checked with the record of work done and the payments to the Treasurer were verified.

The receipts of the Town Clerk for dog and sporting licenses were checked with the record of licenses issued. The payments to the Treasurer and to the Division of Fisheries and Game were verified, and the cash on hand was proved by actual count.

The Librarian's record of receipts from fines, etc., was checked, and the payments to the Treasurer were verified.

The records of accounts receivable of the Public Welfare Department were examined. The departmental records of charges were analyzed, the recorded collections were compared with the payments to the Treasurer, the abatements and disallowances were checked, and the outstanding accounts were listed and proved.

Appended to this report, an addition to the balance sheet, are tables showing a reconciliation of the Treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust and investment funds.

While engaged in making the audit, co-operation was received from all the Town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

ANNUAL REPORT
of the
Town of Granville
Massachusetts

Year Ending December 31, 1940

Printed by
SPECIALTY PRINTING CO.
Westfield,
Mass.

Copy of Town Warrant

COMMONWEALTH OF MASSACHUSETTS

HAMPDEN, ss

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of Granville, in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center, on Monday, February 10th, 1941; then and there to act upon the articles which follow:

The polls will open at 10 o'clock A. M. and close at 3 o'clock P. M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Treasurer, one Tax Collector, one Town Clerk, one Tree Warden, two Constables, two Auditors, three Citizen's Town Committee, three Selectmen, each for one year, one Assessor for three years, one Library Trustee for three years and one School Committee for three years.

Article 2. To choose all necessary Town Officers.

Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee and act thereon.

Article 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1941.

Article 5. To see what sums the Town will appropriate for General Government.

Article 6. To see what sums the Town will appropriate for the Protection of Persons and Property.

Article 7. To see if the Town will vote to appropriate the sum of \$50 to be expended in the Town for Aid to Agriculture in accordance with the provisions of Chapter 128, Section 42 of the General Laws.

Article 8. To see what sums the Town will appropriate to maintain public buildings.

Article 9. To see what action the Town will take in regard to repairs on the Town Hall.

Article 10. To see what sums the Town will appropriate for educational purposes.

Article 11. To see if the Town will vote to pay the Secretary of the School Committee \$100 a year and the other two members \$50 each a year beginning January 1, 1941.

Article 12. To see what sum the Town will appropriate for Memorial Day.

Article 13. To see what sums the Town will appropriate for General Highway purposes.

Article 14. To see what sums the Town will appropriate to pay the Town notes for the ensuing year.

Article 15. To see what sums the Town will appropriate for the Reserve Fund, Liability and Insurance Funds.

Article 16. To see what sums the Town will appropriate for Public Welfare.

Article 17. To see what sum the Town will appropriate for Soldier's Relief.

Article 18. To see if the Town will vote to transfer the Machinery Earnings of 1940 (\$5,443.70) to maintain the Machinery Account of 1941.

Article 19. To see if the Town will vote to turn in the #1 Chevrolet Truck for \$150.00 and take a sum of money from the Machinery Account to buy a new truck.

Article 20. To see if the Town will vote to have an annual State Audit.

Article 21. To see if the Town will vote to amend Section 1 of Article 2 of the Town by-laws to read as follows: The annual Town meeting shall be held on the Second Monday in February.

Article 22. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1942, in anticipation of the revenue of the financial year ending December 31, 1942.

Article 23. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the financial year beginning January 1, 1941, and to issue a note or notes therefor, payable in one year, and renew any note or notes, as may be given for the period of less than one year, in accordance with Section 17, Chapter 44 of the general Laws.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this first day of February in the year of Our Lord one thousand nine hundred and forty-one.

STEPHEN M. ROBERTS,

DAVID F. KENNEY,

JOSEPH COLLIER,

Board of Selectmen.

1940 REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE AND THE HAMPDEN COUNTY IMPROVEMENT LEAGUE

Town of Granville

AGRICULTURAL WORK

The agricultural service to local citizens during the year included soil testing, information and advice on farm financing, crop agricultural engineering or construction, rodent control, farm management, woodlot improvement, and general agricultural information.

A number of farmers participated in the agricultural conservation program and adopted practices for improving their hayland and pasturage and conserving soil fertility in accordance with the recommended practices.

HOME BUREAU WORK

For special mention in Home work in Granville during the year we might mention the home furnishings projects from which members received information on making their homes more attractive at a low cost. This was a very popular project. Forty-five women were also advised on their food preservation work, and there were projects in clothing, reupholstering, slip covers, Christmas Gift Kit. Several meetings and demonstrations were held in the Town during the year.

4-H CLUB WORK

Fifty-four young people were enrolled in the 4-H Clubs which carried on four different projects throughout the year. These projects were led by six local leaders and twenty-five meetings and demonstrations were held.

One of the best flower gardens in the County was that of Eleanor and Norma Hansen. They received a medal from the Massachusetts Horticultural Society.

There was a large enrollment of boys and girls in the Room Improvement Club and the Canning Club did some very outstanding work and won many prizes at local fairs.

FINANCIAL STATEMENT

1939 Unexpended Balance	\$	19.65
1940 Appropriation		50.00

	<hr/>
	\$ 49.96

Respectfully submitted,

Trustees for County Aid to Agriculture

L. B. BOSTON, Clerk.

REPORT OF THE
Library Trustees

To the Citizens of the Town of Granville:

The Library has 6,675 books. 123 were added in 1940, of which two sets, one by Charles Darwin, the other by Henry Fabre, were presented to the Library by Miss Mary Noble. Children's books were loaned by the Division of Public Libraries in Boston. The Library has excellent material available for the use of High School pupils and an earnest effort is being made to build up a fine library for the younger children, which we hope they will be encouraged to use.

Fewer children received reading certificates.

Book Marks, on which Library hours are printed were presented by Westfield Savings Bank.

The library Club has supplied magazines for the reading room and financed one half the janitor's Salary and one half the running expenses.

The renovation of the Main room of the Library was completed by the installation of two new bookcases and four electric lights. The basement floor was relaid on a new foundation.

Respectfully submitted,

MARY W. PATT,

REPORT OF THE

School Committee

To the Citizens of Granville:

The school committee organized with Ralph R. Roberts as chairman and Alice M. Frisbie as secretary.

We have thirty-four pupils attending High School with eight of these pupils enrolled in the agricultural course. We are anticipating a larger number to attend this year, as we will have fifteen graduating from grammar school and only six will graduate from High school. This increase has made it necessary for the committee to ask for a larger appropriation this year. At the present time, we have three boys attending trade school. There does not seem to be much chance for many boys to get into trade school, as the trade schools in both Westfield and Springfield have a long waiting list.

The success of our schools depends on the co-operation of parents, teachers and school authorities. We wish to thank the parents and teachers for their co-operation at this time.

RALPH R. ROBERTS

MIRIAM H. DICKINSON

REPORT OF THE

Superintendent of Schools

To the School Committee and Citizens of Granville:

Herewith is submitted my eleventh annual report, it being the thirty-eighth of such reports in this Union.

We are not living in the same World we were living in one year ago. We have found that aggressor nations cannot be made into peace-loving peoples by a war to end all wars, as we thought in 1918; neither can they be won to the sweet paths of reasonableness by appeasement as some thought in 1938. Democracies, to survive, must arm completely and permanently. This, America is doing slowly but impressively.

But this huge armament task is but one half of the problem. Democratic ideals must be fostered, democracy's history and philosophy taught, orderly government supported and Freedom's way of life made the chief cornerstone of defense. For the accomplishment of this spiritual task, we must look to the church, the press, the radio and most important of all to the public school. To curtail any of these services, in this crisis, would be fatal.

The vocational schools of the country are doing a spectacular work in turning out skilled, trained men in great numbers. Many trade schools are operating twenty-four hours per day, with three shifts of teachers and pupils. Less spectacular, but equally vital, is the work of other schools, from kindergarten to university, which are giving that foundation of general education, without which no person can learn specialized skills, and without which the heritage of our fore-fathers would perish from the earth. He, therefore, who would wish to reduce educational opportunities for any child anywhere, to that extent seeks to sabotage our national defense.

This situation presents a distinct challenge to parents, school administrators and teachers. The school program must be made more and more efficient and meaningful. It must inculcate love of country and stimulate faith in our fellowmen. It must teach youth to serve rather than to reach for a hand-out. It must teach them to be sincere, honest and courageous. It must lead them to be persistent and industrious. It must encourage clear thinking and independent work. It must bring about good health and physical well-being. It must foster wholesome personality and well-balanced living. Such a program tends toward earnestness of purpose, but it need not be drab or harsh. There is still a place for music and love of beauty. There is still a place for fun and good fellowship. Indeed, the best way to preserve the American way of life is to make it pleasant and satisfying, for the very essence of democracy lies in the advancement and the happiness of the individual.

THE STUDENT COUNCIL

The past year in Granville has been one of steady progress. Perhaps one of the greatest advances has been the establishment of the Student Council, and the system of patrolmen that goes with it, at the Village School. Representatives of each grade in the school are elected to the Council by their fellows. These representatives meet once each week to devise rules and regulations, make suggestions for the betterment of the school and consider minor infractions of the rules by offenders. Of course, they do not usurp the authority of principal, teachers, or bus drivers, but they exercise whatever power is delegated to them by the principal, and only so much is delegated as they demonstrate they can use wisely. They perform their tasks with a keen sense of responsibility. This system is democracy in actual operation. A patient handling of cases in this way yields civic dividends of incalculable value. Both the pupils on the council and the pupils not on the council learn respect for law and order that will make them better high school students and better citizens. The success of this plan depends on a delicately adjusted co-operation of so many people that it is not feasible in many schools and its success in any one school is no assurance that it can continue in that school as the personnel changes over a period of years.

PANELS

In the history classes, the technique of panel discussions is being followed. This plan is one of informal debate and discussion of a set problem by a small group. As practiced in Granville, it is at its best. The discussions are lively, spirited but well-ordered and they get down to the real meat of the questions at issue.

The pupils are also getting some training in formal debate. In an elementary school, this must necessarily be very rudimentary.

CURRICULUM TRENDS

The rapidly moving events of the World are bound to affect our curriculum in social studies. For one thing, we are bound to take a new interest in Latin America. Our ignorance of the culture, history and industry of Central and South America is appalling. We know about Napoleon, but we do not know about Bolivar. Few people know about the splendid roads of Guatemala, the well-ordered government of Costa Rica, the rapidly developing wealth of Venezuela, the tin industry of Bolivia, the modern cities of Argentina or the fine school system of Mexico. We are out of step. No wonder these people have turned to Europe. This must be remedied. Our schools must supply this big gap in our knowledge. Also we should become better acquainted with our Northern ally, Canada; and we shall be pleasantly surprised to find out what a wonderful empire we ourselves possess in Alaska. Again, these days should put new meaning and value into the study of arithmetic. Physical education should receive renewed emphasis, as well.

Looking ahead a bit, I recommend that when the towns feels it can afford it, the big water tank at the Village school be placed under ground outside the building, which is the approved method now, and that room be finished off as a manual training room. Our elementary schools should not neglect the manual arts, not that they should seek to turn out skilled workmen like trade schools, but manual skills are an important part of general academic education.

In this very sketchy way, we have tried to indicate the way education is likely to go in the near future and what Granville should do about it.

THE PAST YEAR

We have had one change in teachers this year. Miss Marion Bennett, successful teacher of grades 4-5-6 at the Village School, resigned in June to be married and Miss Marjorie Warner was elected to the position. Miss Warner is a graduate of the Westfield State Teachers' College with the degree of Bachelor of Science in Education and is making an unusually happy beginning in her work. On January 11, 1941, Miss Margaret Croken resigned as school nurse. Since September 1931 she has gone in and out of our homes and classrooms bringing a message of good health and of good cheer. We wish her success and happiness in her new work.

We should also make records of the splendid work being done at the West Granville School. It is one of the best two-room schools anywhere.

This past year Mr. Case has erected a miniature post-office and a fine book case at the Village School and Mr. Barnes has erected a fine new moveable stage at West Granville. Such extra work, without extra pay, performed as a matter of course, should serve to call attention to the splendid service that is being unobtrusively rendered by our janitors and which merits the whole-hearted appreciation of the people of the town. From January 1 to June 1, \$72.70 were deposited in the school savings to the credit of Granville pupils.

On October 27, we were all saddened to learn of the death of Mr. William H. Sanderson. He had devoted a life-time to education, with his latest and ripest years in Granville. For four and one half years he had been superintendent of schools in Granville and for three years a member of the school committee, and for many more years a civic minded citizen. A gentleman of the old school, of strong personality and firm conviction, his work and life will long be remembered.

In conclusion, may we express the hope that 1941 will be as happy and fruitful a year in our schools as was 1940.

Respectfully submitted,

M. C. MOORE,

Superintendent of Schools.

REPORT OF THE

Music Supervisor

Mr. M. C. Moore, Superintendent,
Southwick, Mass.

My Dear Mr. Moore:

Following is a report of the school music activities in the town of Granville for the year 1940:

In addition to the regular schedule of music in the various grades, special attention has been given to better expression in singing, by learning the meaning of musical terms indicated in the songs, thus correlating the art of choral speaking more definitely with the musical development.

Also, special emphasis was placed upon patriotism and learning new verses of the Star Spangled Banner, America and new patriotic songs.

During the coming year of 1941 additional attention will be given to learning more songs about our country, patriotic and otherwise and American folk dances will also be featured.

Respectfully submitted,

HELEN M. JOHNSON,
Music Supervisor.

REPORT OF THE

School Nurse

January 1940 to January 1941

The children of Granville have been free from contagious diseases during this year. Days lost by illness were chiefly due to colds. The school nurse spent two days each month for health services in the schools during the school year.

In September the annual physical examinations were given by Dr. Hester, school physician. One hundred and ten children were examined. Eighteen were found with sufficient defects to need attention. Sixteen had enlarged tonsils, one with poor posture, and one with flat feet. Of sixteen children found with enlarged tonsils, a number are under the observation of their family physician. Seven children had their tonsils removed.

Vision tests were given by the teachers in September. Six vision defects were recorded. Four corrections were made.

Dr. Kisiel, clinic dentist, held dental examinations in September. One hundred and four children were examined. Eight were furnished with certificates for perfect teeth. Several children's teeth needed only cleaning, so were not awarded certificates. Forty-five had dental work done with family dentists, twenty-two with clinic dentist.

In November the audiometer tests were given. Seventy-three children were tested, (first and second grades were not included.) Two were found with hearing defects. One was corrected through medical treatment. Children found with hearing defects in 1939, passed with normal tests in 1940.

The children were weighed three times during the school year and were measured in September and June. All made a normal gain in weight.

In May twenty pre-school children were vaccinated by Dr. Hester. Nine pre-school children had dental work done by the clinic dentist.

In carrying on the school health services, the school nurse made eighty-eight school, home, and miscellaneous visits, seventy classroom inspections, held one hundred and eight consultations with teachers, parents, pupils and others, gave forty-three classroom talks, and twenty first aid treatments.

I wish to thank the teachers for their co-operation in carrying on health services in the schools, the Parent-Teachers Association for their kind assistance, and the parents for their co-operation in getting defects corrected and organizing pre-school clinics.

Respectfully submitted,

MARGARET CROKEN, R. N.

School Nurse.

ANNUAL REPORT

of the

Town of Granville

Massachusetts

Year Ending December 31, 1941

Printed by
SPECIALTY PRINTING CO.
Westfield, Mass.

Copy of Town Warrant

COMMONWEALTH OF MASSACHUSETTS

HAMPDEN, ss

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of Granville, in said County, qualified to vote in Town Hall in Granville Center, on Monday, February 9, 1942; then and there to act upon the articles which follow:

The polls will open at 10 o'clock A. M. and close at 7 o'clock P. M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Treasurer, one Tax Collector, one Clerk, one Tree Warden, two Constables, two Auditors, three Citizen's Town Committee, three Selectmen, each for one year; one Assessor for three years, one Library Trustee for three years and one School Committee for three years.

Article 2. To choose all necessary Town Officers.

Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee and act thereon.

Article 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1942.

Article 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to bor-

row on and after January 1, 1943, in anticipation of the revenue of the financial year ending December 31, 1943.

Article 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the financial year beginning January 1, 1942, and to issue a note or notes therefor, payable in one year, and renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

Article 7. To see if the Town will vote to discontinue the Local annual Audit.

Article 8. To see if the Town will vote to pay the Moderator \$10.00 for the annual Town Meeting and \$2.00 for each meeting thereafter.

To see if the Town will vote to pay the Chairman of the Board of Selectmen \$300 a year; the other two members \$200 each a year and the clerk \$200 a year beginning January 1, 1942.

Article 10. To see if the Town will vote to limit the Selectmen to \$100 for any one purchase of equipment which may be bought from the Machinery Account without a vote of the Town.

Article 11. To see if the Town will vote to transfer the Machinery earnings of 1941 (4,324.56) to maintain the Machinery Account of 1942.

Article 12. To see what sums the Town will appropriate for General Government.

Article 13. To see what sums the Town will appropriate for Protection of Persons and Property.

Article 14. To see what sum the Town will appropriate for the library.

Article 15. To see what sum the Town will appropriate for Insurance on Buildings.

Article 16. To see if the Town will raise \$1,000.00 for the Town Hall.

Article 17. To see what sums the Town will appropriate for Educational purposes.

Article 18. To see what sums the Town will appropriate for General Highway purposes.

Article 19. To see what sums the Town will appropriate to pay the Town Notes for the ensuing year.

Article 20. To see what sums the Town will appropriate for the Reserve Fund, Liability Fund and Insurance Fund.

Article 21. To see what sums the Town will appropriate for Public Welfare.

Article 22. To transact any other business which may legally come before this meeting.

And you are directed to serve this warrant by posting attested copies thereof in each of the usual places in Town for posting such notices seven days at least before the time of holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this thirtieth day of January in the year of Our Lord one thousand nine hundred and forty-two.

NELS H. OLSEN,
BUELL S. DICKINSON,
WALTER A. PHELON,
Board of Selectmen.

REPORT OF THE

Board of Selectmen

To the Citizen's of Granville:

The following is a summary of some of the activities of the Board of Selectmen during 1941:

The boundary dispute between Russell and Granville was presented to the Land Court Judge early in November. We do not know when a decision will be given. Information on new legislation enacted this year has been received from Commissioner Long. One item is of particular interest to the citizens of Granville. It reads in part as follows:

"Chapter 498, approved on July 22, 1941 and effective in 90 days provides where the Hartford Water district is taking land in Granville and Tolland that in addition to paying by way of reimbursement on the value of the land, it shall also pay on the value of the buildings which were in being at the time of taking."

Some of the necessary repairs were made on the Town Hall; including one chimney, one furnace and one septic tank. The cost of these repairs is tabulated in the financial report. The building at present needs repairs on the other chimney, furnace and septic tank. The roof and the porticos on both the east and west ends need repairs. We recommend that a sufficient appropriation be raised in 1942 to complete some if not all of this work.

On the Work Relief Project three thousand feet along the Blandford Highway and two thousand feet along the North Lane # 2 Highway were cleared of trees and brush. About thirty-five cords of wood was cut which was used at the Town Hall. About an acre of Moth work was completed on the Hansen property, the shade trees along

Maple Street were trimmed and fourteen highway signs were made and painted.

Chapter 90 Maintenance provided .4 of a mile of asphalt and 1.6 miles of tar on the Main Road and 1.1 miles of trap rock and asphalt on the Granby Road.

3.4 miles of resurfacing was done this year. Included are the following roads: Silver Street, 1 mile; Old Westfield Road, 3 miles; North Lane # 2, .35 mile; Beech Hill, .5 of a mile; West Hartford Road, .25 of a mile and the Clement Road, 1 mile. Two and 3 tenths miles of new work or oil top without any construction was completed. Included are: Water Street, .2 of a mile; Wild Cat Road, 1 mile; West Hartford Road, .35 of a mile; Clement Road .55 of a mile; Barnard Road, .2 of a mile. Two and fifteen one hundredths miles of new construction with oil top are as follows: Cross Lane, .2 of a mile; Old Westfield Road, .4 of a mile; South Lane # 1, .35 of a mile; North Lane # 2, .35 of a mile; Beech Hill, .5 and West Hartford Road, .35 of a mile. Funds were provided from Chapter 81 and the Local \$3,000 Oil Fund. At the end of this year, we have ready for oiling next year, 1,700' on Water Street, 1,000' on the Barnard Road, 1,000' on Beech Hill, 500' each on South Lane # 1 and North Lane # 2; a total of 4,700' of new construction.

An itemized report of expenditures follows.

Respectfully submitted,

NELS H. OLSEN,

BUELL S. DICKINSON,

WALTER A. PHELON,

Board of Selectmen.

REPORT OF THE

Board of Public Welfare

To the Citizens of Granville:

During the year 1941 welfare expenses show a definite decrease in all categories of relief. With the exception of January and February, no applications for relief were received from the employable group. A breakdown of expenditures shows a scant two percent for employable cases, and the remainder for the unemployable group and for Granville settled cases living in other cities and Towns. Distribution of Surplus Commodities was discontinued during the early part of the year. This service can be re-instated whenever conditions warrant it.

Thirteen persons received Old Age Assistance; eight were Granville settled; one a State case, four were chargeable to other cities and towns. Two applications were denied.

There are no Aid to Dependent Children cases at present. We recommend an appropriation to take care of any accepted applications during 1942.

We extend our appreciation for their co-operation, both financial and advisory to the American Red Cross, the Society for Prevention of Cruelty to Children and the Parent Teacher's Association.

An itemized account of expenditures follows:

Temporary Aid:

Cash payments	\$ 78.00
Hospital	52.49
Alienist	5.00
Food	210.82
Board and care	181.43
Clothing	5.40
Other Cities and Towns	746.68

Tewksbury State Hospital	167.15
Surplus Commodities for 1941	44.83
Surplus Commodities for 1942	50.75
Dues Western Mass. Public Welfare Ass'n	1.00
Mass. P. W. Conf. in Boston (Expenses)	9.75
Social Service index	3.00

Total	<hr/>	\$ 1,566.30
-------	-------	-------------

Old Age Assistance	\$3,370.43
Direct grants to recipients	193.00
Doctor	19.58
Medicine	26.33
Glasses	12.00
Other cities and towns	97.71
Indirect payments	9.00

Total	<hr/>	\$ 3,665.05
-------	-------	-------------

Aid to Dependent Children:

Cash payments	\$ 280.00

Respectfully submitted,

Board of Public Welfare,

By BELLE B. PENDLETON,

Agent.

1941 REPORT OF THE TRUSTEES FOR
COUNTY AID TO AGRICULTURE
AND THE HAMPDEN COUNTY
IMPROVEMENT LEAGUE

Town of Granville

AGRICULTURAL WORK

The agricultural educational projects are conducted on a county-wide basis with commodity groups rather than town or community units. However, all local dairy-men, poultrymen, vegetable, fruit, and commercial potato and tobacco growers are kept informed, are invited to special or district meetings, and are visited by the County Agent in connection with their problems. The work of the past year has included the following projects: Pasture and hayland improvement; soil conservation and testing; livestock management and disease control; plant pest and rodent control; the grading and marketing of farm produce; farm financing and record keeping; woodlot management; the construction and remodeling of barns, poultry houses, and storages; land drainage; home gardens and grounds improvement; and general economic information.

41 farmers were enrolled in the national agricultural conservation program this year in your town.

HOME BUREAU WORK

There were six Home Bureau projects in Granville during the past year, namely; arts and crafts, home grounds, nutrition, home management, Christmas Gift Kit, and breadmaking. In all there were 104 people who participated in these various projects with 8 leaders who held 11 meetings.

4-H CLUB WORK

Sixty-five young people were enrolled in five 4-H Club projects with 7 leaders in charge. The projects included clothing, canning, recreation, poultry, and gardening.

Some of the members distinguished themselves not only in county but in state-wide contests, particularly the vegetable demonstration judging team. Practically all members exhibited at the local or near-by Fairs and won many prizes.

FINANCIAL STATEMENT

1941 Appropriation	\$50.00
--------------------	---------

*Expended in 1941	44.06
-------------------	-------

Balance available for 1942	\$ 5.94
----------------------------	---------

Recommended appropriation for 1942	\$50.00
------------------------------------	---------

*While carrying out the work herewith, the following leaders incurred certain expenses for travel throughout the year although they worked without pay. They received their checks directly from the County Treasurer who handles the town appropriations for the Trustees according to the law.

HOME BUREAU LEADERS & EXPENSES

Mrs. Stanley Beckwith, Mrs. Emma Hansen, Mrs. Lena Humphrey, Mrs. Mildred Lees, Mrs. M. K. Oftedahl, and supplies for bread-making demonstration. \$14.29

4-H CLUB LEADERS & EXPENSES

Mrs. Leland Hunt, Cecelia Hansen, Edward Roberts, Norma Hansen, Mrs. Willard Tryon, and vegetables used for vegetable judging demonstration. \$29.77

\$44.06

Respectfully submitted,

Trustees for County Aid to Agriculture

L. B. BOSTON, Clerk.

REPORT OF THE
Library Trustees

The Library has 6,782 books. 107 were added in 1941. Gifts of books were received from Miss Mary Noble and Mr. Louis Stevenson, who presented his own book on Paper Making. 1964 books have been in circulation. Twenty-five children received reading certificates.

The Library Club has supplied the Magazines for the reading room and has financed $\frac{1}{2}$ the janitor's salary and $\frac{1}{2}$ the running expenses.

A new floor was laid in the basement at a cost of \$158.58.

The Chicken Pie Supper, sponsored by the Library Club, was a greater success, financially, than for many years. We sincerely thank all of our townspeople who helped so generously.

Respectfully submitted,

MARY W. PATT.

	<hr/>

Respectfully submitted,

GRANVILLE CENTER WATER COMPANY

By HOLLAND N. STEVENSON,

Treasurer.

REPORT OF THE

School Committee

To the Citizens of Granville:

The school committee organized with Milton Hansen as chairman and Alice Frisbie as secretary. Regular committee meetings have been held on the first Friday of the month. There are four new teachers on our staff this year. Miss Ruth Stiles was appointed as school nurse to fill vacancy created by the resignation of Miss Croken.

During the summer, the intermediate school room at the Village School was painted and varnished. It is the aim of the Committee to do over one room each year. The school yard has been resurfaced. A new finish has been put on the gym floor which we hope will cut down the cost of up-keep for that floor. At West Granville, the building was painted on the outside.

The committee extend their appreciation and thanks to Miss May Noble for her gift of books and book-case, to Dr. C. A. White for his gift of pictures and to the Parent Teachers Association for their gift of a clock for the gym.

We wish to thank the parents and teachers for their co-operation.

REPORT OF THE

Superintendent of Schools

To the School Committee and Citizens of Granville:

Herewith is submitted my twelfth annual report, it being the thirty-ninth of such reports in this Union.

"We are not living in the same World we were living in one year ago." With these words we began our 1940 report. If true then, how much more so now. We are at war. What lies ahead we cannot foresee but we have entered the way of sacrifice and work. It is not an easy road, but no man travels alone. America is united. At the end is Freedom and Security, a distant vista perhaps but none the less real. The days ahead may be dark, some of them black, but the goal is a better world in which the basic needs of food, clothing, housing, medical care, education, employment and recreation shall be adequately met in every land, for every people. This better world can be achieved only by the free enterprise of free men. It is true that our efforts must now be directed toward Victory, however, we must also think in terms of post-war days. Some believe that the adjustments of those post-war days will make a depression inevitable. Not necessarily. If we plan now for a permanent economy of abundance and carry out the plan, no depression will follow the war. Our "abundance" now is and should be an all-out production of war materials, with a minimum of consumer's goods. Our "abundance" then should be in goods that will enrich American living, with enough war material to maintain a reinforced peace. It is the essence of education to look ahead, since its boys and girls do not assume full civic responsibility for some years after their training in school.

But whether we take the far look or give attention to the tremendous task of today there is no place for waste. We must practice conservation of school supplies, school fuel, and conservatism in all projects that can be postponed without impairing fundamental school progress. We must not economize on the quality of teaching or on textbooks. Whatever sacrifices we make, we must not take it out on the children.

There are intangible educational wastes that can be tolerated in peace-time, perhaps, but which are unjustifiable in times like these; the wastefulness of unnecessary absences, the wastefulness of poor study habits, the wastefulness of wrong attitudes. All these seriously affect pupil progress. Then there is the community wastefulness involved in uninformed comment and in directing well meant efforts at cross purposes. It costs nothing in money, but a great deal in thoughtfulness, to eliminate such wastes, if they exist, but the gain in morale and efficiency will pay rich dividends in school progress for those who overcome such weaknesses.

OUR PRESENT SITUATION

With the coming of War, we find our school work affected. History and Civics are given even more emphasis than ever. The study of Latin America is more extensive than usual. The study of Canada, Australia, China, Dutch East Indies, Hawaii and the Phillipines will also be given added attention. Our music is taking the form of the use and study of patriotic songs. Our Teachers are engaged in community defense work.

We also must hope for ordinary steady progress in our regular school program. This of itself will aid defense. Our perennial problem is that we sometimes forget that all pupils do not and cannot progress at the same rate of speed. It is against the laws of nature to expect it. If either the teacher or the parent puts undue pressure on the slow pupil, there is danger of creating a nervous tension that will cause him to dislike school. There are advantages in slow careful work. It is likely to result in sturdy character. At any rate, all we can justly expect of a pupil is for him to do his best. We should not ask him to excel his neighbor.

THE PAST YEAR

We have had several changes in personell. During the Summer, Mr. Cushman resigned to accept a position in the Bulkley Junior High School at Concord. Mr. Cushman has built up excellent standards of scholarship in his classroom work, established fine school spirit throughout the building and turned out athletic teams which sometimes won and sometimes lost, but they were always sportsmanlike. The 1941 basketball team won the league championship. Mr. Ralph C. Doran, Jr., of Belmont Mass. was elected to succeed Mr. Cushman. Mr. Doran is a graduate of Harvard College in 1940 with a degree of A. B. He has nearly completed the work for his master's degree. His major interests have been history, athletics, music and 4-H Club work. We are glad to welcome, both Mr. and Mrs. Doran to our community life.

Miss Hildred Boston, Primary teacher at the Village School, resigned to be married. She later accepted a teaching position at Goffstown, N. H. Miss Alma Howard of Chicopee, Mass. was elected to the position. Miss Howard is a graduate of the Westfield State Teachers' College in 1940 with the degree of B. S. E. During her first year she taught the lower grades at Warwick, Mass. Her special interests are dramatics, athletics, music, arts and crafts. After four years of splendid service at West Granville, Miss Avis Brown, resigned to accept the principalship of an elementary school in Marshfield. She well deserved her promotion. Miss Lucille Clark of Sanford, Maine succeeded her. She is a graduate of the Farmington Normal School and has taught in Readfield, Maine and in Norridgewock, Maine.

Late in the summer, Miss Olive Dutton who had taught the upper room at West Granville for nearly two years resigned to accept a position in the Nantucket Junior High School. Miss Eileen Ryan of Westfield, Mass. succeeded her. Miss Ryan graduated from the Westfield Teachers' College in 1941 with a degree of B. S. E. Her interests are in literature, music and athletics. She is listed in Who's Who among College Students.

Last year we noted the resignation of Miss Croken as school nurse. Later, Miss Ruth Stiles, R. N. of Northampton was chosen school nurse. She has had health nursing

service in Greenfield and in Smith College. All of our new teachers and the nurse are doing superior work. Our Standards have never been higher.

STATISTICS

Attention is called to the reports, tables and statistics accompanying this report. One other interesting fact is from the latest available state report (1939). Then our local school tax rate was 8.06 per thousand as compared with the state average of 9.95, and an average of 10.08 for the small towns of the state.

In conclusion, may we express appreciation to the fine people of Granville for their splendid support of the superintendent and school committee, sometimes under trying circumstances. By keeping united we have kept school morale and efficiency high.

Respectfully,

M. C. MOORE.

REPORT OF THE

Music Supervisor

West Granville, Mass.,

Mr. M. C. Moore, Superintendent,
Granville, Mass.

Dear Mr. Moore:

Following is a report of the work done in music in the Granville schools during the year 1941:

The first part of the year was given over to reviewing technical work done during the first four months of the school year and to present new music methods leading to more advanced work.

The Fife and Drum Corps played as usual on Memorial Sunday and appropriate songs and verses were also given by different grades.

The months of May and June were spent in preparing songs for Graduation; and the year closed with an informal Christmas program of carol-singing.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

REPORT OF THE

School Nurse

January 1941 to January 1942

The school nurse spends twenty school nursing days in Granville during the school year.

In May, Dr. Hester immunized twelve pre-school and school children against diphtheria.

The dental clinic was held at the Southwick school from September until November. Dr. Joseph Kisiel examined all of the pupils. 6 were cared for at the clinic. 35 received attention from outside dentists. Two pupils who were absent on clinic days were taken to Westfield for this examination.

In September and October, Dr. Hester gave the annual physical examinations. Parents of pupils, who had sufficient defects to need attention, were notified. This number in Granville was exceptionally small. Colds were probably the chief cause for pupils being absent from school. Four pupils were absent in October due to a glandular sickness.

The children were weighed and measured twice during the school year.

Due to the splendid cooperation and kind interest between community leaders and teachers, much corrective work was accomplished. Three pupils had tonsilectomy operations at Noble Hospital in Westfield. One pupil with vision defect was examined and glasses were obtained.

Respectfully submitted,

RUTH E. STILES, R. N.

School Nurse.

PERTINENT SELECTIONS FROM U. S. DEFENSE BULLETIN NO. 4712

WHAT SCHOOL TEACHERS AND PUPILS SHOULD DO DURING AN AIR RAID. OFFICIAL—By the U. S. Office for Civilian Defense.

Emergency Instructions for Schools Until Further Notice!

1. What to do when the Air Raid Warning Sounds.

Do not permit any pupils to leave the building.

Do not permit any pupils to return to classrooms until the "All-Clear" signal is given.

Do not send the pupils home.

These protective measures will require organization, planning, training, and drill. They should be started at once.

2. Air Raid Drill.

Use your fire drill organization to get pupils to the Air Raid Refuge. Have them file from the classroom the same way, in the same order, under the same leaders. But take them to the Air Raid Refuge.

3. The Air Raid Refuge.

The chance of a direct hit on any individual building is very small. You must guard against the blast of nearby high-explosive bombs and incendiaries and falling fragments of anti-aircraft shells.

You must get away from windows, and from open doors. The large inside halls of most schools are suitable for an Air Raid Refuge. (Do not use the halls on the top floor of the building) The cellar is a suitable Air Raid Refuge provided there are plenty of exits and provided any windows to the outside can be protected by a layer of sandbags.

Select the most protected places in the building—be sure they provide enough capacity to hold everyone without crowding. Be sure there is more than one exit.

4. Deals with incendiaries.
5. 6. 7. 8. Deals with the organization and conduct of Air Raid Drills in schools.

PARENTS!

9. If an air raid should come while your children are at school, see to your own safety. Stay home, go to your refuge room, stay away from windows.

In an Air Raid, Rule Number 1 is to stay off the street, get under cover. On the street, there is the risk of falling shell fragments, racing cars, and fire apparatus. Stay indoors.

Do not try to telephone. The wires must be kept clear for the wardens, the police, and the fire department. You might prevent an urgent message from getting through.

This is hard advice. It's not easy to take. But it is for your best interest and for the welfare of your children.

U. S. OFFICE OF CIVILIAN DEFENSE,

Fiorello H. LaGuardia, Director,

Washington, D. C.

REPORT OF THE
State Audit

July 29, 1941

To the Board of Selectmen

Mr. Nels H. Olsen, Chairman
Granville, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Granville for the period from April 30, 1939 to May 3, 1941, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

Director of Accounts

Mr. Theodore N. Waddell, Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Granville for the period from April 30, 1939, the date of the previous audit, to May 3, 1941, and submit the following report thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or sending out bills for collection, were examined and checked.

The surety bonds of town officials required to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The receipts for licenses issued by the selectmen were checked with the record of licenses granted. The payments to the treasurer were verified and the licenses granted but unissued were listed.

The books and accounts of the treasurer were examined and checked. The recorded receipts were compared with the departmental records of payments to the treasurer and with the other sources from which money was paid into the treasury. The payments were checked with the selectmen's warrants, the cash book additions were verified, and the cash balance on May 3, 1941, was proved by actual count of the cash in the office and by reconciliation of the bank balance with a statement received from the depository.

It is recommended that the treasurer reconcile his cash balance at frequent intervals, so that any clerical errors may be located and corrected promptly.

It was noted that in April, 1939, the selectmen purchased a grader for \$360, and monthly rentals of \$25 have been paid to be applied towards the purchase price. Payments of \$175 and \$50 were made in 1939 and 1940, respectively, for rentals and were charged to the road machinery account, the balance of \$135, plus \$33.46 for freight charges, having been paid in 1941, prior to the annual town meeting. The selectmen also purchased in February, 1940, a snow plow, the cost of which, with additional equipment and freight charges, was \$480. Monthly rental charges of \$50 have been paid on this equipment to be applied towards the purchase price. Under this arrangement \$200 was paid as rentals in 1940 and the balance of \$280 was paid in 1941 prior to the annual meeting.

In connection with the purchase of the above equipment, it should be noted that although the warrant for the 1940 annual meeting contained two articles under which it was proposed to transfer \$218.46 from the machinery account to pay the balance on the grader, and \$480 to pay for the snow plow, no action was taken by the town meeting on these two articles, but the selectmen nevertheless paid for the equipment which was purchased by them prior to the town meeting.

It was also noted that between January 1, 1941, and the annual meeting, the selectmen authorized the payment of previous years' bills for repairs, gasoline, oil, parts, and accessories for town-owned equipment, totaling \$927.69. This amount, together with the balances paid on the equipment purchased, made a total of \$1,376.15 which was paid in 1941 for previous years' bills. The present board of selectmen have on file two bills amounting to \$251.13 which were incurred in 1940 and which were unpaid on the audit date. These transactions clearly represent an attempt to circumvent the provisions of Section 31, Chapter 44, General Laws, which prohibits the incurrence of liabilities in excess of appropriations, a penalty

for violation of which is provided in Section 62, Chapter 44, General Laws.

The books and accounts of the tax collector were examined and checked in detail. The tax accounts outstanding according to the previous examination were audited, and all subsequent commitments were reconciled with the assessors' warrants. The recorded collections were checked in detail, the payments to the treasurer were verified, the abatements were compared with the assessors' record of abatements granted, and the outstanding accounts were listed and proved.

To prove the outstanding accounts, verification notices were sent to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the outstanding accounts, as listed, are correct.

Interest and costs on delinquent taxes should be collected in accordance with Section 57, Chapter 59, and Sections 15 and 15A, Chapter 60, General Laws.

Although attention was called in the previous audit report to the provisions of Section 15A, Chapter 41, General Laws, the town clerk has failed to certify the amounts appropriated from the road machinery fund to the machinery account in 1940 and 1941, totaling \$4,744.21 and \$5,443.70, respectively. The town clerk is required to certify all appropriations to the assessors in detail, with the provisions made for meeting the same, so that the assessors may comply with the provisions of Section 23, Chapter 59, General Laws.

The savings bank books and securities representing the investment of trust funds in custody of the treasurer were examined and listed, the income being proved and the withdrawals being verified.

The payments on account of debt and interest were compared with the amounts falling due during the period covered by the audit and with the cancelled securities on file.

The financial accounts of the town clerk were examined and checked. The receipts for dog and sporting licenses were checked with the record of licenses issued. The payments to the treasurer and to the Division of Fisheries and Game were verified and the cash on hand May 3, 1941, was proved by actual count.

The records of bills sent out for collection by the public welfare department, including the bureau of old age assistance, were examined and checked in detail. The departmental records of charges were analyzed, the recorded collections were compared with the payments to the treasurer, and the outstanding accounts were listed and proved.

The accounts of the sealer of weights and measures were examined. The receipts were checked with the record of work done and the payments to the treasurer were verified.

The librarian's record of fines were checked. The payments to the treasurer were verified and the cash on hand May 19, 1941, was proved by actual count.

Ledger accounts were compiled, and a balance sheet which is appended to this report was prepared showing the financial condition of the town on May 3, 1941. In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust funds.

For the cooperation received from the several town officials while engaged in making the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE

Assistant Director of Accounts

ANNUAL REPORT

of the

TOWN OF GRANVILLE

Massachusetts

Year Ending December 31, 1942

Printed by
STERLING PRESS, INC.
Westfield, Mass.

REPORT OF THE LIBRARY MASTER To the citizens of the Town of Knoxville

The library has 407 books of which 100 were in circulation during the past year. The town children received reading certificates to the amount of \$1.00 a year in return of the books. A list of \$1.00 a year in return of the books was presented to the library clerk by the children, and the books were used for children's books.

The library also has 100 books of which 100 were in circulation during the past year. The town children received reading certificates to the amount of \$1.00 a year in return of the books. A list of \$1.00 a year in return of the books was presented to the library clerk by the children, and the books were used for children's books.

REPORT OF THE LIBRARY TRUSTEES To the citizens of the Town of Granville

The Library has 6847 books of which 1888 were in circulation during the past year. Sixteen children received reading certificates. A gift of \$5.00 a year in memory of Mrs. John Degano was presented to the library club by her daughter, Miss Mary Degano. This gift will be used for children's books.

The Library club has supplied magazines for the reading room and has financed one-half of the janitor's salary and one-half of the running expenses of the library building.

Copy of Town Warrant

COMMONWEALTH OF MASSACHUSETTS

Hampden, ss.

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of Granville, in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, February 8, 1943, then and there to act upon the articles which follow.

The polls will open at 10 o'clock A.M. and close at 7 o'clock P.M. unless the time for closing be extended by vote of the town.

ARTICLE 1. To bring in and deposit their ballots for one Moderator, one Tax Collector, one Town Treasurer, one Town Clerk, one Tree Warden, two Constables, two Auditors, three Citizen's Town Committee, three Selectmen, each for one year, one Assessor for three years, one Library Trustee for three years, one School Committee for three years.

ARTICLE 2. To choose all necessary Town Officers.

ARTICLE 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee and act thereon.

ARTICLE 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1943.

ARTICLE 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to

borrow on and after January 1, 1944, in anticipation of the revenue of the financial year ending December 31, 1944.

ARTICLE 6. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow from time to time in anticipation of the revenue of the financial year beginning January 1, 1943, and to issue a note or notes therefor, payable in one year and renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

ARTICLE 7. To see if the Town will vote to raise the salaries of the Board of Assessors \$25 each beginning January 1, 1943.

ARTICLE 8. To see if the Town will vote to raise the Treasurer's salary \$50. beginning January 1, 1943.

ARTICLE 9. To see if the Town will vote to raise \$120 to pay a 1942 Trade School tuition bill.

ARTICLE 10. To see if the Town will vote to transfer the Machinery Fund (\$4,650.36) to maintain the Machinery Account of 1943.

ARTICLE 11. To see if the Town will vote to close out the \$57.02 remaining in the West Granville School Construction Account.

ARTICLE 12. To see if the Town will vote to raise \$100 for maintenance and equipment for the Fire Department.

ARTICLE 13. To see if the Town will vote to raise \$50. annually for Granville Center Hydrant Service.

ARTICLE 14. To see if the Town will vote to have the following article added to the Town By-laws: Fifteen shall be a quorum at any Town Meeting.

ARTICLE 15. To see what sums the Town will raise for General Government.

ARTICLE 16. To see what sums the Town will raise for Town Buildings.

ARTICLE 17. To see what sums the Town will raise for Educational purposes.

ARTICLE 18. To see what sums the Town will raise for General Highway purposes.

ARTICLE 19. To see what sums the Town will raise to pay the Town Notes for the ensuing year.

ARTICLE 20. To see what sums the Town will raise for the Reserve, Insurance and Liability Funds.

ARTICLE 21. To see what sums the Town will raise for Public Welfare.

ARTICLE 22. To see what sums the Town will raise for the Protection of Persons and Property.

ARTICLE 23. To transact any other business which may legally come before this meeting.

And you are directed to serve this warrant by posting attested copies thereof in each of the usual places in Town for posting such notices seven days at least before the time of holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this twenty-eighth day of January in the year of Our Lord one thousand nine hundred and forty-three.

NELS H. OLSEN,
WALTER A. PHELON,
BUELL S. DICKINSON,
Board of Selectmen.

REPORT OF THE
Board of Selectmen

To the Citizens of Granville:

The Land Court hearing between Russell and Granville which began in December, 1940, came to a successful conclusion October 28, 1942. A table showing itemized cost to the Town is stated below:

Attorney's fees	\$10,800.00
Attorney's expenses	139.98
Witnesses	55.00
Survey Russell-Granville Town line	144.72
Electro-copying	8.00
Perambulation copies	4.50
Court Stenographer	668.74
<hr/>	
Total	\$11,820.94
Appropriations:	
Overlay Reserve	3,000.00
Surplus Revenue	8,800.00
Direct taxation	200.00

Material collected by our attorneys will be at the Selectmen's Office on Town Meeting day and will be available to anyone interested in examining it.

We made some progress this year toward a Fire Department. At present we have the fire truck, a fire pumper, hose and equipment. We hope to have this equipment assembled by Town Meeting Day. It is recom-

mended by this Board that the Town consider installing a front end pump and make six more Water Holes. The Water Holes made this year are on the following streets: 3, South Lane; 1, Water Street; 1, Granby Road; 2, Cross Road; 1, Silver Street; 2, Lake Street; 4, Main Road in West Granville; 1, Barnard Road; 1, North Lane No. 2.

We recommend that the citizens of Granville give some consideration to repairs on the Town Hall. The past two years we have repaired both chimneys and both furnaces and made other minor repairs. At present the roof of the building, the front entrance and the east portico are badly in need of repairs and the inside of the building needs new paint and some plaster.

At the end of this year, we have four miles of road ready for resurfacing next year; and three miles of new construction ready for oil next year.

Chapter 90 Maintenance provided 1.1 miles of resurface with trap rock covering on the Granby Road and 1.5 miles of tar with sand covering on the Main Road; also 800 feet of side drainage.

The Town appropriation for improving secondary roads together with a thousand dollars from the County provided .2 of a mile of construction ready for oil on the Cross Road and .25 of a mile of new construction on the Blandford Road. Remaining funds were used for sanding on North Lane No. 2, Beech Hill and the Old Westfield Road.

Chapter 81, Resurface treatment:

Cross Road	1/4 mile	Barnard Rd.	1/5 mile
Old Westfield	9/10 "	Wild Cat	1 "
So. Lane No. 1	2/5 "	No. Lane No. 2	2/5 "
Water St.	1/5 "	Beech Hill	1/2 "
W. Hartland	2/5 "	Clement Road	1/2 "

Chapter 81, New Construction:

Cross Road	1/5 mile	Water St.	3/10 mile
Old Westfield	1/2 "	Barnard Road	2/5 "
So. Lane No. 1	3/10 "	No. Lane No. 2	2/5 "
	Beech Hill		1/2 mile

This makes a total of approximately $2\frac{1}{2}$ miles of new construction. Money for asphalt was furnished from:

Chapter 81	\$ 207.69
Town	\$1,557.84

An itemized report of expenditures follows:

Respectfully submitted,

NELS H. OLSEN,

WALTER A. PHELON,

BUELL S. DICKINSON,

Board of Selectmen.

170 Votes cast.

Finance Committee Appointed — Harry E. Jensen, Joseph L. Dickinson, Ralph R. Roberts, Porter T. Frisbie, Kenneth Ripley.

SPECIAL MEETING—March 30, 1942

ARTICLE 1. To accept Noble & Cooley Co. offer.

ARTICLE 2. To raise and appropriate \$1,000.00 for the purchase of a 200-gallon-a-minute fire pump and 2000 feet of hose.

ARTICLE 3. To raise and appropriate \$300.00 for the purchase of a truck for the Fire equipment.

ARTICLE 4. To raise and appropriate \$700.00 for the construction of Water Holes.

SPECIAL MEETING—June 22, 1942

ARTICLE 1. To take \$285.00 from Machinery Account to buy a Sander.

ARTICLE 2. To transfer \$100.00 from Surplus Revenue for Law and Order.

ARTICLE 3. To transfer \$325.00 from Surplus Revenue for the Clerk of the Rationing Board, beginning June 1, 1942 and incidental expenses pertaining to the Rationing Board.

SPECIAL MEETING—September 8, 1942

ARTICLE 1. To appropriate \$1,500.00 of Surplus Revenue for Law.

ARTICLE 2. To appropriate \$1,000.00 of Overlay Reserve for Law.

ARTICLE 3. To raise and appropriate the sum of \$2,500.00 for Legal Purposes and to meet the said appropriation. The Treasurer, with the approval of the Selectmen be and hereby is authorized to borrow \$2,500.00 under the provisions of Chapter 44, of the General Laws, and to issue a note or bond of the Town therefor under the provisions of Chapter 44 of General Laws, said note or bond to be payable in one year.

SPECIAL MEETING—November 23, 1942

ARTICLE 1. Voted to rescind the vote taken September 8, 1942, namely, to borrow \$2,500.00 for Law.

ARTICLE 2. To appropriate \$1,800.00 from Surplus Revenue for Law.

ARTICLE 3. To transfer \$200.00 which the Town appropriated for Snow Fence to the Winter Roads account.

ARTICLE 4. To sell the stove stored at Beech Hill School House for \$10.00.

ARTICLE 5. To give all hourly paid Town employees a raise of ten cents (10c) per hour.

HARRY A. ROOT, Clerk.

REPORT OF THE
Board of Public Welfare

To the Citizens of Granville:

The year 1942 shows another definite decrease in welfare expenditures in all categories of relief. At present we are carrying only two cases in the unemployable group and no cases in the employable group. Ten persons received Old Age Assistance. Six are Granville settled, 2 are State cases and two have settlements elsewhere. No new applications were received. An itemized account of expenditures according to category follows:

Temporary Aid

Food	\$312.24	
Clothing	21.16	
Medical	21.00	
Board and care	17.75	
City of Holyoke	244.40	
Hospital at Pondville	65.00	
Tewksbury State Hospital	469.29	
Total		\$1,150.84

Old Age Assistance

Direct grants to recipients	\$2,813.84	
Doctor	65.00	
Medicine	46.80	
Hospital	57.00	
Total		\$2,982.64

Respectfully submitted,

BELLE B. PENDLETON,
Social Worker.

REPORT OF THE
School Committee

To the Citizens of Granville:

The School Committee organized with Milton Hansen as chairman and Alice Frisbie as secretary. There are two new teachers on our staff this year. Miss Young of the Hampden Tuberculosis Association has been doing our school nursing work during the fall term.

During the summer, the primary room was painted. The classroom floors at West Granville were sanded and refinished.

New arrangements had to be made in transporting pupils to High School because of tire and gas rationing. We are now transporting our pupils in two busses. The committee appreciate the way the parents and pupils have co-operated in accepting the new arrangements.

The drastic fuel situation has made it necessary for the committee to make plans to convert to coal. The change will be made as soon as we are able to get the grates.

We wish to thank the teachers and parents for their co-operation.

G. MILTON HANSEN,
MIRIAM H. DICKINSON,
ALICE M. FRISBIE.

REPORT OF THE
Superintendent of Schools

To the School Committee and
Citizens of Granville:

Herewith is submitted my thirteenth annual report, it being the fortieth of such reports in this Union.

We are entering an air age. We have scarcely begun to realize what this means. At a stroke, we have a new geography in which the Arctic Sea becomes an inland lake, and round about is grouped most of the land masses of the Earth, with every portion easily accessible to the airplane. The implications are beyond prediction. It is clear that we must permanently keep a big navy, a sizeable army and a huge military air force in instant readiness against some future Pearl Harbor. In the post-war World, we can well imagine the time when a considerable commerce will be carried four miles up, and passengers will travel by plane as frequently as by train. Already air freight rates are down to six cents per ton mile and air passenger rates are little higher than Pullman fares.

All this creates a new situation for our elementary schools. We must completely revise our teaching of geography and greatly modify and intensify our teaching of mathematics, science and physical education. Some attention must be given to pre-flight aeronautics, airplane modelling and to simple meteorology. An intensive study of nutrition is desirable, as the most practical and the quickest means for reaching the homes. When the housewife cannot get butter she should realize that not only must she get a new source for needed fats but she

must find a new source of vitamin A. What are the sources of vitamin A? As each new food scarcity arises, what is taken from our diet, and where are the replacements? The upper grade pupil should be able to answer.

Already, our schools have done much directly to further the war effort and they must take an increasingly active part. This will take the form of participating in the sale of war savings stamps and bonds, Junior Red Cross work, first aid, home hygiene, home nursing and child care, conservation projects, victory gardens and poultry clubs. When the government needed scrap, they appealed to the schools and school children got it moving. When the United States Mint wanted to get hidden pennies into circulation, they appealed to the school children of America, and the pennies came out of hiding. By the use of surplus commodities and the government penny-a-bottle milk program, the schools are doing much to keep up the National health standards. Because of lessened medical services, we should pay close attention to this matter. A child who has a hard cold should stay at home, not only for his own protection but to prevent the spread of colds throughout the school, always remembering that most contagious diseases "come down" like a cold. The "cold" may be something worse. Parents are also urged to consult the family dentist frequently, since we can no longer find a dentist to carry on a school dental program.

Our school houses have been used as rationing centers, with the indirect advantage that people and teachers have become better acquainted. Most citizens have appreciated the long hard hours that teachers have freely given to this work, trying as best they could to adjust complicated regulations and inadequate materials to the needs of individual citizens. It may be, as time goes on, that our schoolhouses will be used as evacuation centers,

air raid centers or for other purposes as yet entirely unforeseen. If so, we shall be ready.

There is one other duty devolving on our schools, the most important of all. In this crisis, the teaching of history and citizenship must be emphasized as never before. There is little sense in fighting a war to preserve democracy unless our children shall learn what democracy means and shall learn how to use freedom. They must learn that true freedom is law-abiding; and we adults must learn that children cannot be goose-stepped into democracy. The schools must teach the Constitution and the Bill of Rights as permanent bulwarks of our liberty. It may be, as President Roosevelt says, that the preservation of our form of government depends upon the schools.

We should not lose sight of the fact that most of our elementary pupils, particularly in the lower grades, will come to maturity in a post-war world. The schools must therefore re-tell the legends and relate anew the tales of ancient story, preserve the richer values of life, teach its beauty, give deeper meaning to its music and inculcate devotion to what is right and true. Along with its war duties, the school must ever serve as a haven to protect little children from the stresses and turmoil of the times.

The past year saw a change in personnel at West Granville. Miss Ryan resigned to accept a position in Southwick and Miss Clark resigned to be married. Miss Mae Kieliszek, a graduate of the Westfield Teachers College, was elected to the upper room and Miss Marie Russo, a graduate of Framingham Teachers' College was elected to the lower room position. Both are well trained and both are doing good work. Miss Ruth Stiles, the school nurse, resigned in the Fall for advanced training preparatory to entering government service. Miss Young of Springfield took her place.

All of our schools have taken an interested and vital part in the war duties that have been assigned to schools and they are making the changes in curriculum that have been referred to in the early part of this report. Unusually strong interest in simple pre-aviation subjects is manifest. Indeed, in both schools, substantial progress is in evidence in all phases of school work. Granville is not afraid of the word "rural". Our school work is on the basis of common sense adaption to local needs, consequently Granville is coming to be known throughout this area not only as possessing two unusually fine school buildings but also as maintaining one of the outstanding school systems among the small towns of this section of the state.

The war has brought radical changes in the transportation of school children in most towns, and Granville is no exception. Our high school pupils could no longer be carried in private cars and so the school bus was used for this purpose at the East end of the town. This necessitated bringing in the elementary pupils later and beginning school at the Village School at 10 a.m. School keeps until 4 p.m. Also, by government direction, we could no longer consider requests for bus trips down side roads. We are supposed to require such pupils to walk to school or to the bus for any distance up to two miles, although we are permitted to carry pupils a less distance who live on regularly established bus routes.

Attention is called to the statements by the music supervisor and school nurse, also to the statistics. We should not close this report without giving especial recognition to those workers who have come into the schools at each rationing period and have given so generously of their time to assist the teachers in registration work. Just as the Nation could have handled this task through no other organization than the schools, the teachers would

have found the work too arduous without the help of many patriotic citizens. Hope, progress and service should continue to be our watchwords during 1943.

Respectfully submitted,

M. C. MOORE.

REPORT OF THE
Music Supervisor

Granville, Mass., Jan. 6, 1943

Mr. M. C. Moore, Superintendent,
Southwick, Mass.

Dear Mr. Moore:

Following is a report of the musical activities in the Granville schools during the year 1942:

For the first four months of the year the music schedule included new songs each week, together with the teaching of technical problems necessary to learn these songs.

In the spring season special attention was given to health and safety songs correlating with the activities of the health department of the school.

On Memorial Sunday the school Drum Corps played appropriate selections and various songs and poems were rendered by various groups and individuals.

At the Graduation Exercises in June the school Chorus sang several songs.

During the fall season much attention was given to the patriotic songs being used by the Armed Forces of America, namely—Army Song, Marine's Hymn, Navy Song and the Coast Guard Song; together with the popular war songs of today.

The year closed with a miscellaneous Christmas program presented by all the grades.

Respectfully submitted,

HELEN M. JOHNSON,
Music Supervisor.

REPORT OF THE
School Nurse

January 1942 to January 1943

The yearly physical examinations were made by Dr. R. D. Hester in September, and parents notified of defects needing correction. Seventeen pupils were in need of dental service and two had enlarged tonsils.

The pupils were weighed three times during the year, vision and hearing tested, and records made of all findings. Miss E. M. Herlihy, Supervisory Nurse for the State Department of Health, supervised the testing of hearing with the use of an audiometer loaned by the State.

Fifteen class-room inspections were made and ten children excluded from school because of chicken-pox and German measles. In October and November there were many absent because of whooping cough. Four children were referred to school physicians for special examination and advice. One child was taken to Clarke School at Northampton for examination and advice because of speech defect.

There were seven class-room talks on hygiene and many conferences with teachers, parents, pupils and others regarding health needs of the pupils.

Fifteen home calls were made.

The school service was carried on by Misses Ruth Stiles and Luella Young. Miss Stiles served from January to October, at which time she left to take a Public Health Nursing Course at Western Reserve University.

Respectfully submitted,

LUELLA I. YOUNG, R.N.

REPORT OF THE
State Audit

December 10, 1942

To the Board of Selectmen
Mr. Nels H. Olsen, Chairman
Granville, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Granville for the period from May 4, 1941, to October 17, 1942, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Granville for the period from May 4, 1941, the date of the previous examination, to October 17, 1942, and submit the following report thereon:

The financial transactions, as recorded on the books of the several departments collecting or disbursing money for the town, or sending out bills for collection, were examined, checked, and verified.

The books and accounts of the town treasurer were examined and checked in detail. The receipts, as recorded, were analyzed and checked with the records of the departments collecting money for the town and with the other sources from which money was paid into the town treasury. The payments were compared with the treasury warrants approved by the board of selectmen authoriz-

ing the treasurer to disburse town funds. The cash book addition was verified and the cash balance on October 17, 1942, was proved by reconciliation of the bank balance with a statement received from the bank of deposit.

The payments of debt and interest were proved by comparison with the amounts falling due and with the cancelled securities and coupons on file.

The securities, including savings bank books representing the investment of trust funds in the custody of the town treasurer were examined and listed, the income being proved and the withdrawals verified.

It has been the practice of the treasurer to turn over pay-roll checks of the highway employees to the highway surveyor and some of the checks for aid due old age assistance recipients to the old age assistance supervisor for distribution. In this connection attention is called to Section 35, Chapter 41, General Laws, which provides that the town treasurer shall pay all bills of all departments. It is therefore recommended that all checks be either distributed by the treasurer to the payees or mailed to them by him whenever personal delivery is not practical.

The books and accounts of the tax collector were examined and checked in detail. The tax accounts outstanding at the time of the previous examination and the subsequent commitment lists of all taxes committed were audited and proved with the warrants given by the assessors for their collections. The recorded collections were compared with the payments to the treasurer, the abatements were checked with the assessors' records of abatements granted, and the outstanding accounts were listed and proved.

The outstanding accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The tax collector's cash on hand October 17, 1942, was verified by actual count.

The financial transactions of the town clerk were examined. The receipts for dog and sporting licenses were checked with the record of licenses issued, the payments to the State and town treasurers were verified, and the cash on hand October 17, 1942, was proved by actual count.

The surety bonds filed with the town by the town clerk, treasurer, and tax collector were examined and found to be in proper form.

The appropriations voted by the town were listed from the town clerk's record of town meetings. It was noted that the expenditures charged against highway projects carried on in co-operation with the State and County were in excess of the funds available for these purposes. Such overdrafts could have been avoided if the treasurer had borrowed the necessary funds in accordance with Section 6A, Chapter 44, General Laws.

The computation of the tax rates prepared by the assessors was examined, and it was noted that the aggregate amount of appropriations raised by the assessors in 1941 was \$40 in excess of the amounts voted by the town meetings. It was further noted that in 1942 the amount of \$221.11 raised for the County tuberculosis hospital assessment was duplicated and included in the aggregate amount of appropriations voted by the town.

The receipts for licenses issued by the selectmen were checked with the record of licenses granted. The payments to the treasurer were compared with the recorded receipts, and the cash on hand October 17, 1942, was verified.

It was noted that while a number of individuals are engaged in the storage and sale of gasoline in the town, no permits or licenses for the storage of gasoline, as required by law, have been issued.

The receipts for the rental of the town hall were checked, the payments to the treasurer were verified, and the cash on hand October 17, 1942, was proved by actual count.

The recorded receipts of the sealer of weights and measures were checked with the record of fees charged, and the payments to the treasurer were verified.

The records of accounts receivable of the public welfare department for aid to dependent children and old age assistance were examined. The charges were listed and added, the payments to the treasurer and the abatements were checked and verified, and the outstanding accounts were listed and proved.

The receipts of the librarian for fines, etc., were checked, the payments to the treasurer were verified, and the cash on hand October 30, 1942, was verified by actual count.

Ledger accounts were compiled, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on October 17, 1942.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, together with tables showing the trust fund transactions.

For the co-operation received from all own officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,
Assistant Director of Accounts.

1942 Report of the Trustees For County Aid to Agriculture And The Hampden County Improvement League

Town of Granville

AGRICULTURAL WORK

During the year practically the same agricultural projects were carried on that were started in 1941. Due to the War effort however, many new activities required the attention of the County Agent. As secretary of numerous War Action Committees he was in a position to advise and assist many farmers in connection with carrying out the various recommendations, regulations and orders of the Federal Government.

HOME BUREAU WORK

During the year one hundred twenty-five different co-operators in Granville participated in six different projects conducted by fifteen volunteer leaders who had nine meetings or demonstrations. Considerable help was given at the canning demonstration on new methods and technics of food preservation. This was a project very well received by all who attended. Two meetings were also conducted in cooperation with the P. T. A. with excellent results.

The following leaders were in charge of the various home projects and the total expenses incurred by them was \$7.49.

Mrs. Lena Humphrey, Mrs. Myrtie Humphrey, Mrs. Carl Bloomberg, Mrs. Ralph Doran, Mrs. Lempie Dickinson and Mrs. Cora Welch.

4-H CLUB WORK

There were ninety-six young people enrolled in different 4-H Club projects during the year. The gardening project seemed to be the most popular, having the largest enrollment, followed by handicraft, canning and food. Edward Roberts was the State winner in the Victory Efforts Contest and received a \$25.00 War Bond.

The following were volunteer leaders who had charge of the 4-H Club work in the town and the total expenses incurred by them was \$48.45.

Mrs. Willard Tryon, Mrs. Ralph Doran, Mrs. Leland, Hunt, Miss Norma Hansen, Miss Cecelia Hansen, Miss Rose Bruno and Mrs. Lempie Dickinson.

FINANCIAL STATEMENT

1942 appropriation	\$50.00
Balance carried over from 1941	5.94
	<hr/>
	\$55.94
* Expended in 1942	55.94
	<hr/>
Balance available for 1943	00.00

Amount Recommended for 1943—\$75.00.

* Local leaders as listed above incurred these expenses and they received checks directly from the County Treasurer who handles the town appropriation for the Trustees according to Chapter 128 of the General Laws.

Respectfully submitted,

Trustees For County Aid To Agriculture

L. B. BOSTON, Clerk

REPORT OF THE

Respectfully submitted,

GRANVILLE CENTER WATER COMPANY
Holland N. Stevenson, Treasurer

By-Laws of the Town of Granville, Mass.

ARTICLE I—General Provisions

Section 1. These by-laws shall be known and designated as by-laws of the Town of Granville, Massachusetts.

Section 2. All by-laws or parts of by-laws heretofore adopted, which are inconsistent with the provisions of these by-laws are hereby repealed and annulled. But the provisions of these by-laws as far as the same are identical with the provisions of by-laws heretofore adopted shall be construed as a continuation thereof.

Section 3. The repeal of a by-law heretofore adopted shall not affect any act done, ratified or confirmed by any right accrued or established, nor any action suit or proceeding commenced nor affect any punishment, penalty or forfeiture incurred under such by-law.

Section 4. These by-laws shall take effect when duly adopted by a Town Meeting, approved by the Attorney General of the Commonwealth of Massachusetts and published or posted pursuant to Section 32 of Chapter 40 of the General Laws or any act or acts amendatory thereof or supplementary thereto.

ARTICLE II—Town Meetings

Section 1. The annual Town Meeting shall be held on the first Monday in February of each year.

Section 2. Notice of the annual Town Meeting as well as all special meetings shall be given by posting attested copies of the warrant calling same, in at least three public places in Town, not less than seven days before date appointed for such meeting, and the return of the officer, stating the manner of notice, shall be endorsed on the warrant.

Section 3. All special meetings shall start at 8 o'clock P.M.

ARTICLE III—Town Meeting Procedure

Section 1. The moderator shall preserve decorum and order, may speak on points of order in preference to others, and shall decide all questions of order.

Section 2. When any voter shall require a question to be determined by yeas and nays, the moderator shall take the sense of the meeting in that manner, provided one-third of the voters are in favor of it.

Section 3. The Moderator shall propound all questions in the order in which they are moved, unless the subsequent motion be previous in its nature, except that in naming sums and fixing times the largest and longest sums shall be first.

Section 4. When a question is under debate the Moderator shall receive no question but to adjourn, to lay on the table for the previous question, to postpone to an hour certain, to amend or to postpone indefinitely: Which several motions shall have precedence in the order in which they stand arranged.

Section 5. When two or more persons arise at once the Moderator shall name the one who is to speak first.

Section 6. No voter shall speak more than three times on one question, without first obtaining leave of the meeting, no more than twice until others who have not spoken shall speak if they desire.

Section 7. All committees shall be appointed by the Moderator unless otherwise specially directed by the meeting.

Section 8. When any voter shall make a motion and such a motion shall be seconded by another the same shall be received and considered by the meeting and not otherwise.

Section 9. When a vote is passed it shall be in order for any one of the majority to move for a reconsideration thereof, and when a reconsideration is decided that decision shall not be reconsidered.

Section 10. No one shall be allowed to interrupt while another is speaking or pass unnecessarily between the Moderator and the speaker.

Section 11. Every motion shall be reduced to writing if the Moderator so desires.

Section 12. Any voter may call for a division of the question where the sense will permit it.

Section 13. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

Section 14. When a vote is doubted the voters for or against the question, when called on by the Moderator shall rise and stand until they shall be counted.

Section 15. Individuals while speaking shall stand uncovered and address the Moderator.

Section 16. Smoking shall not be permitted at any annual or special meeting.

Section 17. A motion to adjourn without date shall be debatable but a motion to adjourn to a day certain shall not be debatable.

ARTICLE IV—Selectmen

Section 1. The Selectmen shall have full authority as agents of the Town, acting on advice of special council to settle any claim or suit against the Town which in their judgment cannot be successfully defended, when the sum does not exceed five hundred dollars. Any settlement requiring the payment of a sum greater than five hundred dollars, except as authorized by law, shall be made only when so authorized by vote of the Town.

Section 2. The Selectmen may appear in the interests of the Town, either personally or by special counsel before any court, committee of the Legislature, or any state or county board or commission. They shall have full authority as agents of the Town, acting upon advice of special counsel, to prosecute any and all necessary suits and proceedings in favor of the Town and to appear and defend any and all suits and legal proceedings against or involving the Town interests.

Section 3. The Selectmen shall have authority to make parking rules and set speed limits.

ARTICLE V

Section 1. No person not a resident of the Town can be employed in any capacity, on any project of the Town provided that there is a resident who is qualified and available for any position that may be open.

ARTICLE VI—Treasurer

Section 1. The Treasurer shall be custodian of all trust funds, deeds, bonds and insurance policies belonging to the Town, except the bond of the Treasurer which shall be in the custody of the chairman of the Board of Selectmen.

ARTICLE VII—Finance Committee

Section 1. The Moderator shall appoint a Finance Committee of five members for a term of three years from date of appointment or to fill any vacancies that may occur.

Section 2. It shall be the duty of the Finance Committee to make recommendations relative to all appropriations. They shall make a study of the estimated requirements submitted by the Board of Selectmen and all other department officials and publish their recommendations in the Town report.

Section 3. The recommendations of the Finance Committee shall stand as a motion before the meeting.

Section 4. The Finance Committee shall require from the Selectmen, Assessors, School Committee or any other Town officials an itemized account of all expenditures not later than December twenty-first of each year.

Section 5. A copy of the warrant calling any meeting shall be furnished the chairman of the Finance Committee at least seven days prior to the date of meeting as designated in the warrant.

ARTICLE VIII—Penalties

Section 1. Any person violating any section of these by-laws shall be subject to a fine of not more than twenty dollars.

The foregoing by-laws were approved by the Attorney General Devers, December 14, 1939.

COMMONWEALTH OF MASSACHUSETTS

Hampden, ss.

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of Granville, in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, February 14, 1944, then and there to act upon the articles which follow:

The polls will open at 10 o'clock A.M. and close at 7 o'clock P.M. unless the time of closing is extended by vote of the Town.

ARTICLE 1. To bring in and deposit their ballots for one Moderator, one Tax Collector, one Treasurer, One Town Clerk, one Tree Warden, two Constables, two Auditors, three Selectmen, each for one year, one Library Trustee for three years, one Assessor for three years, one School Committee for three years.

ARTICLE 2. To choose all necessary Town officers.

ARTICLE 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Treasurer, Tax Collector, School Committee and act thereon.

ARTICLE 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the year ending December 31. 1944.

ARTICLE 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1945 in anticipation of the revenue of the financial year ending December 31, 1945.

ARTICLE 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow from time to time in anticipation of the revenue of the financial year beginning January 1, 1944, and to issue a note or notes therefor, payable in one year and renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

ARTICLE 7. To see if the Town will vote to raise the Town Clerk's salary \$35.00 beginning January 1, 1944.

ARTICLE 8. To see if the Town will vote to transfer the Machinery Fund (\$4,577.36) to maintain the Machinery Account of 1944.

ARTICLE 9. To see if the Town will vote to accept the five year Insurance Plan.

ARTICLE 10. To see what sums the Town will appropriate for General Government.

ARTICLE 11. To see what sums the Town will appropriate for Town Buildings.

ARTICLE 12. To see what sums the Town will appropriate for Educational purposes.

ARTICLE 13. To see what sums the Town will appropriate for General Highway purposes.

ARTICLE 14. To see what sums the Town will appropriate for the Reserve, Liability and Insurance Funds.

ARTICLE 15. To see what sums the Town will appropriate for Public Welfare.

ARTICLE 16. To see what sums the Town will appropriate for the Protection of Persons and Property.

ARTICLE 17. To see if the Town will vote to use a piece of land at the rear of the Village School lot for a Town

Building; beginning at the southwest corner 225' north on the west boundary; thence east to the east boundary; thence 175' south to the southeast corner and thence following the boundary line to the southwest corner; with a road 20' wide following the east boundary to the Main Road.

ARTICLE 18. To see if the Town will vote to appropriate \$200. for preliminary preparations on the Town lot.

ARTICLE 19. To see if the Town will vote to accept the provisions of Chapter 211 of the Acts of 1936, as amended, relative to Municipal Planning.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to act as planning Board under Section 4 of Chapter 211, until a Planning Board is established.

ARTICLE 21. To transact any other business that can legally come before this meeting.

And you are directed to serve this warrant by posting attested copies thereof in each of the usual places in Town for posting such notices, seven days at least before the time of holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hand this third day of February in the year of Our Lord one thousand nine hundred and forty-four.

NELS H. OLSEN,
BUELL S. DICKINSON,
WALTER A. PHELON,

Board of Selectmen.

JOSEPH L. DICKINSON,
FRED WACKERBARTH,

Finance Committee.

REPORT OF THE Board of Selectmen

To the Citizens of Granville :

Substantial progress was made this year toward the organization of a fire department. Arthur B. Case, the Fire Chief, reports that he has six men on call and would appreciate more volunteers. The fire department has been called out for five chimney fires and two brush fires. Two hydrants were installed in Granville Center. Four more water holes were made, two on the Old Westfield Road, one on the Granby Road and one on Silver Street, making twenty in all. Some are fenced with barbed wire. We were also able to buy a front end pump which operates quite successfully. We wish to thank the Noble & Cooley Company for their contribution to the Fire Department of \$450. and Mr. Fred Wackerbarth for the materials for the water tank.

The Tolland, Blandford and Southwick boundaries were perambulated this year with members of this Board and of the towns adjoining.

More repairs were made on the Town Hall, including repairs to the roof and interior plastering. The front porch was torn down and rebuilt.

In September the town bought the remaining \$8,000 of notes on the West Granville School. This transaction cleared the town of debt.

Money received under Chapter 90 maintenance was used on the Main road. One mile was resurfaced with trap rock covering and three miles of tar with sand covering. Under Chapter 81 the following roads were given resurface treatment:

Clement Road	.5 mile	Wild Cat Road	.5 "
Cobble Mt. Road	1 "		
New Surface:			
Cross Road	.45 mile	Old Westfield Road	.6 mile
South Lane #1	.3 "	Barnard Road	.3 "
Blandford Road	.3 "	West Hartland Rd.	.4 "
Beech Hill Road	.5 "	Water Street	.6 "
South Lane #2	.35 "	North Lane #2	.35 "
Total 4.15 mile new surface			

New Construction Chapter 81

South Lane #1 Road has .4 mile widened, rocks and ledges drilled; East Hartland Road is widened for 1000'; and the McCarthy Road is widened for .3 mile. The above roads are ready for gravel. North Lane #2 has approximately 1200', and the Old Westfield Road 1500' of new construction ready for asphalt. With the County money, 1200' of new construction ready for asphalt was done on the Blandford Road; and .6 mile is ready for gravel on the South Lane #1 road.

The bridge on the South Lane #1 Road was replaced this year with 40' of 4' concrete pipe. We have on hand 32' of 5' concrete pipe to replace a bridge on the North Lane #2 Road. Sixteen feet more are needed to complete the construction.

In closing we wish to extend our appreciation to the Rationing Board and to Mrs. Ruth Oftedahl for the excellent work they have done the past year. *Mrs. Oftedahl sold War Bonds*

An itemized report of expenditures follows:

Respectfully submitted,

NELS H. OLSEN,
BUELL S. DICKINSON,
WALTER A. PHELON,
Board of Selectmen.

Appropriations amounting to \$56,215.60 were raised at the Town Meeting on Feb. 9, 1943. The chart above represents the percentages of this amount divided among the various governmental departments.

WILLIAM REEVES

HOWARD B. DICKINSON

ROSWELL O. ROWLEY

Board of Assessors

REPORT OF THE
Town Clerk

Vote at Annual Meeting February 8, 1943

ARTICLE 1. Vote for officers: Moderator, Albert E. Sheets, 171; Selectmen, Nels H. Olsen 147; Walter A. Phelon 155; Buell S. Dickinson 108; Guy Hansen 95. Assessor for three years, Roswell O. Rowley, 176; Clerk, Harry A. Root, 181; School Committee for three years, Alice Frisbie, 162; Treasurer, Arch C. Tryon, 182; Collector of Taxes, Arch C. Tryon, 181; Auditors, Guy Hansen 150; James Lees, 151; Tree Warden, Harold E. Hansen, 162; Constables, Stanley Beckwith, 175; Harry Kane, 160; Library Trustee for two years, Lena Humphrey, 175;—for three years, Roswell O. Rowley, 171.

ARTICLE 3. To accept the report of Town Officers as printed.

ARTICLE 4. To raise such sums of money as deemed necessary to defray the expenses of the town for the financial year ending December 31, 1943.

ARTICLE 5. To authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1944 in anticipation of the revenue of the financial year ending Dec. 31, 1944.

ARTICLE 6. To authorize the Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1943 and issue a note or notes therefor payable in one year, and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of General Laws.

ARTICLE 7. To raise the salaries of the Board of Assessors \$25.00 each beginning January 1, 1943.

ARTICLE 8. To raise the salary of the Town Treasurer \$50.00 beginning January 1, 1943.

ARTICLE 9. To raise \$120.00 to pay a 1942 Trade School tuition bill—unanimous vote.

ARTICLE 10. To transfer the machinery earnings (\$4,650.36) to maintain the machinery account of 1943.

ARTICLE 11. To raise \$57.02 to close out the remaining amount in West Granville School Construction account.

ARTICLE 12. To raise \$100.00 for maintenance and equipment for the Fire Department.

ARTICLE 13. To raise \$50.00 annually for Granville Center Hydrant service.

ARTICLE 14. That twenty-five (25) voters shall constitute a quorum at any town meeting. A number less than a quorum may from time to time adjourn the same. This section shall not apply to such parts of meeting as are devoted, exclusively, to the election of Town Officers.

REPORT OF THE Board of Public Welfare

During 1943, 3 cases representing 9 persons were aided by the Town. Ten persons received Old Age Assistance. Six have Granville settlement; 2 other Towns and 2 no settlement. Three cases were closed during the year; two by death and one by change in legislation which became effective September 8, 1943. Two new applications were received, and accepted.

Following is a classification of expenditures for the year:

Temporary Aid

Cash Aid	\$ 30.00	
Food	129.61	
Medicine	6.35	
Fuel	9.15	
Other Towns	15.15	
Lumber	22.90	
Clothing	1.74	
State Hospital at Tewksbury	489.00	
Gilbert Home	254.00	
Dues	1.00 (refunded)	
Social Service Index	3.00	
Total		\$961.90
Appropriation		\$1450.00

Old Age Assistance

Direct grants	\$2,400.50	
Doctor	41.50	
Medicine	57.13	
Funeral	100.00	
City of Boston	8.07	
Total		\$2,607.20

Respectfully submitted,

BELLE B. PENDLETON,
Agent.

REPORT OF THE School Committee

To the Citizens of Granville:

The school committee organized with G. Milton Hansen as chairman and Alice M. Frisbie as secretary.

As you know, there were several changes in our teaching staff this year. The superintendent met with great difficulty in getting candidates who were interested in coming to Granville. Although we have raised our salary schedule, we still are not able to compete with salary schedules of larger places. This reason, besides the difficulty of transportation, causes teachers to avoid rural areas.

We would also like to call your attention to the cost of transporting pupils to High School in two busses. In 1942 it cost \$3,858.47 and in 1943, \$2,876.37, making a saving of \$982.10.

The committee has been given certain rules in regard to transportation by the Office of Defense Transportation. Many hours have been spent in planning our bus routes which have been approved by the O.D.T. Although some changes may not seem fair, in the future we may have to cut our routes still more. New busses are not available and any saving that can be made on the depreciation on the bus and any saving on gas and tires now may save more hardship in the future. It is the duty of the committee and citizens to help conserve in every way possible.

G. MILTON HANSEN,
MIRIAM H. DICKINSON,
ALICE M. FRISBIE.

Superintendent of Schools

To the School Committee and Citizens of Granville:

Herewith is submitted my fourteenth annual report, it being the forty-first of such reports in this union.

What we most need now is to become builders. War is essentially destructive. It fosters negative thinking. People become restless and ordinary routines are disrupted. Frictions develop and unity is threatened. This is no less true of communities and homes than of our national life. We have had enough of that. Now we must build. It is our only hope. We must think positively and act with sanity and balance.

Someone has said that education is growth. This is its most fundamental characteristic. It cannot thrive in an atmosphere of criticism and upheaval because it evolves. It must be built up slowly, with persistence and steady purpose, else it does not grow at all. Its progress must be orderly and carefully directed.

Point of view is of the utmost importance in education. Some schools teach arithmetic, language and geography. Granville schools teach boys and girls. There is a big difference. It is much more important for a child to become kind, generous, honest, tolerant, courageous, self-controlled, and independent than it is for him to learn the multiplication table like a parrot. The strange thing is that in a child-centered school, subject matter is actually mastered more thoroughly than in a school where traditional methods are followed. Of course, good old-fashioned hard work has its place, but there is nothing superior to getting the pupil to put his whole heart and soul into his work. If we can do that we need not worry about anything else. We are on the

way to success. All this presupposes that the teacher is taking account of individual differences rather than trying to crowd all pupils into the same mould.

All this presupposes, also, that the teacher is allowed to function as a classroom specialist. The supervisor should inspire, encourage and suggest. He should not restrict the teacher to a rigid, detailed plan and order her around like an unskilled worker. The community also should see to it that the teacher's life with them is a pleasant one. In these days of teacher shortages communities that can promise a happy teaching experience get the best candidates for there are so many towns that fail in this respect. Teacher agencies and teachers' colleges warn candidates against towns whose reputation for disagreeable school experiences is bad. I was very happy, this summer, in filling the vacancies that arose, to be able to assure candidates that in Granville we had not only modern schoolhouses and ample equipment but modern methods and a cooperative community. These assets will become more and more valuable as the teacher shortage grows more and more acute.

Educational research reveals that what comes to us through the eye is retained in memory longer than what we learn in any other way. One of the latest and most effective forms of visual education is the slide-film projector with film strips. It seemed wise, this year, to purchase a projector and a few films for West Granville. The Village School has had a silent motion picture projector for some time and its value has been proved. For that purpose we rent silent films from time to time for their purchase would be costly. In the case of slide films, however, we own the films and can gradually build up a film library. In addition to that, we can exchange films with Tolland.

THE PAST YEAR

The past year has seen several changes in our teaching staff. Mrs. Thorn left us in June and is teaching in Aga-

wam. Mrs. Halla resigned to go into defense work. Miss Russo went to teach in Bloomfield and Miss Kieliszek teaches in Easthampton. We were sorry to lose each of these teachers but all of the changes represented efforts to get nearer home, or efforts to get nearer the city or to secure better salaries. Even with increased salaries we cannot compete with salary schedules maintained in larger places and we cannot change the geographical factor which is so much stressed by teachers today. However, we were fortunate in being able to fill the vacancies with better trained teachers than most communities were able to secure this summer. Miss Bashista was secured to teach the primary room at West Granville. She is a graduate of Westfield Teachers' College and had one year of experience at Sunderland, Vermont. Mrs. Ruth Phelon was prevailed upon to take the upper room at West Granville. She is a graduate of Westfield Normal School and she had several years of successful experience in our own school system before her marriage. Miss Benchley of Wellesley was secured to teach the primary room at the Village. She is a graduate of the Boston University School of Education with special training in primary education. Miss Serena Morse was secured for the middle grades. She is a graduate of the Bridgewater Teachers' College. All of these new teachers are doing superior work in the classroom.

This past year should also be noted as a year in which Granville cleared up all of its indebtedness on both school-houses. The town should be congratulated on its foresight and good sense in financing. Mention should be made of the sewing class conducted by Mrs. Hunt that is now an integral part of our school work. Its practical value is great. 4-H club work, Boy Scouts, the P.T.A. and various community recreation projects are closely related to our school work and greatly assist us in our work for the pupils.

Attention is called to the statements made by the music supervisor and school nurse, also to the statistics. We should

not close this report without expressing our thanks to the workers who have come into the schools at each rationing period and have given so generously of their time to assist the teachers in registration work.

In closing, may I express appreciation for the cordial co-operation which alone makes a successful school system possible.

Respectfully,

M. C. MOORE

REPORT OF THE
Music Supervisor

Granville, Mass.,
January 6, 1944.

Mr. M. C. Moore, Superintendent,
Granville, Mass.

My dear Mr. Moore:

Following is a report of the school music program in Granville for the year 1943:

As stated in previous reports, our every-day schedule consisted of rote songs, note-reading songs, monotone songs, folk dances and rhythm band for the lower grades; and one, two and three-part songs including chormatics and compound time, for the upper grades. The theory of music taught in Granville schools is in accordance with the requirements of the State Department of Education.

In June the Graduation Exercises were given, with the three upper grades taking part in the musical numbers.

In September there was a general review of all the musical theory previously learned and additional songs and dances were taught.

In December a Christmas program was presented by West Granville school and also in the Village School, the pupils of all grades taking part.

For the coming year we are planning a Music Appreciation Course with victrola records, to include children of all grades.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

REPORT OF THE
School Nurse

January, 1943 to January, 1944

The school health service for 1943 consisted of the visit of the school nurse twice each month, and the yearly physical examinations, which were made by Dr. Robert Marr of Westfield. This service has not been completed, but those children already examined appeared to be in good health, showing only minor defects, none serious enough to need corrective treatment at this time.

The pupils showed an excellent growth record for the year, as noted by the weighing and measuring, which is done three times a year.

It wasn't possible to arrange school dental clinic this year, and it is hoped that this service can be renewed in 1944. The children's teeth are being cared for by the family dentist in most cases, but there are some who cannot have this care.

Vision and hearing tests were given by the teachers and the results checked by the nurse. Teachers and pupils consulted with the nurse about personal and health problems, and eight home visits were made to consult with parents.

Respectfully submitted,

LUELLA I. YOUNG, R.N.,
School Nurse.

REPORT OF THE State Audit

To the Board of Selectmen
Mr. Nels H. Olsen, Chairman
Granville, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Granville for the period from October 18, 1942, to June 7, 1943, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Granville for the period from October 18, 1942, the date of the previous examination, to June 7, 1943, and submit the following report thereon:

The records of financial transactions of the several departments receiving or disbursing town funds or sending out bills for collection, were examined, checked and verified.

The surety bonds of the town officials required to furnish them were examined and found to be in proper form.

The record of licenses granted by the selectmen were checked with the record of licenses issued, and the payments to the treasurer were compared with the treasurer's books.

Ledger accounts were compiled, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on June 7, 1943.

The books and accounts of the tax collector were examined and checked in detail. The taxes outstanding at the time of the previous examination, and all subsequent commitments, were audited and proved with the assessors' warrants. The collections as recorded were checked with the commitment books, the payments to the treasurer were verified, the abatements as recorded were compared with the assessors' record of abatements granted, the outstanding accounts were listed and proved, and the cash on hand June 7, 1943, was verified by actual count.

Further verification of the outstanding accounts was made by mailing notices to all persons whose names appeared on the books as owing money to the town. In reply to these notices, claims were received from two persons who stated that their taxes were paid but not credited on the books of the town. These were called to the attention of the collector who promptly paid the amount of the taxes involved into the town treasury. From the remaining replies received, it would appear that the outstanding accounts, as recommitted to the new collector, are correct.

Action should be taken by the new collector to bring about a prompt settlement of the outstanding taxes which date back to 1939.

The books and accounts of the treasurer were examined and checked. The recorded receipts were compared with the departmental records of payments to the treasurer and with the other sources from which money was paid into the treasury. The payments were checked with the selectmen's warrants, the cash book was written up to date and footed, and the cash balance on June 7, 1943, was proved by reconciliation of the bank balance with a statement received from the depository, and by actual count of the cash in the office. It was found that the treasurer had been unable to reconcile his bank account since the date of the previous audit, which made it necessary to check all checks drawn since October 17, 1942, and to compile a complete list of outstanding checks as of June 7, 1943.

The payments of debt and interest were compared with the amounts falling due during the period covered by the audit, and with the cancelled securities on file.

The securities, including savings bank books, representing the investment of trust and investment funds in the custody of the treasurer-

er were examined and listed. The income was proved and the payments were verified.

The payroll deductions from January 1 to June 7, 1943, for the federal victory tax were listed, and the payment to the collector of Internal Revenue, covering the first quarter, was verified.

The books and accounts of the town clerk were examined and checked. The appropriations as voted by the town meetings were listed and the totals were verified with the amounts raised by the assessors. The receipts for dog and sporting licenses were checked with the record of licenses issued. The payments to the town treasurer and to the Division of Fisheries and Game were verified, and the cash on hand June 7, 1943, was proved by actual count.

The receipts for the rental of the town hall were checked and the payments to the treasurer were verified.

The accounts of the sealer of weights and measures were examined and checked. The recorded receipts were compared with the record of fees charged and the payments to the treasurer were verified.

The librarian's records of receipts from fines, etc., were checked, the payments to the treasurer were verified, and the cash on hand June 23, 1943, was proved by actual count.

The records of bills sent out for collection by the bureau of old age assistance were examined and checked. The charges were listed, and the recorded collections were compared with the payments to the treasurer.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the treasurer's and the collector's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust and investment funds.

While engaged in making the audit, co-operation was received from all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE

Assistant Director of Accounts.

Auditor's Report

We have examined the accounts of the Town for the year ending December 31, 1943, and find them correct.

GUY HANSEN,
JAMES E. LEES,

Auditors.

January 13, 1943.

1943 Report of the Trustees For County Aid to Agriculture And The Hampden County Improvement League

AGRICULTURAL WORK

During the year the service of the County Agricultural Agent has been incidental to a County-Wide service, shaped almost wholly by the war time developments. All farmers have been kept informed by circular letters and published articles regarding special crop and livestock developments and recommended practices, spray bulletins, pest control calendars, tips on poultry range management, beekeeping and so forth. Assistance to individuals in connection with their agricultural production and marketing problems has been given when requested.

Expenses amounting to \$26.74 was reimbursed to:
Mr. E. A. Jensen.

HOME BUREAU WORK

During the year 134 homemakers were interviewed by minutewomen on various war programs and then besides 185 were enrolled in 5 different projects led by 7 local leaders. Nine meetings and demonstrations were held on some phase of homemaking.

The following were reimbursed \$13.08 for their necessary expenses: Mrs. E. N. Humphrey, Mrs. Lucy Matthews and Mrs. Lena Humphrey.

4-H CLUB WORK

There were 135 young people enrolled in 10 different 4-H Club projects. Thirteen leaders directed their activities.

Splendid interest was shown by all and several County and State awards were won by local members.

A total expense of \$19.85 was incurred by Mrs. Willard Tryon and Mrs. Stella L. Hunt for their necessary traveling expenses.

FINANCIAL STATEMENT

1943 Appropriation	\$75.00
Balance carried over from 1942	0.00
	<hr/>
	\$75.00
*Expended in 1943	59.67
	<hr/>
Balance available for 1944	\$15.33
Amount Recommended for 1944—\$50.00	

* Local leaders as listed incurred these expenses and they received checks directly from the County Treasurer who handles the Town appropriation for the Trustees according to Chapter 128 of the General Laws.

Respectfully submitted,

Trustees for County Aid to Agriculture
L. B. BOSTON, Clerk.

Report of The Board of Selectmen

To the Citizens of Granville:

Two major objectives were accomplished by the Town in 1944; namely, the purchase of modern fire equipment, and the erection of a building to house and store town owned equipment. With the Volunteer Firemen and this Board acting as a purchasing Committee an American La France 500 gallon a minute pumper installed on a Ford Truck was decided upon as best suited to the needs of the town. A report of the Machinery Building Committee is included in these reports.

Three water holes were made this year: one at the intersection of Granby Road and Water Street, one at the foot of Granville Hill, and one in West Granville; making a total of 23 in all.

Corner stones were placed at the Town Dump. The so-called Pendleton lot and the Machinery Building lot were surveyed and corner stones erected. Corner stones were also erected at the Searles Cemetery and the cemetery itself made more presentable by cutting the brush and grass.

We were able to buy at minimum prices the parts necessary to build a sand loader. The motor was taken from a discarded automobile. When the various parts were assembled and welded together it turned out to be a very satisfactory and useful piece of equipment.

At the Town Hall eave troughs and drains were provided for the entire west end of the building. The Main Hall was cleaned and the Selectmen's office cleaned and redecorated. The furnace in the west end was moved and repaired. We recommend that sufficient appropriation be made next year to install eave troughs on the east end of the building and to paint the Main Hall.

The Moth Warden reports that gypsy moth infestations are on the increase. This year 7375 egg clusters were found which is a substantial increase over last year.

HIGHWAYS

Chapter 90 Maintenance

Funds received under Chapter 90 maintenance were used on the Main Road. One and four tenths miles was covered with $\frac{1}{4}$ " trap rock and 1.75 miles was covered with tar with sand covering.

Chapter 81

Surface Treatment

The following roads were given surface treatment:

Cross Lane Road, .7 mile.
 Silver Street, .5 mile.
 Old Westfield Road, 1.5 mile.
 South Lane #1, 1.0 mile.
 Water Street, .6 mile.
 Barnard Road, .5 mile.
 Blandford Road, .3 mile.
 Wild Cat Road, 1.0 mile.
 North Lane #2, .7 mile.
 Beech Hill, .5 mile.
 West Hartland, 1.0 mile.
 South Lane #2, .35 mile.
 Sodom Street, .7 mile.
 Clement Road, 1.22 mile.

NEW CONSTRUCTION

South Lane—500' Gravelled ready for surface.
 Water Street—1000' Gravelled and ready for surface.
 Old Westfield Road—Gravelled and ready for surface.

COUNTY

With the county money, South Lane #1 was gravelled and ready for surface from The McCarthy road 1500' south.

BRIDGES AND RAILINGS

The bridge on the North Lane #2 Road was completed this year with the material on hand and the remainder bought this year. The Oftedahl Bridge was replanked, new stringers and planks were provided for the Winchell Road Bridge and new timbers and planks for the Farnham Road Bridge.

In closing we wish to express our appreciation to Herbert A. Hiers for taking the pictures shown in this report.

An itemized report of expenditures follows :

Respectfully submitted,

NELS H. OLSEN,

WALTER A. PHELON,

CYRUS H. TRIPP,

Board of Selectmen.

Copy of Town Warrant

COMMONWEALTH OF MASSACHUSETTS

Hampden, ss.

To either of the Constables of Granville:

GREETINGS:

In the Name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of Granville, in said County, qualified to vote in town affairs, to meet at the Town Hall in Granville Center, on Monday, February 12, 1945, then and there to act upon the articles which follow:

The polls will open at 10 o'clock A.M. and close at 7 o'clock P.M. unless the time of closing is extended by vote of the Town.

ARTICLE 1. To bring in and deposit their ballots for one Moderator, one Tax Collector, one Treasurer, one Town Clerk, one Tree Warden, two Constables, two Auditors, three Selectmen, each for one year, one Library Trustee for three years, one Assessor for one year, one Assessor for three years and one School Committee for three years.

ARTICLE 2. To choose all necessary Town officers.

ARTICLE 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Treasurer, Tax Collector, School Committee and act thereon.

ARTICLE 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the year ending December 31, 1945.

ARTICLE 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to bor-

row on and after January 1, 1946 in anticipation of the revenue of the financial year ending December 31, 1946.

ARTICLE 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow from time to time in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable in one year and renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

ARTICLE 7. To see if the Town will vote to transfer the Machinery Fund (\$3,957.18) to maintain the Machinery Account of 1945.

ARTICLE 8. To see if the Town will vote to accept approximately 1500' of road built by the City of Springfield extending from the Wild Cat Road to the Cobble Mountain Road; this section to be known as the Wild Cat Road.

ARTICLE 9. To see if the Town will vote to discontinue about 1500' of road on the Wild Cat Road known as Stowe's Hill.

ARTICLE 10. To see what sums the Town will appropriate for General Government.

ARTICLE 11. To see what sums the Town will appropriate for Town Buildings.

ARTICLE 12. To see what sums the Town will appropriate for Education.

ARTICLE 13. To see what sums the Town will appropriate for General Highway purposes.

ARTICLE 14. To see what sums the Town will appropriate for the Insurance, Liability and Reserve Funds.

ARTICLE 15. To see what sums the Town will appropriate for Public Welfare.

ARTICLE 16. To see what sums the Town will appropriate for the Protection of Persons and Property.

ARTICLE 17. To see if the Town will appropriate \$5000 of Surplus Revenue to buy Defense Bonds in accordance with the provisions of Chapter 5 of the Acts of 1943.

ARTICLE 18. To see if the Town will appropriate \$2000 to buy a new truck.

ARTICLE 19. To transact any other business that can legally come before this meeting.

And you are directed to serve this warrant by posting attested copies thereof in each of the usual places in Town for posting such notices, seven days at least before the time of holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this second day of February in the year of Our Lord one thousand nine hundred and forty-five.

NELS H. OLSEN,
WALTER A. PHELON,
CYRUS H. TRIPP,
Board of Selectmen.

Board of Public Welfare

To the Citizens of Granville:

Only three cases in the General Relief category were aided by the Town in 1944. All of these cases are unemployable. One case is aided in his own home, one is receiving institutional care and the third is a case of non-support of children by the parent. Following is a classification of expenditures:

William Gilbert Home	\$852.00
Tewksbury State Hospital	549.00
Food	118.90
Fuel	9.60
Medical	7.00
Social Service Index	3.00
Association dues	1.00
	<hr/>
Total	\$1,540.51

A few facts about Old Age Assistance:

Old Age Assistance is not a pension. It is a form of Public Relief given to deserving citizens over 65 years of age who have lived three years or more within the Commonwealth and who are in need of relief.

OAA is given according to the needs of the individual. This means that the amount a person needs is figured according to a budget set up by the State, the amount of other income is deducted and the remainder determines the amount of assistance given.

Payments start as of date of application. Minimum rates vary from \$15 to \$40 per month. Medical attention is given as needed.

The law requires sons and daughters, either married or single to support their parents if they are financially able to do so.

A recipient may have \$300 in cash or other easily liquidatable assets and property whose value is not more than \$3,000.

An individual may be eligible for Old Age Insurance (Social Security as it is called) and Old Age Assistance too.

The Federal Government pays one half up to \$40 per month for each individual, the State pays two thirds of the remainder and the balance is paid by the town or city of

settlement. If the recipient has no settlement the State pays the remainder after deducting the federal share. Checks are issued locally twice a month and the State and Federal governments reimburse the town.

Settlement

A legal settlement is a right created by statute for the purpose of determining financial responsibility of towns and cities and the State, for assistance given to needy persons. There are many qualifications in the settlement law. In general, a legal or civil settlement may be acquired by a person who, after becoming 21 years of age, has resided in a city or town in the commonwealth for five consecutive years without receiving public aid. A person who enlisted or was inducted into the Armed Services acquires a settlement in the place where he actually resided at the time of his induction or enlistment. This is called a Military settlement.

Old Age Assistance 1944

There were seven persons who received Old Age Assistance this year. Three have no settlements, one is chargeable to another town and three are Granville settled. The following is an account of expenditures with estimated receipts from the State and Federal governments.

Payments January 1, 1944 to December 31, 1944

	Total	Federal	State	Local
January	223.90	104.22	79.55	39.79
February	348.40	121.30	120.03	48.79

Report of the Library Trustees

The library has 7,032 books; 2,022 have been in circulation this year.

Magazines and periodicals were supplied by the Library Club.

Two very interesting old maps of Granville have been secured, framed and hung in the Library.

Each year, there is printed by the State, a Library Bulletin, giving Officers, Library hours, and new books purchased during the year. These bulletins are free to patrons of the Library.

Reading certificates were received by Joyce Hiers, Betty Barnes, Rodney Blakesley, Marjorie Crowley, Dorothy Beckwith, Grace Miller and Janet Barnes.

Ernest Jensen and Leonard Roberts represented Massachusetts in a nationwide vegetable demonstration contest at Rochester, New York in December 1944, and won third place in a field of thirty-six teams. The occasion was the annual meeting of the National Junior Vegetable Growers Association and the contest was for 4-H Garden Club Members. The boys won a silver cup for their demonstration. This same demonstration was first presented last fall at Amherst, where it won first prize among the entrants from Western Massachusetts.

Trustees for County Aid to Agriculture
and the
Hampden County Improvement League**

Town of Granville

AGRICULTURAL WORK

During the year the service of the County Agricultural Agent has returned to more regular extension work. However, war time developments are still important in shaping the agricultural program. This past year saw an increase in subject matter meetings for the county farmers.

All farmers have been kept informed by circular letters and published articles regarding special crop and livestock developments and recommended practices, spray bulletins, pest control calendars, tips on poultry range management, beekeeping and so forth. Assistance to individuals in connection with their agricultural production and marketing problems has been given when requested.

HOME BUREAU WORK

During the year 31 women attended 3 meetings or demonstrations conducted by 3 local leaders assisted by the County and State Agents. There were 4 different projects undertaken during the year, a few of which included Food Preservation, Salad Making, and Neighborhood Leadership. The following local leaders incurred expenses amounting to \$8.41: Mrs. Lena Humphrey, and Mrs. Cora Welch.

4-H CLUB WORK

There were 26 young people enrolled in 3 different 4-H Club projects under the direction of 5 local leaders and the County Agents. Outstanding awards for excellence in their projects were given to several members. The following local leader incurred expenses amounting to \$39.63: Ralph R. Roberts.

FINANCIAL STATEMENT

1944 Appropriation	\$50.00
Balance carried over from 1943	15.33
	<hr/>
	\$65.33
Expended in 1944	48.04

Report of The School Committee

To the Citizens of Granville:

The school committee organized with G. Milton Hansen as chairman and Alice Frisbie as secretary. Twelve regular meetings were held during the year.

We have continued the policy of transporting the high school pupils by bus. This fall we extended our bus route to include Silver Street, as there were several small children attending school from that section. It is interesting to note that the cost of operating the bus was about fifty dollars less than the preceding year.

The committee feels proud of the record being made by our high school pupils. Barbara Hansen has been chosen the D.A.R. candidate for Westfield High School. This honor is conferred for outstanding scholarship, personality, character and citizenship. Out of eleven seniors from Granville, five have been made members of the Pro Merito Society. Members are elected to this society on the basis of high scholastic standing for four years.

Superintendent's Report

To the School Committee and Citizens of Granville:

Herewith is submitted my fifteenth annual report, it being the forty-second of such reports in this union.

We have come to grim days in our War against aggression. Difficulties have led to hope during 1944, only to be followed by unexpected discouragement. This has brought determination to face whatever further sacrifices may be necessary.

The future of public education is becoming increasingly clear. Our boys are going into service at eighteen and this policy will continue for many years. There is little point therefore in leaving school before eighteen because the pre-induction courses so essential for the future service are to be given in public schools. All Federal and State officials are stressing the importance of staying in school. That is the war job of every young person and any student who leaves school at an earlier age is shirking military duty as defined by both the Army and the Navy.

While this pre-induction training affects the high school immediately and specifically, yet it reaches down and influences the elementary program. The services are stressing Mathematics, Science, English, Social Studies and Physical fitness. Their demands find the elementary school already doing strong work in all except the last.

We can readily adapt ourselves to their demands in the field of physical fitness, for they are not asking for elaborate gymnastics and exercises, but plenty of walking, swimming and any other work or play that develops legs, arms and chest. I suspect that most farm boys are meeting the requirements unknowingly in doing their daily chores. Our baseball and basketball games contribute much to this same end. In our more formal physical education program many activities have Army approval.

There is another aspect of school work that is especially important in war time. School furnishes a carefree environment in which children can live their lives as children. At home they participate with the family in worries over the fate of brothers and fathers in service. Over the radio they hear the terrible story of war. At the movies they see it. Only at school can they enjoy the God-given heritage of childhood with its work and its play. Of course, they play war, make airplane models and sing war songs, but in all this they are a part of a group of children. There is a difference and it is important.

The war accentuates but does not wholly explain the acute teacher shortage which our state and nation are facing. In some states thousands of schools are closed and pupils go untaught because no teachers, good or bad, can be obtained. Even in Massachusetts our smallest towns are finding it almost impossible to get teachers with acceptable qualifications. With this background, we can appreciate even more fully how fortunate our town is and has been in the matter of securing teachers of excellence. As we pointed out last year, this is not wholly a matter of paying good salaries although that is important. Teachers like to work in schools where conditions are pleasant. Those communities where unthinking criticism is the lot of the teacher are at a disadvantage in these times. So it is particularly fortunate when we find a town like Granville where the people go out of their way to make life pleasant for the teachers and to build up rather than to tear down, what the schools are attempting to do. We should also be appreciative of the splendid work of our school committee. They have met their problems with firmness, fairness, courage, and breadth of view.

The past year has brought some changes in personnel. Principal Doran was called to Army service in July. Since he was on tenure, his status is that of being on leave of absence. This means that he may, if he wishes, resume his position with us at the close of his military service. This creates a problem in securing other teachers which has been adjusted in an equitable manner. Miss Crean took Mr. Doran's place and is doing a fine piece of work. She is a graduate of Westfield Teacher's College with the degree of B.S.E.

and has taught in Peru and in Auburn, in the latter place as principal. Miss Morse resigned in the summer to accept a fine teaching position in Fairhaven. We were able to secure Mrs. Walter Phelon to take her room.

Granville people were very happy to have her once more working in our schools. She and Mrs. Pearl Phelon, who is staying on at West Granville, are typical of the thousands of married teachers who have returned to Massachusetts schoolrooms as a patriotic service. Without them, thousands of pupils would now be suffering from inefficient teaching. Miss Bashista resigned in June to enlist in the Waves. Since she was not on tenure she is not on leave of absence as is Mr. Doran. Miss Catherine Silan took her place. She is a graduate of Westfield Teacher's College with the degree of B.S.E. Nothing but praise can be given each of the above teachers, both those who left our schools and those who have come to us.

During the past year some fine honors have come to Granville students. Ernest Jensen and Leonard Roberts gained first place in the State 4-H club contest in vegetable judging and they placed third out of 68 teams in the national contest. James Jensen gained some sort of a record in picking 41 bushels of milkweed pods for naval use. We have not been able to get a statement from the state officials, but at least he clearly has the record for Hampden County. Several of our high school students were elected to the Pro Merito Society, an honor given for high general scholarship. Several of our Granville girls were elected as junior members of the Westfield Woman's Club. This honor is given for excellence in English.

Attention is called to the reports of the music supervisor and school nurse and the statistics which accompany this. In addition, the following figures of the 118 small towns of the state may be of interest. We shall give the figure for Granville first and the average for the group second, in each case.

Per cent of total school expenditures for		
teachers salaries	51%	58%
text books	2.1%	1.6%

janitor service	9.2%	7.3%
school health	1.7%	2.2%
Valuation per pupil	16174.	7717.
School tax rate	8.67	10.20
Percent school tax is of total town tax	36.1%	35.4%

In closing, may I express my appreciation for the cooperation given by school officials, teachers, parents, and students alike.

Respectfully submitted,

M. C. MOORE

ROLL OF HONOR FOR ATTENDANCE

(Neither absent nor tardy for school year)

None.

Report of Music Supervisor

Granville, Mass.,
January 5, 1945.

Mr. M. C. Moore,
Granville, Mass.

My dear Mr. Moore:

Following is a report of the music activities in Granville for the year 1944:

Our regular music schedule was followed, namely, rote songs, first steps in note-reading and theory of music, folk dances and music appreciation in the first four grades; advanced note-reading, two-part singing, square dances and music appreciation in the upper grades.

In June the graduation program included two three-part songs and a class song composed by the graduates.

In November during Education Week parents were invited to attend a music lesson given in the different grades.

In May an operetta, "Red Riding Hood" was presented by the pupils in the Village School.

In December a Christmas operetta, "Two Christmases" was given by the pupils of West Granville School; and a miscellaneous program was enjoyed by the pupils of the Village School.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

Report of School Nurse

January 1944 to January 1945

The nurse visited the schools regularly except in November, when she could not because of illness. Dr. Robert Marr completed the yearly examinations in January and Dr. Harold Beattie made his examinations in October. Dr. Beattie examined eighty children and found that sixteen were in need of dental care and six had enlarged tonsils. All children should have regular dental care as a measure of good health and a preventive of possible infections. In the Spring there were a number of cases of measles, German measles and two cases of scarlet fever among the children. School vacation was advanced as a means of checking possible spread of contagion.

It is hoped to have a diphtheria immunization clinic in 1945 and that all children between the ages of six months and ten years will participate except those who have already been immunized.

Respectfully submitted,

Report of the State Audit

April 27, 1944

To the Board of Selectmen
Mr. Nils H. Olsen, Chairman
Granville, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Granville for the period from June 8, 1943, to April 4, 1944, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Granville for the period from June 8, 1943, the date of the previous examination, to April 4, 1944, the following report being submitted thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or sending out bills for collection, were examined, checked and verified.

The pay-roll deductions for federal taxes were checked. The deductions were listed, the payments to the Collector of Internal Revenue were verified, and the cash in the general treasury was proved.

The receipts from licenses issued by the selectmen were checked with the record of licenses granted, and the cash on hand was proved.

The receipts for the rental of the town hall were checked and the payments to the treasurer were verified.

Th appropriations as voted by the town meetings were listed from the records of the town clerk and were compared with the aggregate amounts raised by the assessors in the determination of the tax rate.

The financial records of the town clerk were examined and checked. The receipts from dog and sporting licenses were checked with the record of licenses issued. The payments to the treasurer and to the Division of Fisheries and Game were verified, and the cash on hand April 4, 1944, was proved by actual count.

The surety bonds of the town clerk, treasurer and collector for the faithful performance of their duties were examined and found to be in proper form.

The books and accounts of the treasurer were examined and checked. The receipts, as recorded, were compared with the departmental record of payments to the treasurer and with the other sources from which money was paid into the town treasury. The payments were checked with the selectmen's warrants, the cash book was footed, and the cash balance on April 14, 1944, was proved by reconciliation of the bank balance with a statement received from the bank of deposit, and by actual count of the cash in the office.

The payments of debt and interest were compared with the amounts falling due during the period covered by the audit, and with the cancelled securities on file. The purchase in advance of maturity of securities covering the balance of the school debt which would have fallen due during the coming eight years, made possible by a town meeting appropriation for this purpose, was verified. The cancelled securities covered by this payment were examined and listed.

The securities including savings bank books representing the investment of trust funds in the custody of the treasurer were examined and listed. The income was proved and the payments were verified.

The books and accounts of the tax collector were examined and checked in detail. The tax accounts outstanding at the time of the previous examination, and all subsequent commitment lists of taxes were audited and reconciled with the assessors' warrants. The collections, as recorded, were checked with the commitment books, the

payments to the treasurer were verified, the abatments were compared with the record of abatements granted, the outstanding accounts were listed and proved, and the cash on hand April 4, 1944, was proved by actual count.

The outstanding accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town. During the process of auditing the accounts it was found that in seven instances collection of taxes recorded on the cash book had not been posted to the commitment books. Except for replies received from individuals, whose payments were not entered as noted, it appears that the outstanding accounts, as listed, are correct.

The total amount outstanding on each levy was reported to the assessors, who recommitted the accounts to the recently elected tax collector, to whom the warrants and collector's books were turned over at the completion of the audit.

The accounts of the sealer of weights and measures were examined and checked. The recorded receipts were checked with the record of fees charged and the payments to the treasurer were verified.

The librarian's records of receipts from fines, etc., were checked. It was noted that no payment to the treasurer has been made during the period covered by this audit. The cash on hand April 4, 1944, was proved by actual count.

The records of accounts receivable of the bureau of old age assistance were analyzed, and the collections as recorded were compared with the treasurers' record of receipts.

Ledger accounts were compiled, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on April 4, 1944.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust funds.

For the cooperation received from the several town officials while engaged in making the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted;

HERMAN B. DINE,
Assistant Director of Accounts

Report of the Chief of the Fire Department

To the Citizens of Granville :

The Fire Department attended nine fires last year. Six were chimney fires, one a house, one a garage and one a boiler house. Satisfactory work was accomplished at all of them.

At present this Department has only six volunteers. We need more. Show your enthusiasm and interest in your Town by volunteering to be a fireman.

Call service for fires is as follows :

8 A.M. to 8 P.M. Tel. 2121

8 P.M. to 8 A.M. Sundays and Holidays Tel. 2241 or Tel. 3311.

Respectfully submitted,

ARTHUR B. CASE,

Fire Chief.

Organization Chart of the Town of Granville

Report of The Board of Selectmen

To the Citizens of the Town of Granville :

Snow removal has been our greatest and most expensive problem this year. We have been criticised because the roads were not opened quicker, were not scraped wider and cleaner, and because they were not sanded more thoroughly. We feel that you as a tax payer should ask yourself, "How much do I want to pay for snow removal? Do I want to maintain a regular crew whether there is snow and ice or not? How much do I want to invest in equipment? What kind of winter roads do I want?" Then act accordingly when the snow removal appropriation comes to vote at Town meeting.

This year the Town has bought two new trucks which are heavier than we have been in the habit of using, and a new snow plow. This equipment works out very satisfactorily for a moderate storm. We hope that some time in the future the town will buy a still heavier truck than we have

at present. This Town always has snow drifts to break through and widen. We recommend therefore, that the Town purchase a D-6 tractor and snow plow. Although plowing snow with a tractor is slow work, we feel that it is essential to have heavy equipment in reserve for heavy snow.

During the period from July 1, 1944 to June 30, 1945, the Town spent \$10,175.16 for snow removal. The State reimbursed \$4,292.98. This was an emergency measure for the above period only. At present there is a bill pending in the legislature which is intended to help small towns on a percentage basis with the snow removal problem. We hope you will contact our Representative and Senator and urge them to use their influence to see that the bill is passed.

During the war, our Chapter 81 allotment was cut \$1825. This amount will be returned to us next year. Also, as a Post War Rehabilitation measure the State is allotting to the Town \$15,475 a year for the next six years. This money must be spent on not more than any two roads in town in one year which are either mail or school bus routes, and not Chapter 90 roads.

At the request of the County Commissioners, we measured and reported the condition of the 42 bridges in town which have more than a five foot span. The State has taken over three of these bridges this year and there is a possibility that more will be taken next year. The bridges taken over this year are: Dickinson Bridge, on the Main Road, the School House Bridge on the Granby Road, and the Hubbard river Bridge.

The Town has invested several thousand dollars in fire equipment. In order that people, who live within 2 miles over the road distance from the equipment house, can benefit by the decreased rate in fire insurance, we must have 1000' of 2½" hose, suitable equipment and pumper and a proper place for housing. We have 800' of 2½" hose, the fire pumper and equipment. Don't you think we should have a new Fire House?

The work done in the Moth Department was confined to badly infested areas. The Superintendent reported 15,446

moth clusters, which is a 100% increase over last year. He recommends that some arrangement be made whereby thickly infested stone walls can be burned out, and an increase in appropriation.

At the Town Barn the cement floor was finished and some grading was done. The Westfield Public Works Department has given us permission to take from the water shed any evergreen trees we may need for landscaping, and next year we hope the appearance of this property will be greatly improved.

Our Veteran's Service center is located in Westfield. So far this arrangement has not been too satisfactory. Until such time as a more satisfactory center can be established, we hope our returned Veterans will use the one in Westfield. We offer our cooperation at any time, and recommend that the Town give some thought to a permanent Honor Roll.

Through the cooperation of the executor of the Elma Bronson estate and Mr. Benham Cone, our collection of Town reports is complete from March 5, 1883 to the present. Inasmuch as some of these books are old and worn, we recommend that they be bound into volumes.

An itemized report of expenditures follows :

Respectfully submitted,

NELS H. OLSEN

WALTER A. PHELON

CYRUS H. TRIPP

Board of Selectmen

Copy of Town Warrant

COMMONWEALTH OF MASSACHUSETTS

Hampden, ss.

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of Granville, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center, on Monday, February 11, 1946, then and there to act upon the articles which follow:

The polls will open at 10 o'clock A.M. and close at 7 o'clock P.M. unless the time of closing is extended by vote of the Town.

ARTICLE 1. To bring in and deposit their ballots for one Moderator, one Tax Collector, one Treasurer, one Town Clerk, one Tree Warden, two Auditors, three Selectmen, each for one year; one Library Trustee for three years, one Assessor for three years, and one School Committee for three years; and to vote yes or no on the following question: Shall an Act passed by the General Court in 1945 entitled "An act relative to equal pay for men and women" be in force in this Town?

ARTICLE 2. To choose all necessary Town Officers.

ARTICLE 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Treasurer, Tax Collector, School Committee and act thereon.

ARTICLE 4. To see if the Town will vote to raise such sums of money as may be necessary to defray the expenses of the Town for the year ending December 31, 1946.

ARTICLE 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money on and after January 1, 1947 in anticipation of the revenue of the financial year ending December 31, 1947.

ARTICLE 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year ending December 31, 1946, and to issue a note or notes therefor, payable in one year, and renew any note or notes for a period of less than one year, in accordance with the provisions of Section 17, Chapter 44 of the General Laws.

ARTICLE 7. To see if the Town will vote to transfer the Machinery Fund (\$4,361.80) to maintain the Machinery Account of 1946.

ARTICLE 8. To see if the Town will vote to discontinue to elect two Auditors, and elect one Auditor for one year at a salary of \$5. per year.

ARTICLE 9. To see if the Town will vote to accept a piece of land situated on the west side of the Village School lot, given to the Town by Mrs. Grace J. Pendleton.

ARTICLE 10. To see what sums the Town will appropriate for General Government.

ARTICLE 11. To see what sums the Town will appropriate for Town Buildings.

ARTICLE 12. To see what sums the Town will appropriate for Education.

ARTICLE 13. To see what sums the Town will appropriate for General Highway purposes.

ARTICLE 14. To see what sums the Town will appropriate for the Reserve Fund, Liability and Insurance Fund.

ARTICLE 15. To see what sums the Town will appropriate for Public Welfare.

ARTICLE 16. To see what sums the Town will appropriate for the Protection of Persons and Property.

ARTICLE 17. To see if the Town will vote to buy a new Tractor and Snow Plow and an Angle Bulldozer.

ARTICLE 18. To see if the Town will appropriate \$10,000 for the purchase of a Tractor and Snow Plow and Angle bulldozer; and to meet this appropriation, \$4,000 of Surplus Revenue be appropriated, and the Treasurer, with the approval of the Selectmen, be authorized to borrow \$6,000 under the provisions of Chapter 44 of the General Laws, and to issue notes or bonds therefor payable in three years or at such earlier time as the Treasurer with the approval of the Selectmen may determine.

ARTICLE 19. To see if the Town will authorize the Selectmen to sell the old Tractor and Snow Plow, the price to be approved by the whole Finance Board, and the sum of money paid therefor to go into Surplus Revenue.

ARTICLE 20. To see if the Town will vote to authorize the Moderator to appoint a Committee of 3 or 5 persons to be called the Fire House Building Committee: their duties to report in 90 days or less on location, plans and cost of a Fire House.

ARTICLE 21. To see if the Town will vote to appropriate \$2,000 for a Fire House, which is not to be used until such time as the Town votes to accept the report of the Fire House Building Committee.

ARTICLE 22. To transact any other business that can legally come before this meeting.

And you are directed to serve this warrant by posting attested copies thereof, in each of the usual places in Town for posting such notices, seven days at least before the time of holding said meeting.

Hereof, fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this 30th day of January 1946.

The Third Jubilee 1745 - 1945

The growth and development of Granville may be credited to the determination, cooperation and initiative of its forefathers whose chief interests were the worship of God, the education of their children, and the maintenance of their homes and the development of their industries. Evidence of these characteristics has followed thru the years since June 1686, when James Cornish bought from the Indian, Toto, "for good and loving consideration," a gun and six gaudy brass buttons, a certain tract of land, "a six miles square or thereabouts." Cornish recorded the deed in Hampshire County, which at that time included Franklin and Hampden counties and a part of Suffield. Cornish

The opening of the program August 26, 1945

The granite column containing three plaques inscribed 1845, 1895 and 1945 commemorating the three anniversaries.

Participants in the 200th anniversary program: Front row, left to right: Fitch C. Bryant, descendant of the first group of settlers to start for Granville, O.; Mrs. Margaret H. Tripp, who was present at the 1895 Jubilee; Joyce Hansen, representing the young people; Back row: Jesse Dickinson, Chairman of Ceremonies, whose uncle, Ethan Dickinson, conducted the program fifty years ago, and Rev. Clarence S. Gee, Pastor of Granville, O. Presbyterian Church.

sold a large part of his land to William Fuller, and both sold in 1713 to Atherton Mather. It was Mather who granted this land to the Bedford Company of Proprietors, the founders of the plantation of Bedford. The purchase was made in 1715, and confirmed by the General Court in 1739. The proprietors were not settled, and, realizing that they could make no money unless the land were settled, they agreed to set apart some 2,000 acres for public use and each proprietor agreed to give one fifth of his land, "in order to the bringing forward of the plantation 4,000 acres shall be given to 40 persons to settle." In 1736 Samuel Bancroft arrived with his family and chose his 100 acres on what is now the northerly part of the Westfield Reservoir. Other families migrated to the territory from Durham,

Conn. Having provided a shelter for their families, and prepared the land for crops, their first care was for the establishment of a Church and then a school for the education of their children. The first pastor, Rev. Moses Tuttle was ordained and settled in 1747. The erection of the first Church edifice was largely due to his efforts. The Congregational Church now in use was built in 1802 and thoroughly repaired in 1890.

In 1795 Dr. Timothy Mather Cooley was settled as the minister of the Church and continued as such until his death December 14, 1859. Dr. Cooley was not only a beloved pastor, but also a great educator. Besides preaching over 7000 sermons, he personally instructed 800 men, found time to be School Committee man for 45 years, a trustee of Williams College for 46 years, and a Vice-president of the Westfield Academy for 50 years. In 1805, a group of 52 families, whom Dr. Cooley had organized as a Church, set forth in covered wagons for lands in the West, locating at Granville, Ohio.

In July, 1937 this Church and the Baptist Church united in a federation agreement, thus creating the Federated Church of Granville.

In 1762 the first vote to raise money for the support of schools was taken and the sum of 20 pounds was raised. This amount has gradually increased each year, with the exception of the Revolutionary period, when it appears that the assets of the Town were exhausted by the War. Today the Town of Granville has two of the finest schools in the vicinity, one erected in 1933 at the Village and one in West Granville in 1936. We also attain one of the highest records in the State in proportion to its children graduating from higher institutions of learning.

The industrial and economic life dates back to the days when one of the largest tanneries in Massachusetts was located in Tolland, then a part of Granville. Carving chopping bowls, butter and lard dishes, clothes pins, spindles, etc. became a home industry. The drum and spindle developed into factory products. All of the Pitman rods for sewing machines in the United States were made by the Hol-

comb Brothers. Today the Noble & Cooley drum factory, founded in 1854, is still one of the largest of its kind in the world.

During the early period of the Town, general farming was the chief agricultural activity. Recently this has given place to two specialized activities, the production of apples and blueberries. Our farmers are outstanding in the production of these crops, judged by appearance, taste and quality.

It was to honor Dr. Cooley for fifty years of service that the Jubilee was observed in 1845 and adjourned to 1895. The Third Jubilee not only honors Dr. Cooley, but symbolizes the tenacity and unity of purpose of the people of our town to carry on and maintain the ideals of their ancestors, the settlers of two hundred years ago.

Rationing Board

The Town of Granville extends sincere appreciation for their services in the war effort to the following:

Rationing Board

Francis R. Hunt
Ralph Roberts
*Joseph LeClair
Ralph Doran

Carleton Safford
Henrietta Florek
Moody K. Oftedahl
Charles Hansen

Harold Chapman

Clerks

Lodema B. Hunt and Ora L. Gooding

Bond Salesman: Mrs. Ruth Oftedahl

All members of the Civilian Defense

Salvage Committee: George F. Brooks and Mrs. Gladys Hunt.

George and his truck collected: 2500 lb. grease; 185 lb. hen feathers, 12 tons tires and tubes and 162 tons of scrap metals.

*Special recognition should be given to Joseph LeClair who served continuously throughout the rationing period.

Report of The Board of Public Welfare

To the Citizens of Granville:

Three persons received Temporary Aid this year and six received Old Age Assistance. Since only two of the Old Age Recipients have Granville settlements, the cost to the Town is comparatively small.

Many new laws and policies pertaining to Old Age Assistance became effective in 1945. Chief among them is Chapter 441 which gives the recipient the privilege of choosing his doctor subject to the rules of the Department.

Chapter 683 becomes effective January 1, 1946. This provides that children's support has been greatly liberalized as shown by the following table:

Single child in the home	Based on net income	1500.00
Single child living apart		1750.00
Married child, spouse self supporting no dependents		2750.00
Married child, spouse dependent		2750.00
Married child, each additional dependent		500.00

The rate of contribution is one third above the exemption amount. In addition to this change, the law provides that the child's statement under oath shall be used to determine liability and no further investigation shall be made unless there is reasonable doubt as to the truth of his statements.

An itemized account of expenditures follows:

Old Age Assistance

Direct grants	\$1886.37	
Doctor and medicine	81.28	
Funeral	100.00	
	<hr/>	
Total		\$2067.65

Temporary Aid

William Gilbert Home	\$1199.56	
Tewksbury State Hospital	547.50	
Food	129.43	
Association dues	1.00	
Social Service index	3.00	
	<hr/>	
Total		\$1880.49

Respectively submitted,

BELLE B. PENDLETON,
Agent.

Report of The Library Trustees

The Library has 7140 books. 1976 have been in circulation this year.

Magazines and periodicals were furnished by the Library Club.

In August, Mr. William B. Bailey of Hartford, presented a gift of \$1000.00 to the Library Club, to be known as the "Ellen Henrietta Bacon Fund," the interest of which is to be used to secure historical and geneological works of Granville and its people.

Book Week was observed by a display of new children's books on posters which were made by school children.

The State Reading List:

Beverly Carpenter	Philip Dickinson
May Hunt	Donald Hooper
Beatrice Kenney	Robert Fairbains
Elaine Mallis	William Tryon
Janice Tripp	Jarvis Flagg
Carol Hansen	Nelson Flagg
Jean Blakesley	Wallace Banks
Elaine Flagg	William Hooper
Gwendolyn Amlaw	Floyd Hayden
Dorothy Hunt	James Blakesley
Chauncey Carpenter	

Respectfully submitted,

MARY W. PATT.

Auditor's Report

I have examined the Town of Granville's books for 1945 and find them correct.

GUY J. HANSEN,
 Auditor

**1945 Report of the
Trustees for County Aid to Agriculture
and the
Hampden County Improvement League**

Town of Granville

AGRICULTURAL WORK

All farmers in town have been kept informed of the latest developments in Agricultural problems by means of personal visits by the County Agents or through group meetings, circulars, bulletins, and field demonstrations. Opportunity has been given to all in matters pertaining to crop production, better care of livestock and general farm management problems.

HOME BUREAU WORK

During the year 111 women attended 19 meetings or demonstrations conducted by 5 different local leaders assisted by the County Agents. There were 6 different projects undertaken as requested by various groups of homemakers, and the following local leaders incurred expenses amounting to \$14.91: Mrs. Doris Wackerbarth, Mrs. Myrtle Humphrey, Mrs. Cora Welch.

4-H CLUB WORK

There were 16 young people enrolled in 5 different 4-H Club projects under the direction of 4 local leaders and the County Agents. Outstanding awards for excellence in their projects were given to several members. The following local leaders incurred expenses amounting to \$24.12: Ernest Jensen, James Jensen, and Leonard Roberts.

FINANCIAL STATEMENT

1945 Appropriation	\$50.00
Balance carried over from 1944	17.29
	<hr/>
	\$67.29
Expended in 1945	39.03
	<hr/>
Balance available for 1946	\$28.26
Appropriation recommended for 1946	\$50.00

NOTE: The town appropriation is deposited with the County Treasurer and held to the credit of the town for reimbursing local town leaders for their necessary expenses in conducting such work as may be assigned them.

Respectfully submitted,

Trustees for County Aid to Agriculture

L. B. BOSTON, Clerk

Report of The School Committee

To the Citizens of Granville:

Granville has been very fortunate in having a fine staff of teachers in this time of teacher shortage. Miss Catherine Silan was transferred to the primary room at the village after a very successful year at West Granville. Miss Alice Carbonneau was elected to teach the primary room at West Granville. She is a graduate of Westfield State Teacher's College.

We are planning the remodeling of the kitchen to make it more convenient for serving lunches. A lunch project is being sponsored by the P.T.A.

It is necessary for us to ask for a larger appropriation this year, due to the fact that the tuition to Westfield has been increased from \$100.00 to \$150.00 per pupil. We also have a larger number attending Trade School than we have in the last few years.

We take this opportunity to thank the parents and teachers for their co-operation.

Sealer of Weights & Measures

November 26, 1945

To the Honorable Selectmen
Town of Granville

Sirs:

Enclosed please find my annual report.

J. M. Gibbons & Son, Spring scale, 1; Humphrie's Garage, liquid measures, 2; gasoline pump meters, 2; kerosene pump, 1; grease pumps, 3; quantity stops, 3; P. C. Knobb, counter platform scale, 1; avoirdupois weigh's, 3; gasoline pump meters, 2; Winchester's Store, computing scale, 1; Total fees collected, \$3.65.

Three complaints were received on peddlers and their scales. These complaints were investigated and satisfactorily adjusted. Scales were inspected.

Respectfully submitted,

JOHN J. GUINASSO,

Report of the State Audit

To the Board of Selectmen
Mr. Nels H. Olsen, Chairman
Granville, Massachusetts

Gentlemen :

I submit herewith my report of an audit of the books and accounts of the town of Granville for the period from April 5, 1944, to November 14, 1945, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir :

In accordance with your instructions, I have made an audit of the books and accounts of the town of Granville for the period from April 5, 1944, the date of the previous examination, to November 14, 1945, and submit the following report thereon :

The financial transactions, as recorded on the books of the departments collecting or disbursing money for the town or sending out bills for collection, were examined, checked, and verified.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and checked with the records of the departments making payments to the treasurer and with the other sources from which money was paid into the town treasury. The payments were compared with the treasury warrants and with the selectmen's classified record of expenditures, and the cash balance on November 14, 1945 was proved by reconciliation of the bank balance with a statement furnished by the bank and by actual count of the cash on hand.

The securities, including savings bank books, representing the investment of the trust and investment funds in the custody of the town treasurer were examined and listed, the income being proved and the payments to the town being verified.

The books and accounts of the tax collector were examined and checked. The commitment lists of all taxes were added and proved with the warrants given by the board of assessors for their collection. The recorded collections were compared with the payments to the treasurer, the recorded abatements granted, and the outstanding accounts were listed and proved.

The outstanding tax accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The financial transactions of the town clerk were examined. The receipts for dog and sporting licenses were checked with the record of licenses issued, the payments to the state and town treasurers were verified, and the cash on hand on November 14, 1945 was proved by actual count.

The surety bonds filed with the town by the town clerk, town treasurer, and tax collector were examined and found to be in proper form.

The receipts for licenses and permits issued by the board of selectmen were checked with the records of licenses and permits granted, and the payments to the treasurer were verified.

The receipts for the rental of the town hall were checked and the payments to the treasurer were verified.

The recorded receipts of the sealer of weights and measures were checked with the record of work done, the payments to the treasurer were verified, and the cash on hand was counted.

The records of accounts receivable of the bureau of old age assistance were examined. The charges were listed, the payments to the treasurer and the abatements were checked, and the outstanding accounts were listed and proved.

The recorded receipts of the librarian for fines were checked, the payments to the treasurer were verified, and the cash on hand on November 20, 1945 was proved by actual count.

Ledger accounts were compiled, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on November 14, 1945.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, together with tables showing the trust and investment fund transactions.

For the cooperation received from all town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts

Superintendent's Report

To the School Committee and Citizens of Granville :

Herewith is submitted my sixteenth annual report, it being the forty-third of such reports in this school union.

The outstanding event of 1945 was the ending of World War II. Everyone rejoiced at the ending of the European phase of the war in May and unrestrained celebrations marked the end of the Pacific phase of the war in August. But this did not solve our problems. Indeed, they have grown more numerous and acute, problems of occupation of enemy countries, war criminal trials, economic relief for devastated allies, demobilization and internal problems of reconversion, inflation, strikes and food shortages.

Among these problems, what to do with newly discovered atomic energy is undoubtedly the greatest. There has been much written and spoken about this subject that is unfortunate. No professor is going to tip over a test tube and blow up the whole planet; and the ground where atomic bombs have fallen is not radio-active for a generation, or for a week. Yet, no one can ignore the fact that every aspect of our living and thinking was radically and permanently changed on August 5, 1945. No one can foresee what future developments in this field will bring us.

We must not forget that there have been other scientific achievements growing out of the war, any one of which by itself would have revolutionized our way of life, airplanes which can cross the continent and return the same day, rockets traveling faster than sound, radar, electronics, auroraphonics, and plastics, to mention a few. The material developments of two centuries have been crowded into five

years, while our social and economic life is on the 1870 level, our political machinery on the 1820 level and our cultural and religious thinking about the same. The continued existence of civilization is literally a race to see whether the spiritual values of life can catch up with the material values.

This prospect need not appall us. The United Nations Organization at San Francisco was formed in a spirit of unity and forbearance and, as such things go, has been ratified by all freedom-loving nations in record time. The Bretton Woods Conference showed unusual good sense in dealing with complicated questions of international economics and finance, and the great powers are taking plenty of time in shaping permanent peace treaties. We are in the process of becoming "one World"; and best of all, everyone recognizes that this one world must be achieved, if all mankind is not to perish.

In this race to preserve civilization, our country holds the key position, not alone because of its central geographical position, its industrial power, its financial strength and its military might, but also because of its history. For over a century we have been at peace with our nearest neighbors, Canada and Mexico; and we have never fought a war against any of the other nations of the Western Hemisphere. Peoples of every race and creed and nationality come to us and live with us and with each other in amity and good fellowship, as American citizens. If peace can be so nearly universal in the Western World, can we not reasonably hope that sometime it will be attained in the Old World?

Perhaps it is impossible to tell how much of this American achievement is due to our system of free education for everybody, but one can be sure that the sympathetic study of all the peoples of earth in our geographies, the broaden-

ing influences of literature and the respect for truth that comes from a study of science have done much to unify us. The mingling of boys and girls, rich and poor, on the playground and in the classroom has greatly furthered the growth of democracy in the lives of our people.

But there is much yet for the schools to do. We still have racial prejudice and industrial strife. We need to learn still more about our world neighbors and to understand even better their problems and viewpoints. The Springfield plan has become famous as a definite attempt to teach better racial understandings in the schools. In our rural schools we do the same work more informally, but no less effectively. In our geographies, we not only teach the global concepts of an air age, with the North Pole as the transportation center of the world, but we stress ever and ever more strongly a knowledge of all the peoples of the earth.

The past year has seen only one change in our personnel in Granville. Miss Benchley resigned in June at the Village School so as to work nearer her home in Wellesley. Miss Silan was transferred from West Granville to the primary room at the Village. By this transfer she is able to go home every night. Miss Alice Carbonneau was elected to the West Granville position. She is a graduate of the Westfield Teachers' College with the degree of Bachelor of Science in Education, and is doing excellent work as is Miss Silan, and indeed all of our teachers. Also, during the year the superintendent's office was brought back to Granville where it has been for more than half of the time since our school union was formed. In school unions, it is generally believed that there are distinct advantages for the town in which the work of the union is centered.

Under the leadership of the National Education Association an extensive movement is on foot for the improvement of high school education throughout the United States.

Much that they are doing will prove of value in the elementary grades as well. The New England Association of School Superintendents is initiating a vigorous movement for the improvement of all schools. As a fortunate coincidence our own state department of education is bringing to fruition a five year study of the curriculum in the elementary school. New courses of study for primary grades are now ready for the printer and it is hoped that state-wide distribution can be had soon. Preprints of these have come to us and they indicate a radically new approach to our problems because of the fact that Granville schools have been progressive and forward-looking for so long, not many changes will have to be made in our work to be abreast of these latest educational movements.

The state department of education, with the co-operation of the Federal government, is carrying another new project of great significance, that of regional high schools for the use of the veterans of World War II. The headquarters of our region is in Westfield and is therefore quite convenient for us. The service is flexible and free. I shall be glad to confer with any Granville veterans who may be interested.

Attention is called to the reports of the school nurse and of the music supervisor. They indicate that the health work and the music are being conducted with the usual efficiency. During the year, Miss Johnson had an opportunity to expand her work in Connecticut. Because of her interest in the Granville schools and the pleasant conditions that surround her work here, she fortunately decided not to give up Granville. When we are able to keep the services of one of such superiority of ability, it is of incalculable benefit to the boys and girls.

Another development in our schools is the excellent project, sponsored by the P.T.A., to have a completely organized hot lunch, with Federal aid, at the Village School. For

the past few years a local lunch has been carried on by the teachers with the help of interested pupils. The larger project is bound to be of even greater benefit. Such a lunch, scientifically planned and efficiently carried out, has been found in many places to have a direct beneficial influence on the academic work and the personal health of the pupils.

It has long been recognized that we need more apparatus for our school playgrounds. It was possible this year to make a good beginning toward meeting this need by the purchase of swings for both of our school playgrounds. These swings are of the type that should give long service. The pupils are delighted with them.

The committee also purchased an emergency lighting unit for installation in the auditorium at the Village School. This is designed to come on automatically whenever the regular lights fail and has been found essential in preventing panic when such a failure occurs during the use of the auditorium by a large audience. It is required by the new state building code adopted by the legislature following the Coconut Grove disaster. Our auditorium is large enough to come under the state regulations. The unit purchased is similar to the one in use at the Town Hall.

In conclusion, we look forward to future progress confidently because of the splendid co-operation that has made past progress possible.

Respectfully,

M. C. MOORE.

Report of Music Supervisor

Granville, Mass.
Jan. 1, 1946

Mr. M. C. Moore
Granville, Mass.

Dear Mr. Moore:

Following is a report on the musical activities in the Granville schools for the year of 1945:

Our work in music started in much the same way as in previous years, with rote songs, one-part note-reading songs, first steps in musical theory, folk dances and rhythm band in the lower grades; and recreational songs, one, two and three-part songs, advanced musical theory and folk dances in the upper grades.

In addition to the above schedule we had music appreciation with victrola records and studied the lives and music of different composers.

In June for the Graduation program the upper grades sang two selections and a class song which the graduates composed.

In May the Village School presented the operetta, "Aunt Drusilla's Garden", grades three to eight taking part.

In the following November, the West Granville school observed Education Week, holding classes in the evening and a music lesson was conducted in each room.

The year's work in music closed with a Christmas operetta presented by West Granville School; and in the Village School the first two grades assisted in the program with rhythm band selections and Christmas songs.

Respectfully submitted,

HELEN M. JOHNSON
Music Supervisor

Report of The School Nurse

January 1945 to 1946

The school health service consisted of twenty visits to the schools. Dr. Harold Beattie was school physician and made the yearly examinations. In May and June a toxoid clinic was held. Eleven pre-school children attended and were given treatments to immunize them against diphtheria. Some children who missed one of the clinics were given their final treatment at Dr. Beattie's office.

The children were weighed and measured regularly, vision and hearing tests were given, using the audiometer to test the hearing. Seven home visits were made.

Respectfully submitted,

LUELLA I. YOUNG, R.N.

School Nurse
